(20.) (b) There is appropriated on July 1, 1915, seven hundred fifty dollars and on July 1, 1916, five hundred twenty-five dollars, payable from any moneys in the normal fund income not otherwise appropriated, to the state board of education for permanent property and improvements in the normal training department for oral teachers for the deaf as provided for in section 579p.

21. There is appropriated on July 1, 1915, twelve thousand eight hundred fifty dollars, and on July 1, 1916, twenty-seven thousand five hundred fifty dollars, payable from any moneys in the normal fund income not otherwise appropriated, to the state board of education for property repairs and maintenance at any or all of the normal schools under the supervision of the said board.

33. There is appropriated on July 1, 1916, twenty-eight thousand and fifty dollars, payable from any moneys in the normal fund income not otherwise appropriated, to the state board of education for permanent property and improvements except buildings and purchase of land at the normal school at Eau Claire.

36. There is appropriated on July 1, 1916, not to exceed one thousand five hundred dollars, payable from any moneys in the general fund not otherwise appropriated to the state board of education to cover the costs of the biennial audit provided for in section 401m.

(Section 172—130.) (5) Where any appropriation is repealed or any balance of an appropriation is caused to revert, any indebtedness incurred under the authority of such appropriation or balance prior to the time as of which such repeal or

reversion of balance is to take effect, shall be paid from the appropriation or balance thus repealed or reverted as the case may be unless otherwise specifically provided by law.

(6) No appropriation shall be available for payment of any indebtedness incurred prior to the time as of which such appropriation is to take effect or for any other purpose than that for which it is made unless otherwise specifically provided by law.

(7) In any case where a continuing, nonlapsible appropriation is amended either as to amount or purpose, the balance shall go forward as if the same had not been amended and shall be available for the purposes and subject to the conditions or limitations set out in the appropriation as amended unless otherwise specifically provided by law.

SECTION 5. Any balance of the appropriation provided in subsection 4 of section 172--54 which remains unexpended at the close of business on June 30, 1915, shall revert to the normal fund income.

SECTION 6. Any balance of any of the operation appropriations provided in subsections 6 to 13, inclusive, of section 172--54 which remains unexpended at the close of business on June 30, 1915, is reappropriated to the state board of education for operation at any or all of the normal schools under the supervision of the said board. This appropriation shall be available to pay indebtedness incurred prior to July 1, 1915.

SECTION 7. Any balance of any of the maintenance appropriations provided in subsections 14 to 21, inclusive, of section 172--54 which remains unexpended at the close of business on June 30, 1915, is reappropriated to the state board of education for property repairs and maintenance at any or all of the normal schools under the supervision of the said board. This appropriation shall be available to pay indebtedness incurred prior to July 1, 1915.

SECTION 8. Of that portion of the appropriation provided in subsection 4 of section 172--54 of the statutes, which is used for salaries, compensations and traveling expenses, no part shall be used for salaries, compensations or traveling expenses of any persons or officials other than members of the state board of education, the secretary of the board, the business agent, the physician, the accountant and stenographers.

SECTION 9. This act shall take effect as of July 1, 1915.

Approved August 24, 1915.
