CHAPTER 512.

AN ACT to amend section 4560f—10 of the statutes, relating to the taking of rough or destructive fish from inland waters.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section 4560f—10 of the statutes is amended to read: Section 4560f—10. 1. The state fish and game warden is hereby authorized to take, or cause to be taken, by means of nets from any of the inland waters in this state, exclusive of the Mississippi river and Rock river in Dodge county and Lake Koshkonong, buffalo fish, carp, dog fish, garfish, eelpout, * * * red horse, sheepshead or suckers whenever he shall find that such fish or any of them * * * are detrimental to and tend to retard the propagation of or destroy game fish therein. * * *

2. All such fish * * * taken under the provisions of this section shall be sold by the state fish and game warden for the best price * * * obtainable by him therefor and the net proceeds of such sales shall be paid into the state treasury to be placed in the general fund.

3. For the purpose of keeping such fish until * * * the same * * * can be disposed of to the best interests of the state, the state fish and game warden may create or cause to be created temporary fishponds in the waters of this state.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.

Approved June 19, 1913.

CHAPTER 513.

AN ACT to amend section 496f, and to repeal subsection 6 of section 496e, and section 496i, and to create subsections 6 and 7 of section 496e and section 172—56 of the statutes, relating to the amount of state aid to be paid to districts maintaining state graded schools, and making an appropriation therefor.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section 496f of the statutes is amended to read: Section 496f. The state superintendent is hereby authorized to appoint two persons of suitable qualifications to assist him in inspecting and supervising the state graded and free high schools, and to aid him in giving information and needed assist-

ance to localities in organizing such schools. Such persons shall be known as state school inspectors, and shall each receive an annual salary of eighteen hundred dollars, and reimbursement for all actual and necessary traveling expenses incurred, when duly certified to by the state superintendent; said salary and expenses to be paid monthly from the general fund, and to be deducted *before the apportionment is made* from the annual appropriation provided for * * * *special state aid for graded schools* * * *. Said state school inspectors, when not engaged in the specific duties enumerated herein, may be assigned for such other duties as the state superintendent may determine and designate.

(See c. 772, s. 114.)

SECTION 2. Subsection 6 of section 496e and section 496i of the statutes are repealed.

SECTION 3. There are added to the statutes two new subsections and one new section to read: (Section 496e) 6. Any school district which shall have maintained a graded school of the first or second class, in which special instruction in agriculture and such other industrial subjects as may be prescribed by the state superintendent of public instruction shall have been offered, shall receive in addition to the amount heretofore mentioned, an appropriation of one hundred dollars annually, provided that the course of study in agriculture and the other industrial subjects prescribed by the state superintendent shall have been followed, that the work shall have been presented in an efficient manner by a competent teacher, and shall have been approved by the state superintendent, or some member of his staff.

7. Whenever two or more school districts maintaining one-department rural schools shall consolidate and establish and maintain in such enlarged district a state graded school of either the first or second class, and shall provide transportation for all persons living more than two miles from such consolidated school, according to the provisions of section 419e of the statutes, then there shall be apportioned to such district, in addition to the apportionments heretofore authorized, an additional sum of one hundred dollars annually, as special state aid, provided such consolidated district shall fully comply with all the provisions of the law relating to state graded schools.

SECTION 172—56. There is annually appropriated on July 1, not to exceed two hundred thousand dollars, payable from any moneys in the general fund, not otherwise appropriated, for special state aid for graded schools to carry out the provisions of sections 496d to 496h, inclusive. If more state aid be demanded it shall be paid proportionally.

SECTION 4. This act shall take effect and be in force from and after its passage and publication.

Approved June 19, 1913.

CHAPTER 514.

AN ACT to amend sections 458b and 458b—1, subsections 1, 2 and 3 of section 458b—2, section 458c, and subsection 2 of section 458q of the statutes, relating to teachers' licenses and certificates.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Sections 458b and 458b—1, subsections 1, 2 and 3 of section 458b—2, section 458c, and subsection 2 of section 458q of the statutes are amended to read: Section 458b. The state superintendent shall issue to the holder of a diploma, granted by the board of regents of normal schools to any person who completed the kindergarten training course established by said board in any of the state normal schools, a license entitling the holder to teach in any public kindergarten in this state for one year. *Upon the presentation of satisfactory evidence of successful teaching for one year in any public kindergarten in this state such license may be renewed for one year by the state superintendent.* The holder of such a diploma may receive an unlimited state certificate, entitling him or her to teach in any public kindergarten in this state for life unless sooner revoked, upon the furnishing of evidence of good moral character, and * * * *two years'* successful teaching after graduation, in a public kindergarten in the state of Wisconsin, together with the certificate required in section 458b—2.

Section 458b—1. The state superintendent shall issue to the holder of a diploma granted by the board of regents of normal schools to any person who completes the training course for teachers of manual training or domestic science, established by said board in any of the Wisconsin state normal schools a license entitling the holder to teach manual training or domestic science for one year in any school forming a part of the public school system. *Upon the presentation of satisfactory evidence of successful teaching for one year of manual training or domestic science in any school forming a part of the public school system such license may be renewed for one year by the state superintendent.* The holder of such diploma may receive an unlimited
