CHAPTER 347

AN ACT to amend 84.03 (1) (b) of the statutes, relating to highways; federal aid and state and local funds in cities.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

84.03 (1) (b) of the statutes is amended to read:

84.03 (1) (b) Funds provided by any county, city, village or town to construct, reconstruct or improve any highway, street or bridge with state or federal aid under the provisions of this chapter, shall be paid to the commission or to the state treasury as the commission may require and shall be expended in accordance with the provisions of s. 84.06 and the federal acts relating to such federal aid. The use of state or federal aid in the construction, reconstruction or improvement of any highway, street or bridge not on the state trunk highway system shall not relieve the county, city, village or town of any obligation to maintain such highway, street or bridge. *The state highway commission may allot to any city of the first class any state and federal highway funds to which such city may be entitled for the purpose of the payment of interest, debt charges, amortization or retirement of street or highway bonds issued pursuant to the provisions of s. 67.05 or other applicable provisions of law. Such cities are hereby empowered to use such highway funds so allotted for such purposes, paying interest, debt charges and costs, amortization or retirement of such bonds.*

Approved June 25, 1953.
