CHAPTER 516.

AN ACT to create subsection 5 of section 1317m—12a of the statutes, relating to changes in type and width of surfacing of highways to be improved with the proceeds of county highway bond issues.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. A new subsection is added to section 1317m—12a to read: (Section 1317m—12a) 5. The county board of any county which has heretofore voted to issue bonds for highway improvement under the provisions of section 1317m—12 or of section 1317m—12a of the statutes, or of both of said sections, may, by a two-thirds vote of the members present at any regular or special meeting, by resolution, change the type or width of surfacing anticipated to be built or designated to be built on any portion of highway with the proceeds of the sale of said bonds, to a different type or width of surfacing, if said board shall determine that such change will best serve the public interest. If said change of type or width of surfacing shall result in a decreased cost of the improvement, the board may, by resolution, determine not to issue the portion of the bonds so rendered unnecessary or the board may, by resolution, determine to issue the said bonds and to use the proceeds thereof to augment the funds made available under the bonding resolution for the improvement of other portions of highways when said funds are inadequate to build the type or width of surfacing on said portions determined by the board to be necessary to serve the public interest. If said change in type or width shall result in an increased cost of the improvement the length of the improvement may be decreased accordingly.

SECTION 2. This act shall take effect upon passage and publication.
