**CHAPTER 201.**

AN ACT to amend 50.08 of the statutes, relating to state aid in certain tuberculosis cases.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

50.08 of the statutes is amended to read:

50.08 Any county may establish and maintain an outpatient department or a public health dispensary for tuberculosis and other communicable diseases; which may also be used in connection with the correction of physical defects of school children and child welfare work. In counties whose population is two hundred fifty thousand or more such institution shall be governed either pursuant to section 46.21, or sections 46.18 and 46.19. In all other counties it shall be governed pursuant to sections 46.18 and 46.19. *Any county which provides outpatient treatment in a county institution to a person who presents the certificate mentioned in section 50.07 (1) shall be credited by the state, to be adjusted as provided in section 50.11 for each patient cared for at public charge, as follows:*

*(1) For each treatment given to a patient whose care is chargeable against said county, one-seventh of the amount paid by the state per week to the county under section 50.07 (3) (a) and (b).*

*(2) For each treatment given to a patient whose care is chargeable against some other county, one-seventh of the amount paid by the state per week to the county, or one-seventh of the cost of his care as determined by the institution and the state board of*
