SECTION 3w. 13.094 of the statutes is repealed.

SECTION 5. 13.101 (6) (a) of the statutes is amended to read:

13.101 (6) (a) As an emergency measure necessitated by decreased state revenues and to prevent the necessity for a state tax on general property, the committee may reduce any appropriation made to any board, commission, department, or the University of Wisconsin System, or to any other state agency or activity, by such amount as it deems feasible, not exceeding 25% of the appropriations, except appropriations made by ss. 20.255 (2) (ac), (bc), (bh), (cg), and (cr), 20.395 (1), (2) (cq), (eq) to (ex) and (gq) to (gx), (3), (4) (aq) to (ax), and (6) (af), (aq), (ar), and (au), 20.435 (6) (a) and (7) (da), and ~~20.445 (3) 20.437 (2) (a) and (dz)~~ or for forestry purposes under s. 20.370 (1), or any other moneys distributed to any county, city, village, town, or school district. All functions of said state agencies shall be continued in an efficient manner, but because of the uncertainties of the existing situation no public funds should be expended or obligations incurred unless there shall be adequate revenues to meet the expenditures therefor. For such reason the committee may make reductions of such appropriations as in its judgment will secure sound financial operations of the administration for said state agencies and at the same time interfere least with their services and activities.

SECTION 7b. 13.172 (1) of the statutes is amended to read:

13.172 (1) In this section, "agency" means an office, department, agency, institution of higher education, association, society, or other body in state government created or authorized to be created by the constitution or any law, that is entitled to expend moneys appropriated by law, including the legislature and the courts, and any authority created in subch. II of ch. 114 or subch. III of ch. 149 or in ch. 231, 233, ~~or 234, or 279.~~

SECTION 9. 13.48 (14) (a) of the statutes is amended to read:

13.48 (14) (a) In this subsection, "agency" has the meaning given for "state agency" in s. 20.001 (1), except that during the period prior to July 1, 2007, and the period beginning on the effective date of this paragraph [revisor inserts date], and ending on June 30, 2009, the term

does not include the Board of Regents of the University of Wisconsin System.

SECTION 9c. 13.48 (31) (a) of the statutes is amended to read:

13.48 (31) (a) The legislature finds and determines that it is in the public interest to promote the public health and welfare and to provide for economic development in this state by ensuring a fundamental and expanding capacity to conduct biomedical research and to create new technologies; by training students in the substance and methodology of biomedical research; and by providing scientific support to individuals and organizations in this state who are engaged in biomedical research and technological innovation. It is therefore the public policy of this state to assist the Medical College of Wisconsin, Inc., in the construction of and installation of equipment at facilities that will be used for biomedical research and the creation of new technologies.

SECTION 9e. 13.48 (31) (b) of the statutes is amended to read:

13.48 (31) (b) On or after July 1, 2003, the building commission may authorize up to ~~\$25,000,000~~ \$35,000,000 of general fund supported borrowing to aid in the construction of and installation of equipment at a biomedical research and technology incubator at the Medical College of Wisconsin, Inc. The state funding commitment for the construction of and installation of equipment at the incubator shall be in the form of a ~~construction~~ grant to the Medical College of Wisconsin, Inc. Before the building commission may award the ~~construction~~ grant under this paragraph, the Medical College of Wisconsin, Inc., must certify to the building commission that the total funding commitments of the state and non-state sources will pay for the construction cost of and the cost of installation of equipment at the incubator.

SECTION 9h. 13.48 (31) (c) (intro.) of the statutes is amended to read:

SECTION 9n. 13.48 (31) (d) of the statutes is amended to read:

13.48 (31) (d) If the state does not exercise the option to purchase the biomedical research and technology incubator under par. (c), and if the incubator is sold to any 3rd party, any agreement to sell the incubator shall provide that the state has the right to receive an amount equal to the ~~construction~~ grants awarded to the Medical College of Wisconsin, Inc., under this subsection from the net proceeds of any such sale after any mortgage on the incubator has been satisfied and all other secured debts have been paid. This right shall be paramount to the right of

the Medical College of Wisconsin, Inc., to the proceeds upon such sale.

SECTION 9nb. 13.48 (32r) of the statutes is repealed.

SECTION 9nd. 13.48 (36) of the statutes is created to read:

(a) The legislature finds and determines that a significant number of Hmong people are citizens of this state, that the Hmong people have a proud heritage that needs to be recognized and preserved, and that the Hmong people have experienced difficulties assimilating in this state. The legislature finds that supporting the Hmong people in their efforts to recognize their heritage and to realize the full advantages of citizenship in this state is a statewide responsibility of statewide dimension. Because it will better ensure that the heritage of the Hmong people is preserved and will better enable the Hmong people to realize the full advantages of citizenship in this state, the legislature finds that it will have a direct and immediate effect on a matter of statewide concern for the state to facilitate the purchase or construction and operation of Hmong cultural centers.

(b) 1. The building commission may authorize up to \$2,000,000 in general fund supported borrowing to make a grant to an organization designated by the secretary of administration that represents the cultural interests of Hmong people for purchase or construction of a Hmong cultural center in Dane County. Before approving any state funding commitment for the purchase or construction of the center and before awarding the grant, the building commission shall determine that the organization has secured additional funding commitments of at least \$2,500,000 from nonstate revenue sources for purchase or construction of the center. Before awarding the grant, the organization shall submit to the building commission and the commission shall review and approve an initial budget and business plan for the operation of the center that is acceptable to the commission. As a condition of receiving the grant, the organization must enter into an agreement with the secretary guaranteeing that the center will be operated to serve the nonsectarian cultural interests of the Hmong people.

2. If, for any reason, the facility that is purchased or constructed with funds from the grant under subd. 1. is not used as a Hmong cultural center in Dane County, or the center is not operated to serve the nonsectarian cultural interests of the Hmong people, the state shall retain an ownership interest in the facility equal to the amount of the state's grant.

(c) 1. The building commission may authorize up to \$250,000 in general fund supported borrowing to make a grant to an organization designated by the secretary of administration that represents the cultural interests of Hmong people for purchase or construction of a Hmong cultural center in La Crosse County. Before awarding the grant, the organization shall submit to the building com-

mission and the commission shall review and approve an initial budget and business plan for the operation of the center that is acceptable to the commission. As a condition of receiving the grant, the organization must enter into an agreement with the secretary guaranteeing that the center will be operated to serve the nonsectarian cultural interests of the Hmong people.

2. If, for any reason, the facility that is purchased or constructed with funds from the grant under subd. 1. is not used as a Hmong cultural center in La Crosse County, or the center is not operated to serve the nonsectarian cultural interests of the Hmong people, the state shall retain an ownership interest in the facility equal to the amount of the state's grant.

SECTION 9nf. 13.48 (36p) of the statutes is created to read:

13.48 (36p) Bond Health Center. (a) The legislature finds and determines that improving the health of the citizens of this state and increasing access to health care in this state is a statewide responsibility of statewide dimension. In addition, the legislature finds and determines that the Bond Health Center in the city of Oconto plays a vital role in improving the health of the citizens of this state and is a quality health care facility. The legislature, therefore, finds and determines that assisting the Bond Health Center in the city of Oconto in expanding a health care facility will have a direct and immediate effect on this state responsibility of statewide dimension.

(b) The building commission may authorize up to \$1,000,000 in general fund supported borrowing to make a grant to the Bond Health Center in the city of Oconto for construction costs related to hospital expansion. Before approving any state funding commitment for construction costs relating to the hospital expansion and before awarding the grant, the building commission shall determine that the Bond Health Center has secured all necessary additional funding commitments from nonstate revenue sources for the expansion.

(c) If, for any reason, the facility that is expanded with funds from the grant under par. (b) is not used as a hospital, the state shall retain an ownership interest in the facility equal to the amount of the state's grant.

SECTION 9nx. 13.48 (38) of the statutes is created to read:

13.48 (38) Civil War Exhibit at the Kenosha Public Museums. (a) The legislature finds and determines that the Civil War was an event of unequalled importance in the historical development of the United States; that Wisconsin citizens fought bravely and valiantly in assisting the Union to achieve victory in the Civil War; and that the study of the Civil War will deepen our understanding and appreciation of the history of the United States and of Wisconsin. It is therefore in the public interest, and it is the public policy of this state, to assist the Kenosha Public Museums in the construction of facilities that will be used for a Civil War exhibit.

(b) The building commission may authorize up to \$500,000 in general fund supported borrowing to aid in the construction of a Civil War exhibit as part of the Kenosha Public Museums in the city of Kenosha. (c) If the building commission authorizes a grant to the Kenosha Public Museums under par. (b) and if, for any reason, the facility that is constructed with funds from the grant is not used as a Civil War exhibit, the state shall retain an ownership interest in the facility equal to the amount of the state's grant.

(h) Is a beneficiary of the submission of a false claim for medical assistance to any officer, employee, or agent of this state, knows that the claim is false, and fails to dis-

close the false claim to this state within a reasonable time after the person becomes aware that the claim is false.

(3) The court may assess against a person who violates sub. (2) not less than 2 nor more than 3 times the amount of the damages sustained by the state because of the acts of the person, and shall not assess any forfeiture, if the court finds all of the following:

(a) The person who commits the acts furnished the attorney general with all information known to the person about the acts within 30 days after the date on which the person obtained the information.

(b) The person fully cooperated with any investigation of the acts by this state.

(c) At the time that the person furnished the attorney general with information concerning the acts, no criminal prosecution or civil or administrative enforcement action had been commenced with respect to any such act, and the person did not have actual knowledge of the existence of any investigation into any such act.

(5) (a) Except as provided in subs. (10) and (12), any person may bring a civil action as a qui tam plaintiff against a person who commits an act in violation of sub. (2) for the person and the state in the name of the state.

(b) The plaintiff shall serve upon the attorney general a copy of the complaint and documents disclosing substantially all material evidence and information that the person possesses. The plaintiff shall file a copy of the complaint with the court for inspection in camera. Except as provided in par. (c), the complaint shall remain under seal for a period of 60 days from the date of filing, and shall not be served upon the defendant until the court so orders. Within 60 days from the date of service upon the attorney general of the complaint, evidence, and information under this paragraph, the attorney general may intervene in the action.

(c) The attorney general may, for good cause shown, move the court for one or more extensions of the period during which a complaint in an action under this subsection remains under seal.

(d) Before the expiration of the period during which the complaint remains under seal, the attorney general shall do one of the following:

1. Proceed with the action or an alternate remedy under sub. (10), in which case the action or proceeding under sub. (10) shall be prosecuted by the state.

2. Notify the court that he or she declines to proceed with the action, in which case the person bringing the action may proceed with the action.

(e) If a person brings a valid action under this subsection, no person other than the state may intervene or bring a related action while the original action is pending based upon the same facts underlying the pending action.

(f) In any action or other proceeding under sub. (10) brought under this subsection, the plaintiff is required to prove all essential elements of the cause of action or com-

plaint, including damages, by a preponderance of the evidence.

(6) If the state proceeds with an action under sub. (5) or an alternate remedy under sub. (10), the state has primary responsibility for prosecuting the action or proceeding under sub. (10). The state is not bound by any act of the person bringing the action, but that person has the right to continue as a party to the action, subject to the limitations under sub. (7).

(7) (a) The state may move to dismiss an action under sub. (5) or an administrative proceeding under sub. (10) to which the state is a party for good cause shown, notwithstanding objection of the person bringing the action, if that person is served with a copy of the state's motion and is provided with an opportunity to oppose the motion before the court or the administrative agency before which the proceeding is conducted.

(b) With the approval of the governor, the attorney general may compromise and settle an action under sub. (5) or an administrative proceeding under sub. (10) to which the state is a party, notwithstanding objection of the person bringing the action, if the court determines, after affording to the person bringing the action the right to a hearing at which the person is afforded the opportunity to present evidence in opposition to the proposed settlement, that the proposed settlement is fair, adequate, and reasonable considering the relevant circumstances pertaining to the violation.

(c) Upon a showing by the state that unrestricted participation in the prosecution of an action under sub. (5) or an alternate proceeding to which the state is a party by the person bringing the action would interfere with or unduly delay the prosecution of the action or proceeding, or would result in consideration of repetitious or irrelevant evidence or evidence presented for purposes of harassment, the court may limit the person's participation in the prosecution, such as:

1. Limiting the number of witnesses that the person may call.

2. Limiting the length of the testimony of the witnesses.

3. Limiting the cross-examination of witnesses by the person.

4. Otherwise limiting the participation by the person in the prosecution of the action or proceeding.

(d) Upon showing by a defendant that unrestricted participation in the prosecution of an action under sub. (5) or alternate proceeding under sub. (10) to which the state is a party by the person bringing the action would result in harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the person's participation in the prosecution.

(8) Except as provided in sub. (7), if the state elects not to participate in an action filed under sub. (5), the person bringing the action may prosecute the action. If the

attorney general so requests, the attorney general shall, at the state's expense, be served with copies of all pleadings and deposition transcripts in the action. If the person bringing the action initiates prosecution of the action, the court, without limiting the status and rights of that person, may permit the state to intervene at a later date upon showing by the state of good cause for the proposed intervention.

(9) Whether or not the state participates in an action under sub. (5), upon showing in camera by the attorney general that discovery by the person bringing the action would interfere with the state's ongoing investigation or prosecution of a criminal or civil matter arising out of the same facts as the facts upon which the action is based, the court may stay such discovery in whole or in part for a period of not more than 60 days. The court may extend the period of any such stay upon further showing in camera by the attorney general that the state has pursued the criminal or civil investigation of the matter with reasonable diligence and the proposed discovery in the action brought under sub. (5) will interfere with the ongoing criminal or civil investigation or prosecution.

(10) The attorney general may pursue a claim relating to an alleged violation of sub. (2) through an alternate remedy available to the state or any state agency, including an administrative proceeding to assess a civil forfeiture. If the attorney general elects any such alternate remedy, the attorney general shall serve timely notice of his or her election upon the person bringing the action under sub. (5), and that person has the same rights in the alternate venue as the person would have had if the action had continued under sub. (5). Any finding of fact or conclusion of law made by a court or by a state agency in the alternate venue that has become final is conclusive upon all parties named in an action under sub. (5). For purposes of this subsection, a finding or conclusion is final if it has been finally determined on appeal, if all time for filing an appeal or petition for review with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(11) (a) Except as provided in pars. (b) and (e), if the state proceeds with an action brought by a person under sub. (5) or the state pursues an alternate remedy relating to the same acts under sub. (10), the person who brings the action shall receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the person contributed to the prosecution of the action or claim.

(b) Except as provided in par. (e), if an action or claim is one in which the court or other adjudicator finds to be based primarily upon disclosures of specific information not provided by the person who brings an action under sub. (5) relating to allegations or transactions specifically in a criminal, civil, or administrative hearing, or in a legislative or administrative report, hearing, audit, or investigation, or report made by the news media, the court or

other adjudicator may award such amount as it considers appropriate, but not more than 10 percent of the proceeds of the action or settlement of the claim, depending upon the significance of the information and the role of the person bringing the action in advancing the prosecution of the action or claim.

(c) Except as provided in par. (e), in addition to any amount received under par. (a) or (b), a person bringing an action under sub. (5) shall be awarded his or her reasonable expenses necessarily incurred in bringing the action together with the person's costs and reasonable actual attorney fees. The court or other adjudicator shall assess any award under this paragraph against the defendant.

(d) Except as provided in par. (e), if the state does not proceed with an action or an alternate proceeding under sub. (10), the person bringing the action shall receive an amount that the court decides is reasonable for collection of the civil penalty and damages. The amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the action and shall be paid from the proceeds. In addition, the person shall be paid his or her expenses, costs, and fees under par. (c).

(e) Whether or not the state proceeds with the action or an alternate proceeding under sub. (10), if the court or other adjudicator finds that an action under sub. (5) was brought by a person who planned or initiated the violation upon which the action or proceeding is based, then the court may, to the extent that the court considers appropriate, reduce the share of the proceeds of the action that the person would otherwise receive under par. (a), (b), or (d), taking into account the role of that person in advancing the prosecution of the action or claim and any other relevant circumstance pertaining to the violation, except that if the person bringing the action is convicted of criminal conduct arising from his or her role in a violation of sub. (2), the court or other adjudicator shall dismiss the person as a party and the person shall not receive any share of the proceeds of the action or claim or any expenses, costs, and fees under par. (c).

(12) (a) No court has jurisdiction over an action brought by a private person under sub. (5) against a state public official if the action is based upon information known to the attorney general at the time that the action is brought.

(b) No person may bring an action under sub. (5) that is based upon allegations or transactions that are the subject of a civil action or an administrative proceeding to assess a civil forfeiture in which the state is a party if that action or proceeding was commenced prior to the date that the action is filed.

(13) The state is not liable for any expenses incurred by a private person in bringing an action under sub. (5).

(14) Any employee who is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against by his or her employer because of law-

ful actions taken by the employee, on behalf of the employee, or by others in furtherance of an action or claim filed under this section, including investigation for, initiation of, testimony for, or assistance in an action or claim filed or to be filed under sub. (5) is entitled to all necessary relief to make the employee whole. Such relief shall in each case include reinstatement with the same seniority status that the employee would have had but for the discrimination, 2 times the amount of back pay, interest on the back pay at the legal rate, and compensation for any special damages sustained as a result of the discrimination, including costs and reasonable actual attorney fees. An employee may bring an action to obtain the relief to which the employee is entitled under this subsection.

(15) A civil action may be brought based upon acts occurring prior to the effective date of this subsection [revisor inserts date], if the action is brought within the period specified in s. 893.981.

(16) A judgment of guilty entered against a defendant in a criminal action in which the defendant is charged with fraud or making false statements estops the defendant from denying the essential elements of the offense in any action under sub. (5) that involves the same elements as in the criminal action.

(17) The remedies provided for under this section are in addition to any other remedies provided for under any other law or available under the common law.

(18) This section shall be liberally construed and applied to promote the public interest and to effect the congressional intent in enacting 31 USC 3279 to 3733, as reflected in the act and the legislative history of the act.

court by using the percentage standard established by the department under s. 49.22 (9) and by applying the percentage standard in the manner established by the department under par. (g).

(c) Upon request by a parent, the court may modify the amount of child support payments determined under par. (b), subject to par. (cm), if, after considering the following factors, the court finds by the greater weight of the credible evidence that the use of the percentage standard is unfair to the child or to either of the parents:

1. The needs of the child.
2. The physical, mental, and emotional health needs of the child, including any costs for the child's health insurance provided by a parent.
3. The standard of living and circumstances of the parents, including the needs of each parent to support himself or herself at a level equal to or greater than that established under [42 USC 9902 \(2\)](#).
4. The financial resources of the parents.
5. The earning capacity of each parent, based on each parent's education, training, and work experience and based on the availability of work in or near the parent's community.
6. The need and capacity of the child for education, including higher education.
7. The age of the child.
8. The financial resources and the earning ability of the child.
9. The needs of any person, including dependent children other than the child, whom either parent is legally obligated to support.
10. The best interests of the child, including, but not limited to, the impact on the child of expenditures by the family for improvement of any conditions in the home that would facilitate the reunification of the child with the child's family, if appropriate, and the importance of a placement that is the least restrictive of the rights of the child and the parents and the most appropriate for meeting the needs of the child and the family.
11. Any other factors that the court in each case determines are relevant.

(cm) 1. Except as provided in subd. 2., if a parent who is required to pay child support under par. (b) or (c) is receiving adoption assistance under s. 48.975 for the child for whom support is ordered, the amount of the child support payments determined under par. If an agreement under s. 48.975 (4) is in effect that provides for a payment of \$0 under s. 48.975 (3) (a), the payment of \$0 shall be considered to be an adoption assistance maintenance payment for purposes of this subdivision.

2. Subdivision 1. does not apply if, after considering the factors under par. (c) 1. to 11., the court finds by the greater weight of the credible evidence that limiting the amount of the child support payments to the amount of

the adoption assistance maintenance payments under s. 48.975 (3) (a) is unfair to the child or to either of the parents.

(d) If the court finds under par. (c) that use of the percentage standard is unfair to the minor child or either of the parents, the court shall state in writing or on the record the amount of support that would be required by using the percentage standard, the amount by which the court's order deviates from that amount, its reasons for finding that use of the percentage standard is unfair to the child or the parent, its reasons for the amount of the modification, and the basis for the modification.

(e) 1. An order issued under s. 48.355 (2) (b) 4., 48.357 (5m) (a), or 48.363 (2) for support determined under this subsection constitutes an assignment of all commissions, earnings, salaries, wages, pension benefits, benefits under ch. 102 or 108, and other money due or to be due in the future to the county department under s. 46.22 or 46.23 in the county where the order was entered or to the department, depending upon the placement of the child as specified by rules promulgated under subd. 5. The assignment shall be for an amount sufficient to ensure payment under the order.

2. Except as provided in subd. 3., for each payment made under the assignment, the person from whom the payer under the order receives money shall receive an amount equal to the person's necessary disbursements, not to exceed \$3, which shall be deducted from the money to be paid to the payer.

3. Benefits under ch. 108 may be assigned and withheld only in the manner provided in s. 108.13 (4). Any order to withhold benefits under ch. 108 shall be for an amount certain. When money is to be withheld from these benefits, no fee may be deducted from the amount withheld and no fine may be levied for failure to withhold the money.

4. No employer may use an assignment under this paragraph as a basis for the denial of employment to a person, the discharge of an employee, or any disciplinary action against an employee. An employer who denies employment or discharges or disciplines an employee in violation of this subdivision may be fined not more than \$500 and may be required to make full restitution to the aggrieved person, including reinstatement and back pay. Except as provided in this subdivision, restitution shall be in accordance with s. 973.20. An aggrieved person may apply to the district attorney or to the department of workforce development for enforcement of this subdivision.

5. The department shall promulgate rules for the operation and implementation of assignments under this paragraph.

"Tax avoidance transaction" includes a listed transaction as provided under U.S. department of the treasury regulations as of the effective date of this paragraph [revisor inserts date], and may include a transaction, as determined by the department, that provides a tax benefit for Wisconsin income or franchise tax purposes without providing a similar benefit for federal income tax purposes.

(b) "Taxpayer" means a person who is subject to the taxes imposed under this chapter and who has a tax liability attributable to using a tax avoidance transaction for any taxable year beginning before January 1, 2007.

(2) **PENALTY WAIVER OR ABATEMENT.** All of the following apply with regard to a taxpayer who satisfies the conditions under sub. (3):

(a) Except as provided under sub. (4) (b), the department shall waive or abate all penalties that are applicable to the underreporting or underpayment of Wisconsin income or franchise taxes attributable to using a tax avoidance transaction for any taxable year for which the taxpayer satisfies the conditions under sub. (3).

(b) The department shall not seek a criminal prosecution against the taxpayer with respect to using a tax avoidance transaction for any taxable year for which the taxpayer satisfies the conditions under sub. (3).

(3) **TAXPAYER ELIGIBILITY.** A taxpayer is eligible for the benefits described under sub. (2) (a) and (b), if, during the period beginning on the first day of the 3rd month beginning after the effective date of this subsection [revisor inserts date], and ending on the last day of the 7th month beginning after the effective date of this subsection [revisor inserts date], the taxpayer does the following:

(a) Files an amended Wisconsin tax return for each taxable year for which the taxpayer has previously filed a Wisconsin tax return that uses a tax avoidance transaction to underreport the taxpayer's Wisconsin income or franchise tax liability and the amended return reports the total Wisconsin net income and tax for the taxable year, computed without regard to any tax avoidance transaction and without regard to any other adjustment that is unrelated to any tax avoidance transaction.

(b) Pays, in full, for each taxable year for which an amended return is filed under par. (a), the entire amount of Wisconsin income or franchise tax and interest due that is attributable to using a tax avoidance transaction, except that the secretary of revenue may enter into an agreement with the taxpayer to make payments in installments. A taxpayer who does not comply with an installment agreement provided under this paragraph is ineligible to receive the benefits described under sub. (2) (a) and (b) and the total amount of tax, interest, and penalties shall be immediately due and payable.

(4) **LIMITATIONS AND ADMINISTRATION.** (a) A taxpayer who receives the benefits described under sub. (2) may not file an appeal or a claim for credit or refund with respect to the tax avoidance transactions for the taxable years for which the taxpayer satisfied the conditions under sub. (3), except to the extent that a timely filed appeal or claim for a refund results from an adjustment to the taxpayer's federal income tax liability regarding such transactions.

(b) The department may not waive or abate a penalty as provided under sub. (2) (a) if the penalty relates to an amount of Wisconsin income and franchise tax that is attributable to a tax avoidance transaction and assessed and paid prior to the first day of the 3rd month beginning after the effective date of this paragraph [revisor inserts date], or after the last day of the 7th month beginning after the effective date of this paragraph [revisor inserts date].

(c) "Reportable transaction" means any transaction, plan, or arrangement, including a listed transaction, for which a taxpayer is required to submit information to the department because the taxpayer is required to disclose the transaction, plan, or arrangement for federal income tax purposes for the taxable year in which the transaction occurred, as provided under U.S. department of treasury regulations.

(d) "Tax shelter" means any entity, plan, or arrangement, if avoiding or evading federal income tax or Wisconsin income or franchise tax is a significant purpose of the entity, plan, or arrangement.

2. In the case of a listed transaction from which the tax benefits are provided primarily to an individual, \$10,000.

3. In the case of a reportable transaction, not including a listed transaction, from which the tax benefits are provided primarily to an entity and not an individual, \$250,000.

4. In the case of a listed transaction, from which the tax benefits are provided primarily to an entity and not an individual, \$25,000.

(2) DISCLOSURE. For each taxable year in which a taxpayer has participated in a reportable transaction, the taxpayer shall file with the department a copy of any form required by the internal revenue service for disclosing the reportable transaction for federal income tax purposes no later than 60 days after the date for which the taxpayer is required to file the form for federal income tax purposes, except that, if the taxpayer has filed a form with the internal revenue service on or before the effective date of this subsection [revisor inserts date], the taxpayer shall file a copy of the form with the department no later than the last day of the 7th month beginning after the effective date of this subsection [revisor inserts date]. The department may require that forms filed with the department under this subsection be filed separately from this state's income or franchise tax return. This subsection applies to any reportable transaction entered into on or after January 1, 2001, or any reportable transaction entered into prior to January 1, 2001, that reduced the taxpayer's tax liability for taxable years beginning on or after January 1, 2001, for any taxable year for which the transaction remains undisclosed and for which the statute of limitations on assessment, including any extension provided under sub. (6), has not expired as of the date that is 60 days after the effective date of this subsection [revisor inserts date].

(3) PENALTY FOR FAILING TO DISCLOSE. (a) Any taxpayer who does not file the form under sub. (2) and who is required to file the form is subject to the following penalty:

1. If the taxpayer participated in a reportable transaction that is not a listed transaction, the lesser of \$15,000 or 10 percent of the tax benefit obtained from the reportable transaction.

2. If the taxpayer participated in a listed transaction, \$30,000.

(b) The secretary of revenue may waive or abate any penalty imposed under this subsection, or any portion of such penalty, related to a reportable transaction that is not a listed transaction, if the waiver or abatement promotes compliance with this section and effective tax administration. Notwithstanding any other law or rule, a determination by the secretary of revenue under this paragraph may not be reviewed in any judicial proceeding.

(c) The penalties imposed under this subsection apply to any failure to disclose a listed transaction entered into on or after January 1, 2001, or entered prior to January 1, 2001, that reduced the taxpayer's tax liability for taxable years beginning on or after January 1, 2001, including transactions that were not listed transactions when entered into, but became listed transactions before the effective date of this paragraph [revisor inserts date], or any other reportable transaction entered into after the effective date of this paragraph [revisor inserts date], for any taxable year for which the statute of limitations on assessment, including any extension under sub. (6), has not expired as of the effective date of this paragraph [revisor inserts date].

(4) UNDERSTATEMENT PENALTY. (a) If a taxpayer has a reportable transaction understatement, as determined in par. (b), the taxpayer shall pay, in addition to any tax owed with regard to the reportable transaction, an amount equal to either 20 percent of the reportable transaction understatement or, in the case of a reportable transaction that is not disclosed as provided in sub. (2), 30 percent of the reportable transaction understatement.

(b) A taxpayer has a reportable transaction understatement if the following calculation results in a positive number:

1. Multiply the taxpayer's highest applicable tax rate under s. 71.06, 71.27, or 71.46, by the amount of any increase in Wisconsin taxable income that results from the difference between the proper tax treatment of a reportable transaction and the taxpayer's treatment of the transaction as shown on the taxpayer's tax return, including any amended return the taxpayer files before the date on which the department first contacts the taxpayer regarding an examination of the taxable year for which the amended return is filed. For purposes of this subdivision, the amount of any increase in Wisconsin taxable income for a taxable year includes any reduction in the amount of loss available for carry-forward to the subsequent year.

2. Add the amount determined under subd. 1. to the amount of any decrease in the aggregate amount of Wisconsin income or franchise tax credits that results from

the difference between the proper tax treatment of a reportable transaction and the taxpayer's treatment of the transaction as shown on the taxpayer's tax return.

(c) The secretary of revenue may waive or abate any penalty imposed under this subsection, or any portion of such penalty, if the taxpayer demonstrates to the department that the taxpayer had reasonable cause to act the way the taxpayer did, and in good faith, with regard to the tax treatment for which the taxpayer is subject to a penalty under this subsection and all facts relevant to the tax treatment are adequately disclosed in the filing under sub. (2), except that, if the taxpayer does not fully disclose such facts under sub. (2), the taxpayer's penalty may be waived or abated under this paragraph if the taxpayer demonstrates to the department that the taxpayer reasonably believed that the tax treatment for which the taxpayer is subject to a penalty under this subsection was more likely than not the proper treatment and substantial authority exists or existed for the tax treatment for which the taxpayer is subject to a penalty under this subsection. Notwithstanding any other law or rule, a determination by the secretary of revenue under this paragraph may not be reviewed in any judicial proceeding.

(d) The penalties under par. (a) apply to any reportable transaction understatement from a reportable transaction, including a listed transaction, entered into on or after January 1, 2001, or entered into prior to January 1, 2001, that reduced the taxpayer's tax liability for taxable years beginning on or after January 1, 2001, for any taxable year for which the statute of limitations on assessment, including any extension provided under sub. (6), has not expired as of the effective date of this paragraph ... [revisor inserts date].

(5) ADDITIONAL UNDERSTATEMENT PENALTY. (a) 1. In addition to the penalty under sub. (4) (a), a taxpayer who files an amended return after the last day of the 7th month beginning after the effective date of this subdivision ... [revisor inserts date], and before the taxpayer is contacted by the internal revenue service or the department regarding a reportable transaction is subject to a penalty in an amount equal to 50 percent of the interest assessed under s. 71.82 on any reportable transaction understatement, as determined under sub. (4) (b), for the tax period for which the taxpayer files an amended return.

2. If the internal revenue service or the department contacts a taxpayer after the last day of the 7th month beginning after the effective date of this subdivision ... [revisor inserts date], regarding a reportable transaction and the taxpayer is contacted before the taxpayer files an amended return with respect to that transaction, the taxpayer is subject to a penalty in an amount equal to the interest assessed under s. 71.82 on any reportable transaction understatement, as determined under sub. (4) (b), for the tax period for which the internal revenue service or the department contacts the taxpayer.

(b) The penalties under par. (a) apply to any reportable transaction understatement resulting from a reportable transaction, including a listed transaction, entered into on or after January 1, 2001, or entered into prior to January 1, 2001, that reduced the taxpayer's tax liability for taxable years beginning on or after January 1, 2001, for any taxable year for which the statute of limitations on assessment, including any extension provided under sub. (6), has not expired as of the effective date of this paragraph ... [revisor inserts date].

(c) The secretary of revenue may waive or abate any penalty imposed under this subsection, or any portion of such penalty, if the taxpayer demonstrates to the department that the taxpayer had reasonable cause to act the way the taxpayer did, and in good faith, with regard to the tax treatment for which the taxpayer is subject to a penalty under this subsection and all facts relevant to the tax treatment are adequately disclosed in the filing under sub. (2), except that, if the taxpayer does not fully disclose such facts under sub. (2), the taxpayer's penalty may be waived or abated under this paragraph if the taxpayer demonstrates to the department that the taxpayer reasonably believed that the tax treatment for which the taxpayer is subject to a penalty under this subsection was more likely than not the proper treatment and substantial authority exists or existed for the tax treatment for which the taxpayer is subject to a penalty under this subsection. Notwithstanding any other law or rule, a determination by the secretary of revenue under this paragraph may not be reviewed in any judicial proceeding.

(6) STATUTE OF LIMITATIONS EXTENSION. (a) Except as provided in par. (b), if a taxpayer fails to provide any information regarding a reportable transaction, other than a listed transaction, under sub. (2), the time for assessing any tax imposed under this chapter with respect to that transaction shall expire no later than the date that is 6 years after the date on which the return for the taxable year in which the reportable transaction occurred was filed. If a taxpayer fails to provide any information regarding a listed transaction, under sub. (2), the time for assessing any tax imposed under this chapter with respect to that transaction shall expire on the latest of the following dates:

1. The date that is 6 years after the date on which the return for the taxable year in which the listed transaction occurred was filed.

125.01 Legislative intent. This chapter shall be construed as an enactment of the legislature's support for the 3-tier system for alcohol beverages production, distribution, and sale that, through uniform statewide regulation, provides this state regulatory authority over the production, storage, distribution, transportation, sale, and consumption of alcohol beverages by and to its citizens, for the benefit of the public health and welfare and this state's economic stability. (6) Chapter 230 does not apply to the employees of the authority, except that s. 230.40 does apply to the employees of the authority.

279.03 Powers of authority. The authority has all of the powers necessary or convenient to carry out the purposes and provisions of this chapter. In addition, the authority may do any of the following:

(2) The authority shall apportion among and assess to consenting landowners, in an equitable manner, an amount equal to the amount expended from the appropriation under s. 20.375 (1) (a) and pay that amount to the department of administration for deposit in the general fund.

The authority may issue bonds as provided in this section and s. 279.07 to finance all or a portion of the waterway improvement to which an approved application relates.

(2) The authority shall notify the department of natural resources of its action on an application under s. 279.05 (1) at the same time that it notifies the applicant or applicants.

The bonds shall bear the dates; mature at the times not exceeding 30 years from their dates of issue; bear interest at the rates, fixed or variable; be payable at the times; be in the denominations; be in fully registered form; carry the registration and conversion privileges; be executed in the manner; be payable in money of the United States at the places; and be subject to the terms of redemption that the bond resolution provides. (f) Any other matter relating to the bonds that the board considers desirable.

(8) Neither the members of the board nor any person executing the bonds of the authority is liable personally on the bonds or subject to any personal liability or accountability by reason of the issuance of the bonds.

(9) (a) The authority shall pay the net proceeds of bonds issued under this section to the entity to which moneys for waterway improvements are required to be paid by the administrative or judicial order or decree or administratively or judicially approved agreement described in s. 279.05 (1) (a).

(b) An entity that receives moneys under par. (a) may use those moneys only for the waterway improvement costs for which the bonds are issued. If the actual waterway improvement costs to be paid from the authority's bonds are less than the assessments levied by the authority, the entity shall return the excess to the authority.

279.07 Assessments. (1) Before it issues bonds, the authority shall follow the procedures in this section for levying an assessment on the affected property of any consenting landowner whose application for issuance of the bonds is approved under s. 279.06 (1). The consenting landowner shall pay the assessment to the authority. An assessment under this section is a lien against the affected property. The authority shall provide notice of the lien of assessment to the register of deeds of the county in which the affected property is located for recording.

(2) The assessment levied with respect to a bond issue shall be sufficient to do all of the following:

(a) Pay the share of the administrative costs of the authority that is allocated to the bond issue.

(b) Pay the costs of any financial and legal services incurred by the authority and any other item of direct or indirect cost that may reasonably be attributed to process-

(c) Pay the principal of and the premium, if any, and interest on the bonds as they become due and payable.

(d) Create and maintain any reserve that is required or provided for in the bond resolution.

(3) If the authority assesses more than one consenting landowner in connection with a bond issue, it shall determine the amount to be assessed on the affected property of each consenting landowner in a manner that is consistent with the administrative or judicial order or decree or administratively or judicially approved agreement described in s. 279.05 (1) (a) and that considers such factors as present and past capacity for discharges; estimates of actual discharges; the degree of toxicity and water quality characteristics of past and present discharges; involvement in the generation, treatment, transportation, storage, or disposal of discharged substances; the degree of care exercised in reducing discharges; and the amount of impervious surface on each affected property.

(4) Before finalizing its determination of the amount of the assessment to be levied on affected property under this section, the board shall pass a preliminary resolution declaring its intent with respect to the assessment. In the resolution, the board shall include all of the following:

(a) A general description of the contemplated purpose of the assessment.

(b) A description of the affected property proposed to be assessed.

(c) The number of installments in which the assessments may be paid or a statement that the number of payments will be determined at the hearing required under sub. (8).

(d) A direction to an officer or employee of the authority to make a report on the proposed assessment.

(5) The officer or employee directed to make a report under sub. (4) (d) shall include all of the following in the report:

(a) A reference to the administrative or judicial order or decree or administratively or judicially approved agreement described in s. 279.05 (1) (a).

(b) A schedule of the proposed assessments.

(c) An estimate, as to each affected property, of the assessment to be levied.

(6) The officer or employee making the report under sub. (5) shall file a copy of the report with the authority for public inspection.

(7) After the report has been filed under sub. (6), the authority shall publish a class 1 notice, under ch. 985, that describes all of the following:

(a) The affected property that is proposed to be assessed.

(b) The place and time at which the report may be inspected.

(c) The place and time at which all interested persons or their agents or attorneys may appear before the author-

ity and be heard concerning the matters contained in the preliminary resolution and the report.

(8) The authority shall conduct a hearing concerning the levying of a proposed assessment not less than 10 days and not more than 40 days after publishing the notice under sub. (7).

(9) After the hearing under sub. (8), the board may approve, disapprove, or modify the report under sub. (6) or it may refer the report to the designated officer or employee of the authority with directions to change the proposal to accomplish a fair and equitable assessment.

(10) After approving a report under sub. (9), the authority shall adopt a resolution specifying the amount of the assessments, authorizing the issuance of bonds, and directing that the net proceeds of the bonds be paid as provided in s. 279.06 (9) (a). The authority shall publish the resolution as a class 1 notice, under ch. 985. After publication of the resolution, the authority shall levy the assessments and issue the bonds.

(11) If the actual waterway improvement costs to be paid from a bond issue vary materially from the estimates, if any assessment is invalid, or if the board decides to reopen and reconsider any assessment, it may, after publishing a class 1 notice, under ch. 985, that describes its proposed action and after a public hearing, adopt a resolution amending, canceling, or confirming the prior assessment. If an assessment is amended to provide for the refunding of bonds, all of the direct and indirect costs reasonably attributable to the refunding of the bonds may be included in the amended assessment. If moneys are returned to the authority under s. 279.06 (9) (b), the authority may pay a portion of the outstanding bonds and reduce each assessment proportionately. The authority shall publish a class 1 notice, under ch. 985, describing the resolution amending, canceling, or confirming the prior assessment.

(12) After the 90th day after the day on which a bond is issued under this chapter, the bond is conclusive evidence of the legality of all proceedings up to and including the issuance of the bond and is prima facie evidence of the proper application of the proceeds of the bond.

279.08 Bond security. (1) The authority may enter into a trust agreement or trust indenture between the authority and one or more corporate trustees for any bonds issued under this chapter. Any trust company or bank having the powers of a trust company may be a trustee.

(2) The bond resolution providing for the issuance of bonds shall pledge the assessments to be received by the authority with respect to the bonds referred to in the bond resolution. The pledge is valid and binding from the time that the resolution is adopted. The revenues pledged are immediately subject to the lien of the pledge without any physical delivery or any further act. The lien is valid and binding as against all persons having claims in tort, contract, or otherwise against the authority, irrespective of

whether the persons have notice of the lien. Neither the bond resolution nor any financing statement, continuation statement, or other instrument by which a pledge is created or by which the authority's interest in revenues is assigned need be filed or recorded in any public records in order to perfect the lien of the pledge as against 3rd parties, except that the authority shall file a copy of the instrument in the records of the authority and with the department of financial institutions.

(3) A bond resolution may contain provisions for protecting and enforcing the rights and remedies of the bondholders that are reasonable and proper and not in violation of law. A bond resolution may restrict the individual right of action by bondholders. A bond resolution may contain any other provisions that are determined by the board to be reasonable and proper for the security of the bondholders.

279.09 Refunding bonds. (1) The authority may issue bonds to refund any outstanding bond, including the payment of any redemption premium on the outstanding bond and any interest accrued or to accrue to the earliest or any subsequent date of redemption, purchase, or maturity.

(2) The authority may apply the proceeds of any bond issued to refund any outstanding bond to the purchase, retirement at maturity, or redemption of the outstanding bond on the earliest or any subsequent redemption date, upon purchase, or at the maturity of the bond. The authority may, pending application of the proceeds, place the proceeds in escrow to be applied to the purchase, retirement at maturity, or redemption of any outstanding bond at any time.

(3) If the authority determines that it is necessary to amend the prior assessments in connection with the issuance of refunding bonds under this section, it may reconsider and reopen the assessments as provided in s. 279.07 (11). If the assessments are amended, the refunding bonds shall be secured by, and be payable from, the assessments as amended. If the assessments are amended, all direct and indirect costs reasonably attributable to the refunding of the bonds may be included in the cost of the waterway improvements being financed.

(4) All refunding bonds are subject to this chapter in the same manner and to the same extent as other bonds issued under this chapter.

279.10 Bonds not public debt. (1) The state is not liable on bonds of the authority and the bonds are not debt of the state. Each bond of the authority shall contain a statement to this effect on the face of the bond. The issuance of bonds under this chapter does not, directly, indirectly, or contingently, obligate the state or any political subdivision of the state to levy any tax or to make any appropriation for payment of the bonds. The authority may not pledge its full faith and credit to the payment of bonds issued under this chapter.

(2) Nothing in this chapter authorizes the authority to create a debt of the state, and all bonds issued by the authority under this chapter are payable, and shall state that they are payable, solely from the special fund containing the assessments and other moneys pledged for their payment in accordance with the bond resolution authorizing their issuance or in any trust agreement or trust indenture entered into to provide terms and conditions for the bonds. The state is not liable for the payment of the principal of or interest on any bonds of the authority or for the performance of any pledge, obligation, or agreement that is undertaken by the authority. The breach of any pledge, obligation, or agreement undertaken by the authority does not impose any pecuniary liability upon the state or any charge upon its general credit or against its taxing power.

279.11 State pledge. (5) The procedures and provisions of s. 341.65 (2) (f) to (h) shall apply with respect to the impoundment and disposal of motor vehicles authorized to be removed, impounded, and disposed of under this section to the same extent as these provisions apply to the impoundment and disposal of unregistered motor vehicles that are removed under authority of s. 341.65, except that reclamation of the motor vehicle by the owner requires compliance with sub. (3) rather than s. 341.65 (2) (e). The provisions of s. 349.13 (5) (b) shall apply with respect to vehicles removed or stored under this section to the same extent as these provisions apply with respect to vehicles removed or stored under authority of s. 349.13.
