On and after July 1, 1915, no person who shall not have taught in a public school for at least one year, shall be granted a county or city teacher's certificate to teach in the public schools of the state of Wisconsin, unless, in addition to passing an examination in all of the subjects required by law for a county or city teacher's certificate, he shall have completed the course of study provided for the common schools of the state of Wisconsin, or one equivalent thereto, or the course of study provided for a graded system of public schools containing at least eight grades, or one equivalent thereto, and shall have had at
