## CHAPTER 97

AN ACT to create section 1408a—1 of the statutes, relating to school sanitation.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. There is added to the statutes one new section to read: Section 1408a—1. All teachers shall immediately send home any pupil who is habitually unclean and emits offensive bodily odors, or who is infested with lice or other vermin and shall immediately notify, in writing, the clerk of the school board or the superintendent of schools and the parents or guardian of such pupil, of such condition.

SECTION 2. This act shall take effect upon passage and publication.

Approved April 17, 1917.

## CHAPTER 98

AN ACT to create subsection 4 of section 573aa and to amend subsection 1 of section 573aa of the statutes, relating to the treatment of crippled or deformed children.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. There is added to section 573aa of the statutes a new subsection to read: (Section 573aa.) 4. The state board of control is authorized and directed, whenever suitable and reasonable arrangements can be made, to transfer any child designated in subsection 1 of this section, or to cause any such child to be committed, to some other appropriate hospital in this state wherein such treatment, surgical assistance and care may be given.

SECTION 2. Subsection 1 of section 573aa of the statutes is amended to read: (Section 573aa.) 1. In addition to the classes of children now received at the state public school for neglected or dependent children at Sparta, pursuant to existing laws, there shall also be received as pupils in the said school, any children under fourteen years of age, residents of this state, who are crippled or deformed in body or otherwise physically defective, or who are suffering from disease through which they are likely to become crippled or deformed or otherwise physically defective, provided, their bodily ailments or diseases are curable by surgical operation or hospital treatment at the school
