The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There is added to the statutes a new section to read: Section 1325h. Whenever a complaint is lodged with the railroad commission by any person, firm, corporation, or association, or any body politic or municipal organization to the effect that any bridge within the state, equipped with a draw which is opened to allow the passage of boats, is not equipped with gates or other safety devices, the commission may give notice to the proper party or parties in interest of the filing of complaint, and may proceed to investigate the same, and to hold a hearing thereon in the manner provided for hearings in section 1797—12. provided in section 1797—16. The commission may proceed to conduct the investigations, hold the hearings, and make the orders provided for in this section upon its own motion in the same manner and with the same effect as though complaint were filed.
