### CHAPTER 114.

AN ACT to create 245.10 (6) of the statutes, relating to antenuptial examinations and tests of persons in the armed service of the United States.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

245.10 (6) of the statutes is created to read:

245.10 (6) (a) When the examination as to existence or non-existence of a venereal disease is of a person serving in the military forces of the United States, and the certificate prescribed in subsection (1) shall so show, such examination and certificate may be made by any physician serving as such in the military forces of the United States. When so made the certificate shall state at the foot thereof the military rank and station of the physician.

(b) When a person submitting to a Wasserman test under subsection (5) is in the military service of the United States, such test may be made in any United States military laboratory and the certificate of negative finding prescribed by subsection (5) may be subscribed by any physician serving as such in the military forces of the United States. When subscribed by such physician the certificate shall show that the person given the test is in the military service of the United States and the military rank and station of the subscribing physician. A certificate made pursuant to this subsection need not in any case be accompanied by a statement of a state health officer as to competency of the laboratory making the test.

(c) The provisions of this subsection shall supersede any provision in subsections (1) to (5) in conflict therewith.
