CHAPTER 388

AN ACT to amend 20.551 (80); and to repeal and recreate 20.240 (80) of the statutes, relating to the authority of the state building commission to anticipate appropriations.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. In recognition of the inadequacy of the heating plants at several state colleges to provide sufficient heating capacity in 1964, the intent of this act is to make moneys available prior to July 1, 1963, to enable issuance of contracts for boiler purchase for which moneys normally would have been provided in the 1963-64 executive budget appropriations.

SECTION 2. 20.240 (80) of the statutes is repealed and recreated to read:

20.240 (80) ADVANCE COMMITMENTS. The state building commission is authorized to issue contracts exceeding available appropriations to the building trust fund exclusive of the appropriation made by s. 20.551 (80) in the sum of \$1,500,000 for the purchase of heating plant boilers for the state colleges at Platteville, Whitewater, Oshkosh, Stevens Point, River Falls and Menomonie. Payments on these contracts shall be made from any available moneys in the building trust fund, but if payments requested exceed available moneys in the fund, the commissioner of administration is authorized to transfer such amounts as are required from the appropriation made by s. 20.551 (80).

SECTION 3. 20.551 (80) of the statutes is amended to read:

20.551 (80) For the fiscal year * * * 1962-63 there is appropriated from the general fund to the state building commission a sum sufficient for the payment of bills submitted in execution of s. 20.240 (80) in the event that the commissioner of administration finds moneys in the trust fund insufficient to meet such bills.

SECTION 4. This bill is declared to be an emergency executive budget bill under section 16.47 (2) of the statutes.

Approved October 9, 1963.
