**CHAPTER 164, LAWS OF 1967**

AN ACT to amend 29.574 (6) (a) of the statutes, relating to keeping of live birds or animals sold for food.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

29.574 (6) (a) of the statutes is amended as follows:

29.574 (6) (a) Such game birds and animals, except waterfowl, may be taken at any time in any manner by persons qualified under this chapter to hunt thereon. Waterfowl may only be taken pursuant to the rules adopted by the conservation commission and in effect governing the hunt-

ing of waterfowl, except that upon written application the commission may authorize the taking of hand-reared mallards at any time within the boundaries of a licensed game bird and animal farm in numbers not to exceed those liberated or propagated when it appears to the satisfaction of the commission that only mallards liberated or propagated by the licensee will be taken on such farm. The applicant shall certify to the commission that mallards liberated or propagated for shooting were produced and reared in captivity and are more than 2 generations removed from the wild. Hand-reared mallards shall not be released for shooting purposes unless such mallards have first been identified as the conservation commission directs. Mallards confined to wholly enclosed pens or buildings may be taken within such pens or buildings at any time and in any numbers. No such game bird or animal or mallards killed on such farm and no live game bird or animal or mallards to be consumed as food shall be removed therefrom until there has been securely fastened to each bird or animal a band or tag furnished by the commission to the licensee at cost. Such band or tag shall remain attached to the bird or animal until prepared for consumption. Live birds and animals may be sold or transported. Each container carrying such live birds or animals shall have attached thereto a band or tag as set forth above. *Live birds or animals acquired from the licensee to be consumed as food shall not be kept in a live condition by any person beyond 48 hours from the time such birds or animals were acquired from such licensee. Correct and complete book records of sales and purchases of live birds and animals disclosing the time and date of such sales and whether or not such live birds and animals were acquired to be consumed as food shall be kept by the licensee. Certified copies of such records shall be furnished by the licensee to the conservation commission on request, on forms furnished by the commission.*
