CHAPTER 437.

AN ACT to create section 819m of the statutes, relating to town sewers.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There is added to the statutes a new section to read: Section 819m. 1. In any town situated wholly within the boundaries of a county containing a city with a population of three hundred thousand, or more, in any case where it is possible to construct a sewer and secure an outlet for same into any of the sewers maintained by a city of three hundred thousand, or more, the supervisors may, whenever they shall deem it necessary for the public health, cause a sewer or sewers to be constructed and maintained in any part of said town and order and direct the construction of the same and alter, repair or mend any sewer hereafter constructed within said town, provided only that the sewer or sewers so ordered and constructed shall have an outlet into a sewer or sewerage system of a city of three hundred thousand or more inhabitants. In doing such work said town board of supervisors shall proceed in accordance with the provisions of sections 919a to 919m, inclusive, of the statutes, and such board shall, for the purposes of this section, have and may exercise all the powers conferred by said sections upon the president and trustees of villages.

2. The cost of the construction of manholes, catch-basins for the receiving of water from gutters and of the overflow pipes connecting them with sewers, and of the repairing and cleaning of sewers, and all expenditures for temporary work necessary to carry out the system of sewerage as adopted, and all cost of constructing sewers not provided for by special assessment, shall be paid out of the general fund of the town.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.

Approved June 5, 1913.
