

of the city of Milwaukee, as the common council of said city may, by resolution, determine to acquire for such purpose, and for that purpose all the provisions of said chapter 235 and of this act, applicable thereto, are hereby extended so as to include said last named tract of land, and are to be held and construed for all purposes, as if said tract of land had been originally named in and covered by the provisions of said chapter 235.

SECTION 4. This act shall take effect and be in force from and after its passage and publication.

Approved March 30, 1883.

[No. 131, S.]

[Published April 14, 1883.]

### CHAPTER 212.

AN ACT to vacate certain additions to the city of La Crosse.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

Plat vacated.

SECTION 1. The plat of B. S. Reppy's addition of out-lots to the village (now city) of La Crosse is hereby vacated, but this act shall not be construed to authorize the closing of any portion of Main street, State street, or the road to the town of Campbell, passing through or embracing part of the territory of said addition.

More territory vacated.

SECTION 2. All that portion of E. D. Clinton and Blackwell's addition to the city of La Crosse lying east of the east line of Fremont or Fourteenth street, south of the south line of Travis street, and north of the north line of Chase street, and that portion of the same lying west of the west line of Fremont or Fourteenth street, south of the south line of Weston street and north of the north line of Chase street therein are hereby vacated; but this act shall not be construed to authorize the closing of any part of Travis street, Chase street, Fremont or Fourteenth street, Seward or Twelfth street, or of that part of Weston street lying west of the east line of Fremont street, or of the Mormon Cooley road, passing through or embracing part of the territory of said addition.

SECTION 3. This act shall take effect and be in force from and after its passage and publication.

Approved March 31, 1883.
