

the findings of the United States Bureau of Labor statistics, or an equally recognized authority. This section shall be in effect only for the duration of the present war between the United States and her enemies and for 6 months after the termination thereof as proclaimed by Congress or by the President.

Approved June 28, 1943.

No. 550, A.]

[Published July 1, 1943.

CHAPTER 387.

AN ACT to renumber 101.31 (6) to be 101.31 (6) (a) ; to amend 101.31 (1) (introductory paragraph), (a), (b) and (cm), (7) (f) and (11) (a) and to create 101.31 (6) (b) of the statutes, relating to the registration of architects and professional engineers and providing a penalty.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 101.31 (1) (introductory paragraph), (a), (b) and (cm), (7) (f) and (11) (a) of the statutes are amended to read:

101.31 (1) (Introductory paragraph) Any person practicing or offering to practice the profession of architecture or the profession of professional engineering in this state shall be required to submit evidence that he is qualified so to practice and shall be registered as hereinafter provided; and it shall be unlawful for any person to practice or to offer to practice the profession of architecture or the profession of professional engineering in this state, or to use in connection with his name or otherwise assume, use or advertise any title or description tending to convey the impression that he is an architect or a professional engineer * * * or to advertise to furnish architectural or professional engineering services, unless such person has been duly registered or exempted under the provisions of this section.

(a) The term "architect" as used in this section means a person who * * * is legally qualified to practice the profession of architecture.

(b) The practice of architecture, * * * within the meaning and intent of this section includes any professional service, such

as consultation, investigation, evaluation, planning, aesthetic and structural design, or responsible supervision of construction, in connection with the construction of any private or public buildings, structures, projects, or the equipment thereof, or addition to or alteration thereof, wherein the safeguarding of life, health or property is concerned or involved.

(em) The practice of professional engineering within the meaning and intent of this section includes any professional service, requiring the application of engineering principles and data, wherein the public welfare or the safeguarding of life, health or property is concerned and involved, such as consultation, investigation, evaluation, planning, design, or responsible supervision of construction, alteration, or operation, in connection with any public or private utilities, structures, *projects*, bridges, industrial plants * * * and buildings, machines, equipment, processes, works, and the structural members of other than industrial buildings.

(7) (f) Nothing contained in this section shall prevent persons * * * from *advertising and performing services such as consultation, investigation, evaluation, in connection with and making plans and specifications for, or supervising the erection, enlargement or alterations of any * * * of the following buildings:*

1. Dwellings for single families, and outbuildings in connection therewith, such as barns and private garages.

2. Apartment buildings used exclusively as the residence of not more than 2 families.

3. Buildings used exclusively for agricultural purposes.

4. Temporary buildings or sheds used exclusively for construction purposes, not exceeding 2 stories in height, and not used for living quarters.

(g) * * * Nothing contained in this section shall prevent persons, firms or corporations, * * * from making plans and specifications for, or supervising the erection, enlargement or alteration of any * * * *new building containing less than 50,000 cubic feet of usable space, or addition to a building which by reason of such addition results in a building containing not over 50,000 cubic feet of usable space or structural alteration to a building containing not over 50,000 cubic feet of usable space.* Nor shall anything contained in this section prevent persons, firms, or corporations, * * * from making repairs or interior alterations to buildings, which do not affect health or safety.

(h) *Any multiple family building having a common roof and party walls shall be deemed a single building for purposes of this section.*

(i) *This section shall not apply to inspection and service work done by employes of insurance rating bureaus, insurance service bureaus, insurance companies or insurance agents.*

(11) (a) Any person who shall practice, or offer to practice, architecture or the profession of professional engineering in this state, or who shall use the word "architect" or the term "professional engineer" as part of his business name or title or in any way represent himself as an architect or a professional engineer without being registered or exempted in accordance with * * * this section, or any person presenting or attempting to use as his own the certificate of registration of another, or any person who shall give any false or forged evidence of any kind to the board or to any member thereof in obtaining a certificate of registration, or any person who shall falsely impersonate any other registrant of like or different name, or any person who shall attempt to use an expired or revoked certificate of registration, or shall violate any of the provisions of this section, shall be guilty of a misdemeanor, and shall, upon conviction, be punished by a fine of not less than \$100 nor more than \$500, or by imprisonment for not more than 3 months, or both.

SECTION 2. 101.31 (6) of the statutes is renumbered to be 101.31 (6) (a).

SECTION 3. 101.31 (6) (b) of the statutes is created to read:

101.31 (6) (b) No such firm, or copartnership, corporation, or joint stock association shall offer to practice the profession of architecture or the profession of professional engineering in this state, or to use in connection with its name or otherwise assume, use or advertise any title or description tending to convey the impression that it is engaged in the practice of the profession of architecture or the profession of professional engineering, nor shall it advertise to furnish architectural or professional engineering services, unless firm members or copartners owning a majority of the capital interest in such firm or copartnership, or unless the executive director and the holders of the majority of stock of such corporation or joint stock association are duly registered under the provisions of this section.

Approved June 29, 1943.
