

No. 607, S.]

[Published July 22, 1949.

**CHAPTER 494.**

AN ACT to amend 30.05 (2) of the statutes, as amended by chapter 59, laws of 1949, relating to the state chief engineer supplying towns and villages with plans, specifications and estimates in connection with breakwaters, piers and dams.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

30.05 (2) of the statutes, as amended by chapter 59, laws of 1949, is amended to read:

30.05 (2) When it is deemed necessary to construct or repair any such breakwater, protection piers or dam, a plan of such work with specifications and estimates of the costs of the work shall be prepared and presented to the county board of the county or the supervisors of the town, or trustees of the village or common council of the city, and when adopted shall, where required, be submitted to the proper officer of the United States or to the Public Service Commission for approval or consent to construct such protection. \* \* \* No work shall be done upon any such breakwater, pier or dam except in pursuance of a plan and specifications prepared and approved as aforesaid.

Approved July 18, 1949.
