*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

59.07 (89) of the statutes is created to read:

59.07 (89) HEATING AND AIR-CONDITIONING CONTRACTORS. In counties having a population of 500,000 or more, for the purpose of protecting and promoting the general health and welfare of county residents, provide by ordinance for the regulation, control, prohibition and licensing of heating and air-conditioning contractors engaged in either soliciting work or any actual installation, maintenance or repair work within the geographic limits of such counties. The board may revoke any license after the filing of charges and notice of hearing thereon. Such ordinance in addition may impose a penalty of not to exceed \$100 for any violation or in default of payment thereof, imprisonment for not to exceed 30 days and each day's failure to comply with any provision of the ordinance shall constitute a separate offense. In addition the county may institute injunctive proceedings to enforce any provision of the ordinance. The board may also, within the ordinance, provide for the creation of an advisory board and prescribe its powers. Such ordinance shall apply within cities and villages which may have adopted ordinances regulating the same subject matter but the county ordinance shall not have jurisdiction over any building code matter in any municipality, nor shall the ordinance be applicable to licensed electrical contractors engaged in the installation, maintenance or repair of electrical heating and air-conditioning systems or to a public utility which is subject to ch. 196.

Approved October 26, 1965.
