

CHAPTER 130

AN ACT to grant to the city of Racine a certain parcel of partly submerged land constituting a part of the bed of Lake Michigan lying along and adjacent to the shore of Lake Michigan on the eastern boundary of the city of Racine for public docks, wharves, highways, water recreation, public park and boulevard purposes, and for the protection and future extension of the sewage treatment plant of said city and for such other structures and equipment necessary and useful in the operation of said plant.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

All the right, title and interest of this state in and to the following parcels of land adjacent to the shore of Lake Michigan and partly submerged, constituting a part of the bed of Lake Michigan on the eastern boundary of the city of Racine are hereby granted and ceded to said city of Racine, namely:

(1) A strip of partly submerged land, constituting a part of the bed of Lake Michigan, on the easterly boundary of the city of Racine, the northerly boundary of which is the center line of Eleventh Street extended; the westerly boundary of which is the shore; the southerly boundary of which is the center line of Twelfth Street extended; and the easterly boundary of which is a straight line 800 feet east of and parallel to the east line of Lake Avenue, to be held and used by said city forever to straighten out the existing irregular shore, to fill in the shallow and unwholesome bed of the lake, and for public docks, wharves, highways, water recreation, and for public park and boulevard purposes.

(2) A strip of partly submerged land constituting a part of the bed of Lake Michigan on the easterly boundary of the city of Racine, the northerly boundary of which is a line parallel to and 1,350 feet south of  $\frac{1}{4}$  section line of section 21, township 3 north, range 23 east, the westerly boundary of which is the shore; the southerly boundary a line parallel to the northerly boundary and 277.5 feet south thereof; and the easterly boundary is a straight line, the southerly end of which is the 1,144 feet east of the easterly line of Center Street and the northerly end of which is 1,150 feet east of the east line of Center Street to be held and used by said city forever for public docks, wharves, highways, water recreation, public park and boulevard purposes, and for the protection of the Racine sewage treatment plant, for the future extension of said plant and for such other structures and equipment necessary or useful in the operation of said plant.

Approved June 24, 1965.
