## CHAPTER 469.

AN ACT to authorize cities of the first class owning and operating a water works plant or system to apply surplus earnings of said system to the general fund.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

**Surplus earnings of water works plant.** SECTION 1. The common council of any city of the first class, whether operating under a general or special charter, owning and operating a water plant or system may by resolution duly passed appropriate the surplus earnings of water works, plant or systems to the general fund, provided, however, that in case there is a bonded indebtedness against said water works, plant or system, then and in that case not any of such surplus earnings shall be appropriated and used as above stated, unless there is on hand a sufficient sum of money to pay two years installment on principal and interest. Provided, that the amount of surplus earnings of such waterworks so apportioned, shall not exceed the amount such city shall have raised by general taxation and expended in the construction of such waterworks system, or in payment of bonds issued for the construction thereof, with interest thereon from the time such money was so expended or paid at the then current rates of interest or at the rate of interest such bonds shall have borne.
