Date published:
November 14, 1969

CHAPTER 201, LAWS OF 1969

AN ACT to amend 15.09 (1) of the statutes and section 15 of chapter 327, laws of 1967, relating to expiration of terms for governor's appointments.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 15.09 (1) of the statutes is amended to read:

CHAPTER 201

15.09 (1) Unless otherwise provided by law, the governor shall appoint the members of councils for terms prescribed by law. Fixed terms shall expire on July 1 and shall, if the term is for an even number of years, expire in an odd-numbered year, *but the terms of members of the coordinating council for higher education shall expire on April 1.*

SECTION 2. Chapter 327, laws of 1967, section 15 is amended to read:

(Chapter 327, laws of 1967) Section 15. It is the intent of the legislature, by providing for staggered terms on multimember bodies wherever possible, to secure for the citizens of this state the benefits to be derived from the continuing expertise of multimember bodies. Beginning on the effective date of this act all new appointments to commissions shall be for terms expiring on March 1 of an odd-numbered year; all new appointments to boards shall be for terms expiring on May 1 and shall, if the term is for an even number of years, expire in an odd-numbered year; and all new appointments to councils shall be for terms expiring on July 1 and shall, if the term is for an even number of years, expire in an odd-numbered year. ~~Beginning on the effective date of this act and ending on December 31, 1970, all statutory provisions specifying the lengths of appointive terms may be disregarded by the appointing authorities to the extent necessary to achieve, for each multimember body, staggered terms so arranged that a minimum number of terms shall expire in each year, except that this suspension shall not authorize the appointment of any person to a term by more than 6 months longer than the terms provided for the particular office under the new chapter 15 of the statutes created by this act. In all cases in which the statutes require the governor to make appointments to terms of an even number of years, whether or not such appointments are to be confirmed by the senate, the staggered terms shall be so arranged that all expirations occur in the odd-numbered years. To accomplish this systematic staggering, terms commencing in 1969 and thereafter are to expire as follows:~~
