CHAPTER 518.

AN ACT to create section 1325h of the statutes, relating to automatic safety gates on certain bridges.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There is added to the statutes a new section to read: Section 1325h. Whenever a complaint is lodged with the railroad commission by any person, firm, corporation, or association, or any body politic or municipal organization to the effect that any bridge within the state, equipped with a draw which is opened to allow the passage of boats, is not equipped with gates or other safety devices, the commission may give notice to the proper party or parties in interest of the filing of complaint, and may proceed to investigate the same, and to hold a hearing thereon in the manner provided for hearings in section 1797—12. If after such investigation the commission shall determine that public safety requires the erection and maintenance of gates or other safety devices at the points involved in the complaint, it may enter an order requiring the county, city, village, town, corporation or person whose duty it is to maintain such bridge, to erect and maintain at such points such gates or other safety devices of such kind as it may prescribe; and such gates or other safety devices of such kind shall thereupon be erected at such points within the time fixed by the commission and thereafter maintained, unless such order shall be modified by the commission, or shall be set aside on appeal in the manner
