

• SECTION 3. This act shall take effect and be in force from and after its passage and publication.

Approved June 24, 1911.

No. 709, A.]

[Published June 26, 1911.]

### CHAPTER 437.

AN ACT to amend subsection 4, of section 36, of the statutes, relating to the publication of election notices.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. Subsection 4, of section 36, of the statutes, is amended to read: (Section 36) 4. Such publication shall be made twice in daily or weekly newspapers in counties or cities having such, one of which publications in daily papers shall be on the day preceding the election and the other publication one week previously, and when published in a weekly paper the dates shall be designated by the county clerk; but if there be no daily or weekly newspaper published within the county or city, \* \* \* publication \* \* \* may be made in any daily or weekly newspaper having a general circulation in such county or city.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.

Approved June 24, 1911.

No. 725, A.]

[Published June 26, 1911.]

### CHAPTER 438.

AN ACT to create section 288b of the statutes, relating to the cleansing and disinfecting of cuspidors and other materials and appliances used in the capitol building, and making an appropriation therefor.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. There is added to the statutes a new section to read: Section 288b. For the purpose of better safeguarding the health of the state employes and the general public who frequent the capitol building, the superintendent of public property shall provide and equip a room or rooms in the capitol building as a sterilizing chamber or chambers to be used for thoroughly cleansing and disinfecting cuspidors, substantially according to the Manning system as now established and used in the government printing office at Washington, District of Columbia, and for cleansing and disinfecting such other materials
