## JOINT RESOLUTION NO. 15.

Relating to the establishment of a free, united and independent Polish Nation.

WHEREAS, One of the fourteen points proposed by President Wilson for the establishment of a permanent world peace provides for the creation of a free, independent and united Poland with access to the sea, and

WHEREAS, Liberty and justice loving people the world over are united in their acknowledgment that Poland is entitled to a free, independent and autonomous existence and self government and is entitled to all the polish territories which belonged to her prior to her dismemberment and partition, now therefore,

*Be it Resolved by the Senate, the Assembly concurring,* That we favor the establishment of an independent Polish State composed of all Polish territories inclusive of those which give Poland access to the sea, to the end that justice be done to the Polish nation, that the territories which were taken from her in violation of all international rights shall be restored and in order that by the creation of such a state a durable peace of the world will be materially assured; be it further

*Resolved,* That copies of this resolution properly attested by its presiding officers be sent to the President of the United States, to the presiding officers of both branches of Congress and to each of the United States Senators and Representatives of Wisconsin.

## JOINT RESOLUTION NO. 16.

Relating to the establishment of a league of nations.

WHEREAS, The war, now brought to a victorious close by the associated power of the free nations of the world, was above all else a war to end war and protect human rights, Therefore, be it

*Resolved by the Senate, the Assembly concurring,* That we favor the establishment of a league of nations of which the United States shall be a member. We believe that such a league should aim at promoting the liberty, progress and orderly development of the world; that it should clinch the victory won at such terrible sacrifice by having the united potential force of all its members as a standing protection for the world against
