2. Operate the off-highway motorcycle at a rate of speed that is unreasonable under the circumstances.
3. Operate the off-highway motorcycle on private property without the consent of the owner or lessee. Failure to post private property does not imply consent for off-highway motorcycle use.
4. Operate the off-highway motorcycle on public property that is posted as closed to off-highway motorcycle operation or on which the operation of an off-highway motorcycle is prohibited by law.

5. Operate the off-highway motorcycle on Indian lands without the consent of the tribal governing body or Indian owner. Failure to post Indian lands does not imply consent for off-highway motorcycle use.

6. Operate the off-highway motorcycle at a speed exceeding 10 miles per hour, if the off-highway motorcycle is within 100 feet of a fishing shanty.

7. Operate the off-highway motorcycle at a speed exceeding 10 miles per hour, if the off-highway motorcycle is within 150 feet of a dwelling. The speed limit specified in this subsection does not apply to a person operating an off-highway motorcycle on a roadway that is designated as an off-highway motorcycle route.

8. Operate the off-highway motorcycle on the frozen surface of public waters or on an off-highway motorcycle trail at a speed exceeding 10 miles per hour or without yielding the right-of-way when within 100 feet of another person who is not operating a motor vehicle, an all-terrain vehicle, a utility terrain vehicle, an off-highway motorcycle, or a snowmobile.

9. Operate the off-highway motorcycle to drive or pursue any animal except as part of normal farming operations involving livestock.

10. Operate the off-highway motorcycle in a manner which violates rules promulgated by the department. This subdivision does not authorize the department to promulgate or enforce a rule that imposes a speed restriction that is more stringent than a speed restriction specified under this paragraph.

(b) The speed restrictions under par. (a) 6. and 8. do not apply to a race or derby sponsored by a local governmental unit, by an off-highway motorcycle association, or by a similar organization that is approved by a local governmental unit if the sponsor of the race or derby marks the race or derby route or track to warn spectators from entering the route or track.

(c) 1. The distance restriction under par. (a) 8. does not apply to persons who are assisting in directing a race or derby sponsored by a local governmental unit, by an off-highway motorcycle association, or by a similar organization that is approved by a local governmental unit.

2. The distance restriction under par. (a) 8. does not apply if the person who is not operating the motor vehicle, all-terrain vehicle, utility terrain vehicle, off-highway motorcycle, or snowmobile gives his or her consent to have the person operating the off-highway motorcycle at a closer distance.

**(10) OPERATION ON HIGHWAYS; LIMITED USE MOTORCYCLES.** (a) *Generally.* No person may operate a limited use off-highway motorcycle on the roadway portion of any highway unless one of the following applies:

1. Operation on the roadway is necessary to cross the roadway. The crossing of a roadway is authorized only if the crossing is done in the most direct manner practicable, if the crossing is made at a place where no obstruction prevents a quick and safe crossing, and if the operator stops the limited use off-highway motorcycle prior to entering the crossing and yields the right-of-way to any

other vehicles, pedestrians, or electric personal assistive mobility devices that are using the roadway.

2. Operation on the roadway is necessary to cross a bridge, culvert, or railroad right-of-way. The crossing of a bridge, culvert, or railroad right-of-way is not authorized if the roadway is officially closed to off-highway motorcycle traffic. The crossing is authorized only if the crossing is done in the most direct manner practicable, if the crossing is made at a place where no obstruction prevents a quick and safe crossing, and if the operator stops the limited use off-highway motorcycle prior to entering the crossing and yields the right-of-way to any other vehicles, pedestrians, or electric personal assistive mobility devices that are using the roadway.

2m. Operation is on the roadway or shoulder for the purpose of crossing a bridge that is 1,000 feet in length or less if the operation is in compliance with a county ordinance adopted under sub. (21) (am) that applies to that bridge and a city, village, or town ordinance adopted under sub. (21) (am) that applies to that bridge.

3. Operation is on a roadway which is not maintained, or is only minimally maintained, on a seasonal basis for motor vehicle traffic. Such operation is authorized only during the seasons when no maintenance occurs and only if the roadway is not officially closed to off-highway motorcycle traffic.

4. Operation is on a roadway that is an off-highway motorcycle route. Such operation is authorized only for the extreme right side of the roadway except that left turns may be made from any part of the roadway which is safe given prevailing conditions.

Such operation is authorized only for the extreme right side of the roadway except that left turns may be made from any part of the roadway which is safe given prevailing conditions.

7. The roadway part of the highway is blocked off for a special off-highway motorcycle event as authorized under par. (b).

(b) *Off-highway motorcycle events.* A local governmental unit may block off highways under its jurisdiction for the purpose of allowing special off-highway motorcycle events. No state trunk highway or connecting highway, or part thereof, may be blocked off by any local governmental unit for any off-highway motorcycle event. A local governmental unit shall notify the local police department and the county sheriff's office at least one week in advance of the time and place of any off-high-

way motorcycle event that may result in any street, or part thereof, of the local governmental unit being blocked off.

(c) *Freeways.* No person may operate a limited use off-highway motorcycle on any part of any freeway which is a part of the federal system of interstate and defense highways under any circumstances. No person may operate a limited use off-highway motorcycle on any part of any other freeway unless the department of transportation authorizes the use of limited use off-highway motorcycles on that freeway.

(11) OPERATION ADJACENT TO ROADWAY. (a) *Location of operation.* 1. A person may operate an off-highway motorcycle adjacent to a roadway of a city, village, or town highway that is designated as an off-highway motorcycle route or an off-highway motorcycle trail without any restriction on how close the off-highway motorcycle is to the roadway.

2. A person may operate an off-highway motorcycle adjacent to a roadway of a U.S. numbered highway, a state highway, or a county highway that is designated an off-highway motorcycle route or an off-highway motorcycle trail provided that the operation occurs at a distance of 10 or more feet from the roadway or such greater distance as is reasonably necessary in order to avoid an obstruction. Travel on the median of a divided highway is prohibited except to cross.

(b) *Direction of operation.* 1. Except as provided in subd. 2., a person may operate an off-highway motorcycle on an off-highway motorcycle route or off-highway motorcycle trail adjacent to a roadway only in the same direction as motor vehicle traffic in the nearest lane.

2. A person may operate the off-highway motorcycle in either direction if any of the following applies:

a. The off-highway motorcycle is being operated during hours of daylight.

b. The off-highway motorcycle is being operated during hours of darkness and the off-highway motorcycle route or off-highway motorcycle trail is located at least 40 feet from the roadway or is separated from the roadway by a head lamp barrier.

(c) *Other limitation.* A person operating an off-highway motorcycle on an off-highway motorcycle route or off-highway motorcycle trail adjacent to a roadway shall comply with the speed limits of the adjacent roadway and with rules promulgated by the department and approved by the department of transportation.

2. No person may engage in the operation of an off-highway motorcycle while the person has an alcohol concentration of 0.08 or more.

2m. No person may engage in the operation of an off-highway motorcycle while the person has a detectable amount of a restricted controlled substance in his or her blood.

3. If a person has not attained the age of 21, the person may not engage in the operation of an off-highway motorcycle while he or she has an alcohol concentration of more than 0.0 but not more than 0.08.

4. A person may be charged with and a prosecutor may proceed upon a complaint based upon a violation of any combination of subd. 1., 2., or 2m. for acts arising out of the same incident or occurrence. If the person is charged with violating any combination of subd. 1., 2., or 2m., the offenses shall be joined. If the person is found guilty of any combination of subd. 1., 2., or 2m. for acts arising out of the same incident or occurrence, there shall be a single conviction for purposes of sentencing and for purposes of counting convictions under sub. (23) (c) 2. and 3. Subdivisions 1., 2., and 2m. each require proof of a fact for conviction which the others do not require.

5. In an action under subd. 2m. that is based on the defendant allegedly having a detectable amount of methamphetamine, gamma-hydroxybutyric acid, or delta-9-tetrahydrocannabinol in his or her blood, the defendant has a defense if he or she proves by a preponderance of the evidence that at the time of the incident or occurrence he or she had a valid prescription for methamphetamine or one of its metabolic precursors, gamma-hydroxybutyric acid, or delta-9-tetrahydrocannabinol.

(b) *Operation causing injury.* 1. No person while under the influence of an intoxicant to a degree which renders him or her incapable of safe operation of an off-highway motorcycle may cause injury to another person by the operation of an off-highway motorcycle.

2. No person who has an alcohol concentration of 0.08 or more may cause injury to another person by the operation of an off-highway motorcycle.

2m. No person who has a detectable amount of a restricted controlled substance in his or her blood may cause injury to another person by the operation of an off-highway motorcycle.

(23) (c) 2. and 3. Subdivisions 1., 2., and 2m. each require proof of a fact for conviction which the others do not require.

4. In an action under this paragraph, the defendant has a defense if he or she proves by a preponderance of

the evidence that the injury would have occurred even if he or she had been exercising due care and even if he or she had not been under the influence of an intoxicant to a degree which rendered him or her incapable of safe operation, did not have an alcohol concentration of 0.08 or more, or did not have a detectable amount of a restricted controlled substance in his or her blood.

5. In an action under subd. 2m. that is based on the defendant allegedly having a detectable amount of methamphetamine, gamma-hydroxybutyric acid, or delta-9-tetrahydrocannabinol in his or her blood, the defendant has a defense if he or she proves by a preponderance of the evidence that at the time of the incident or occurrence he or she had a valid prescription for methamphetamine or one of its metabolic precursors, gamma-hydroxybutyric acid, or delta-9-tetrahydrocannabinol.

(c) *Implied consent.* Any person who engages in the operation of an off-highway motorcycle upon the public highways of this state, or in those areas enumerated in par. (d), is considered to have given consent to provide one or more samples of his or her breath, blood, or urine for the purpose of authorized analysis as required under pars. (f) and (g). Any person who engages in the operation of an off-highway motorcycle within this state is considered to have given consent to submit to one or more chemical tests of his or her breath, blood, or urine for the purpose of authorized analysis as required under pars. 1. The operation of an off-highway motorcycle on any off-highway motorcycle corridor or any off-highway motorcycle route.

2. The operation of any off-highway motorcycle on other premises or areas located off the highways that are held out to the public for the recreational use of off-highway motorcycles whether such premises or areas are publicly or privately owned and whether or not a fee is charged for the use of an off-highway motorcycle.

3. The operation of a limited use off-highway motorcycle on a highway as authorized under sub. (10).

4. The operation of an off-highway motorcycle adjacent to a highway as authorized under sub. (11).

(e) *Preliminary breath screening.* 1. A person shall provide a sample of his or her breath for a preliminary breath screening test if a law enforcement officer has probable cause to believe that the person is violating or has violated the intoxicated operation of an off-highway motorcycle law and if, prior to an arrest, the law enforcement officer requested the person to provide this sample.

2. A law enforcement officer may use the results of a preliminary breath screening test for the purpose of deciding whether or not to arrest a person for a violation of the intoxicated operation of an off-highway motorcycle law or for the purpose of deciding whether or not

to request a chemical test under par. (f). Following the preliminary breath screening test, chemical tests may be required of the person under par. (f).

3. The result of a preliminary breath screening test is not admissible in any action or proceeding except to show probable cause for an arrest, if the arrest is challenged, or to show that a chemical test was properly required of a person under par. (f).

4. There is no penalty for a violation of subd. 1. Subsection (23) (a) and the general penalty provision under s. 939.61 do not apply to the violation.

(f) *Chemical tests; requirement.* 1. A person shall provide one or more samples of his or her breath, blood, or urine for the purpose of authorized analysis if he or she is arrested for a violation of the intoxicated operation of an off-highway motorcycle law and if he or she is requested to provide the sample by a law enforcement officer. A person shall submit to one or more chemical tests of his or her breath, blood, or urine for the purpose of authorized analysis if he or she is arrested for a violation of the intoxicated operation of an off-highway motorcycle law and if he or she is requested to submit to the test by a law enforcement officer.

2. A law enforcement officer requesting a person to provide a sample or to submit to a chemical test under subd. 1. shall inform the person of all of the following at the time of the request and prior to obtaining the sample or administering the test:

a. That he or she is deemed to have consented to tests under par. (c).

b. That a refusal to provide a sample or to submit to a chemical test constitutes a violation under par. (h) and is subject to the same penalties and procedures as a violation of par. (a) 1.

c. That in addition to the designated chemical test under par. (g) 2., he or she may have an additional chemical test under par. (g) 4.

3. A person who is unconscious or otherwise not capable of withdrawing consent is presumed not to have withdrawn consent under this paragraph, and if a law enforcement officer has probable cause to believe that the person violated the intoxicated operation of an off-highway motorcycle law, one or more chemical tests may be administered to the person without a request under subd. 1. and without providing information under subd. 2.

(g) *Chemical tests; procedures.* 1. Upon the request of a law enforcement officer, a test facility shall administer a chemical test of breath, blood, or urine for the purpose of authorized analysis. A test facility shall be prepared to administer 2 out of 3 of these tests for the purpose of authorized analysis. The department may enter into agreements for the cooperative use of test facilities.

2. A test facility shall designate one chemical test of breath, blood, or urine which it is prepared to administer first as the primary test for the purpose of authorized analysis.

3. A test facility shall designate another chemical test of breath, blood, or urine, other than the test designated under subd. 2., which it is prepared to administer as an additional chemical test for the purpose of authorized analysis.

4. If a person is arrested for a violation of the intoxicated operation of an off-highway motorcycle law or is the operator of an off-highway motorcycle involved in an accident resulting in great bodily harm to or the death of someone and if the person is requested to provide a sample or to submit to a test under par. (f) 1., the person may request the test facility to administer the additional chemical test specified under subd. 3. or, at his or her own expense, reasonable opportunity to have any qualified person administer a chemical test of his or her breath, blood, or urine for the purpose of authorized analysis.

5. If a person is arrested for a violation of the intoxicated operation of an off-highway motorcycle law and if the person is not requested to provide a sample or to submit to a test under par. (f) 1., the person may request the test facility to administer a chemical test of his or her breath or may request, at his or her own expense, a reasonable opportunity to have any qualified person administer a chemical test of his or her breath, blood, or urine for the purpose of authorized analysis. If a test facility is unable to perform a chemical test of breath, the person may request the test facility to administer the chemical test designated under subd. 2. or the additional chemical test designated under subd. 3.

6. A test facility shall comply with a request under this paragraph to administer any chemical test it is able to perform.

8. A chemical test of blood or urine conducted for the purpose of authorized analysis is valid as provided under s. 343.305 (6). The duties and responsibilities of the laboratory of hygiene, department of health services, and department of transportation under s. 343.305 (6) apply to a chemical test of blood or urine conducted for the purpose of authorized analysis under this paragraph and par. (h) *Chemical tests; refusal.* No person may refuse a lawful request to provide one or more samples of his or her breath, blood, or urine or to submit to one or more chemical tests under par. (f). A person shall not be considered to have refused to provide a sample or to submit to a chemical test if it is shown by a preponderance of the evidence that the refusal was due to a physical inability to provide the sample or to submit to the test due to a physical disability or disease unrelated to the use of an intoxicant. Issues in any action concerning violation of par. (f) or this paragraph are limited to the following:

1. Whether the law enforcement officer had probable cause to believe the person was violating or had violated the intoxicated operation of an off-highway motorcycle law.

2. Whether the person was lawfully placed under arrest for violating the intoxicated operation of an off-highway motorcycle law.

3. Whether the law enforcement officer requested the person to provide a sample or to submit to a chemical test and provided the information required under par. (f) 2. or whether the request and information was unnecessary under par. (f) 3.

(i) *Chemical tests; effect of test results.* The results of a chemical test required or administered under par. (f) or (g) are admissible in any civil or criminal action or proceeding arising out of the acts committed by a person alleged to have violated the intoxicated operation of an off-highway motorcycle law on the issue of whether the person was under the influence of an intoxicant or the issue of whether the person had alcohol concentrations at or above specified levels or a detectable amount of a restricted controlled substance in his or her blood. Results of these chemical tests shall be given the effect required under s. 885.235. Paragraphs (f) to (h) do not limit the right of a law enforcement officer to obtain evidence by any other lawful means.
