CHAPTER 174, Laws of 1971

AN ACT to amend 66.057 (2) (a) of the statutes, relating to proof of age requirements for persons seeking official identification cards.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

66.057 (2) (a) of the statutes is amended to read:

66.057 (2) (a) Eligibility. Any person at least 18 years of age may apply to the issuing officer of the county in which he resides for issuance to him of an identification card under this section. Temporary residents of this state, such as students and servicemen, may apply in their county of temporary residence. Each applicant shall submit with his application a birth or baptismal certificate attesting to his age, and such other documents as the issuing officer requires. For foreign born applicants, the issuing officer may, in lieu of a birth or baptismal certificate, accept an alien registration receipt card, certificate of naturalization or certificate of citizenship as evidence of age. If the issuing officer is satisfied in circumstances where the applicant appears to be over the age of 60 that good reason exists for the inability of the applicant to submit a birth or baptismal certificate, he may accept in lieu thereof such other evidence of age he deems sufficient or appropriate.
