CHAPTER 404

AN ACT to create 20.174 of the statutes, relating to the erection of a new school for the custody and rehabilitation of delinquent boys and making an appropriation.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

20.174 of the statutes is created to read:

20.174 SCHOOL FOR BOYS. (1) There is appropriated from the state building trust fund to the state department of public welfare such amounts as are required, not to exceed \$6,000,000, for the construction and equipment of a modern institution for the custody and rehabilitation of delinquent boys to replace the present school for boys. In order to make

this amount available, there is transferred on July 1, 1955, from the general fund to the state building trust fund, \$3,000,000.

(2) The state department of public welfare may sell the buildings and site of the present school for boys if the new institution is constructed on another site, and all moneys received by the department of public welfare from the sale of the property at the site of the present school for boys and all other unexpended moneys appropriated by the legislature for the improvement of the present school for boys are appropriated to the state building trust fund.

(3) Such modern institution for the custody and rehabilitation of delinquent boys shall be erected on the present site or a site within the Kettle Moraine state forest, the exact location and dimensions of the site to be determined by the state building commission. If the site selected is on property owned by the conservation department, the latter is directed to transfer the property designated by the state building commission to the state department of public welfare.

Approved July 14, 1955.
