History: 1-2-56; am. Register, September, 1960, No. 57, eff. 10-1-60; am. (3) (a) and (b), Register, January, 1963, No. 85, eff. 2-1-63.

PW-PA 10.03 Classification Plan. (1) **PREPARATION AND ADOPTION OF PLAN.** (a) The division, in cooperation with the bureau, shall ascertain and record the duties and responsibilities of all positions to which this rule applies, and prepare a comprehensive classification plan. The classification plan shall include for each class of position an appropriate title, a description of the duties and responsibilities, and the requirements of education, experience, and other qualifications.

(b) The classification plan as adopted shall be binding upon all agencies. The class titles contained therein shall be used in all personnel and financial records of the agencies, as well as in all examination procedures.

(2) **ALLOCATION OF POSITIONS.** Every position in the agencies shall be allocated by the division, after consultation with the bureau, to one of the classes established by the classification plan. No person

shall be appointed or promoted to any position until it has been properly classified as herein provided. As additional classes are established or existing classes are abolished or changed, such necessary allocation or re-allocation shall be made to new or existing classes as is necessitated thereby.

(3) **REVISION OF PLAN.** Existing classes of positions may be abolished or changed, or new classes added, in the same manner as the classification plan was originally adopted.

(4) **INCUMBENTS OF RE-ALLOCATED POSITIONS.** (a) When a position is re-allocated to a different class, not because of a change in duties and responsibilities but because of a re-appraisal of the position in terms of the total classification plan, no examination is necessary for the permanent employe who has been occupying the position and who qualified for it through an examination on the basis of its former classification.

(b) When a position is re-allocated to a different class because of a change in duties and responsibilities and because of a subsequent resurvey, an examination may or may not be necessary for the permanent employe who has been occupying the position throughout the change and who originally qualified for it through an examination on the basis of its former classification. Decision as to the need for examination shall then be determined by the bureau on the basis of whether the re-allocation represents a transfer, promotion, or demotion in relation to the former classification of the position.

History: 1-2-56; am. Register, September, 1960, No. 57, eff. 10-1-60.

PW-PA 10.04 Compensation Plan. (1) **PREPARATION AND ADOPTION OF PLAN.** (a) The division, in cooperation with the bureau, shall assemble data and develop a comprehensive compensation plan for all classes of positions. The plan shall include salary schedules for the various classes, with the salary of each class consistent with the functions outlined in the class specifications. Initial, intervening, and maximum rates of pay for each class shall be established to provide for steps in salary advancement without change of duty in recognition of meritorious service. In arriving at such salary schedules, prevailing rates in the counties of the state, conditions affecting the supply of competent persons, and other relevant factors shall be taken into consideration. The plan shall also include regulations covering salary increases and adjustments.

(b) The compensation plan as adopted shall be binding upon all the agencies.

(2) **ADMINISTRATION OF PLAN.** (a) The approved compensation plan shall constitute the official schedules of salaries for all classes of positions in the agencies. No salaries shall be recognized for reimbursement by the division unless they conform to the approved compensation plan. The entrance salary for an employe shall be at the minimum salary for the class to which he is appointed, or as otherwise provided in the plan. Necessary salary adjustments affecting employes at the time of adoption or amendments of the compensation plan, or resulting from promotions, demotions, or transfers, shall be administered in accordance with the requirements of the plan.

(b) Salary advancements shall not be automatic, but shall be based upon quality and length of service, and shall be controlled by the

provisions of the compensation plan, providing for fixed times for consideration of increases, for a reasonable distribution among classes, and for increases that an individual employe may receive.

(3) **REVISION OF PLAN.** Salary ranges for classes of positions shall be amended in the same manner as originally adopted.

History: 1-2-56; am. Register, September, 1960, No. 57, eff. 10-1-60.

PW-PA 10.05 Applications and Examinations. (1) **CHARACTER OF EXAMINATIONS.** (a) State-wide examinations for entrance to the service shall be conducted on an open-competitive basis. Examinations shall be practical in nature, shall be constructed to reveal the capacity of the applicant for the particular position for which he is competing as well as his general background and related knowledge, and shall be rated objectively. A practical written test shall be included, except that where peculiar and exceptional qualifications of a scientific or professional nature are required and competition through an assembled examination is impracticable, an unassembled examination may be held. The bureau shall determine when competition through an assembled examination is impracticable.

(b) Examinations shall also include: 1. A competitive performance test for stenographic and typing positions and other positions involving the operation of office machines;

2. A rating of education and experience for the more responsible positions, including some professional, technical, supervisory and administrative positions;

3. An oral examination when practicable for positions requiring frequent contact with the public, or which involve important supervisory or administrative duties.

(2) **NOTICE OF EXAMINATION.** The bureau shall give public announcement of all entrance examinations at least two weeks in advance of the closing date for receipt of applications. The bureau and the division shall make every reasonable effort to attract qualified persons to compete in these examinations. Public announcement of examinations shall specify the title and salary range of the class of position, the duties to be performed, the minimum qualifications required, the final date on which applications will be received, except that for those classes for which there is to be continuous recruitment as provided in subsection (3) (b), a statement shall be included that applications will be received until further notice is given.

(3) **FILING APPLICATIONS.** (a) All applications shall be made on forms prescribed by the bureau and must be filed with the bureau on or prior to the closing date specified in the announcement. Such applications shall include a statement from the applicant of all pertinent information regarding his education, experience and any other information which the bureau may deem necessary. All applications shall be signed, and the truth of all statements contained therein certified by such signature.

(b) In those classes of positions in which there is difficulty in securing qualified applicants, the bureau, with the approval of the Division, may establish a recruitment program which is both positive and continuous. Under such a plan, applications may be accepted at any time and examinations held whenever applicants have filed in sufficient numbers to assure adequate competition.

(4) DISQUALIFICATION OF APPLICANTS. (a) The bureau may refuse to examine an applicant, or, after examination, to certify any eligible on a register if:

1. He is found to lack any of the preliminary requirements established for the examination for the class of position;
2. He is so disabled as to be rendered unfit for the performance of the duties of the class;
3. He is addicted to the use of narcotics or the habitual use of intoxicating liquors to excess;
4. He has made a false statement of material fact in his application;
5. He has previously been dismissed from any public service for delinquency, misconduct, or other similar cause;
6. He has used or attempted to use political pressure or bribery to secure an advantage in the examination or appointment;
7. He has directly or indirectly obtained information regarding examinations to which as an applicant he was not entitled;
8. He has failed to submit his application correctly or within the prescribed time limits;
9. He has been convicted of any infamous crime or other crime involving moral turpitude;
10. He has taken part in the compilation, administration, or correction of the examination;
11. He has been proven disloyal to the government of the United States of America;
12. He has otherwise violated provisions of this rule.

(b) A disqualified applicant shall be promptly notified of such action, and an applicant who is not admitted to an examination because of failure to meet the preliminary requirements shall be notified in writing to his last known address sufficiently in advance of the examination to allow for an appeal from rejection as provided for in section PW-PA 10.13 (1).

(5) CONDUCT OF WRITTEN EXAMINATIONS. (a) Written tests for the same class of position shall be conducted simultaneously in as many places as are necessary for the convenience of the applicants and as are practicable for proper administration. The bureau may designate such local examiners as may be necessary to conduct examinations under instructions prescribed by it and may also arrange for the use of public buildings in which to conduct the examinations.

(b) The identity of persons taking competitive examinations shall not be disclosed to the examiners. An identification number, which shall be used to identify all papers of each applicant, shall be assigned by the bureau to each applicant.

(6) RATING EXAMINATIONS. (a) In all examinations, the minimum grade through which eligibility on a register may be earned shall be fixed by the bureau. The bureau shall determine the final score for each applicant's examination, computed in accordance with the weights for the several parts established by the bureau.

(b) The bureau shall utilize appropriate scientific techniques and procedures rating the results of examinations and in determining the final scores of the competitors. In determining the system for rating results on the examination, the bureau shall give due regard to the number of candidates and to the number of vacancies which may reasonably be expected to occur in the life of the register.

(c) All applicants for the same position shall be accorded uniform and equal treatment in all phases of the examination procedure, except that there shall be no restrictions as to age in the case of veterans and except that other conditions being equal, a preference shall be given in favor of veterans of any wars of the United States. Preference is hereby defined to mean that whenever an honorably discharged veteran competes in any examination, he shall be accorded 5 points, and, if such veteran has a disability which is directly or indirectly traceable to war service, he shall be accorded another five points in addition to earned ratings therein. Proof of eligibility for such preference shall be submitted prior to or at the time of examination.

(7) **RATING EDUCATION AND EXPERIENCE.** (a) If education and experience form a part of the total examination, the bureau shall determine a procedure for the evaluation of the education and experience qualifications of the various applicants. The formula used in appraisal shall give due regard to recency and quality as well as quantity of experience and to the pertinency of the education. This procedure shall allow for the substitution of education for experience, and experience for education, within the limits stated in the class specifications.

(b) The bureau may investigate the applicant's education and experience to verify the statements contained in his application form and to adduce evidence regarding his character and fitness.

(8) **ORAL EXAMINATIONS.** When an oral examination forms part of a total examination for a position, the bureau shall appoint one or more oral examination boards as needed. An oral examination board shall consist of two or more members who shall be known to be interested in the improvement of public administration and in the selection of efficient government personnel, and at least one of whom shall be technically familiar with the character of work in the position for which the applicant will be examined. If practicable, all applicants qualifying for the oral examinations for the same class shall be rated by the same oral examination board. A member of an oral examination board shall disclose each instance in which he knows the applicant personally and shall not rate such applicant.

(9) **NOTICE OF EXAMINATION RESULTS.** Each applicant passing the examination shall be notified by mail by the bureau of his final grade as soon as the grading of the examination has been completed and the register established. An eligible, upon request and presentation of proper identification, shall be entitled to information concerning his relative position on a register. An applicant who has not achieved a passing grade in the examination shall be notified of his ineligibility.

(10) **SPECIAL EXAMINATIONS.** No applicant shall be given a special examination unless the bureau by formal and recorded action finds that the applicant's failure to take or complete an examination was due to an obvious error for which the bureau is responsible. No claim for a special examination shall be allowed unless it is filed in writing with the bureau within 10 days after the date of the original examination.

(11) **PHYSICAL EXAMINATIONS.** Before appointment, applicants may be required to pass a satisfactory physical examination.

(12) **EXAMINATION RECORDS.** The bureau shall be responsible for the maintenance of all records pertinent to the examination program.

Applications and other necessary examination records shall be kept during the life of the register. Examination records of appointees shall be kept permanently, but examinations of other applicants, not appointed, may be destroyed 30 days after the register expires. All notices of changes of address shall be filed, by applicants and eligibles, with the Bureau.

History: 1-2-56; Am. Register, September, 1960, No. 57, eff. 10-1-60.

PW-PA 10.06 Registers. (1) **ESTABLISHMENT OF REGISTERS.** (a) After each examination, the bureau shall prepare a register of persons with passing grades. The names of such persons shall be placed on the register in the order of their final grades, starting with the highest. If 2 or more eligibles have final grades which are identical, their names shall be arranged on the register in the order of their grades on the written part of the examination or their priority of filing.

(b) If a vacancy exists in a class of position for which there is no appropriate register, the bureau may prepare an appropriate register for the class from one or more existing related registers. For this purpose the bureau shall select registers for classes for which the qualifications and examinations are similar to or higher than those required for the class in which the vacancy exists. The bureau may, if necessary, rerate education and experience in accordance with section PW-PA 10.05 (7) on the basis of the qualifications required for the class in which the vacancy exists.

(2) **DURATION OF REGISTERS.** (a) The life of each register shall normally be 6 months from the date of its establishment, but this period may be extended by the bureau for a period not exceeding 3 years. A register may be deemed by the bureau to be exhausted if fewer than three available eligibles remain on the register.

(b) The division shall notify the bureau as far in advance as possible of vacancies which may occur in the agencies. The bureau shall be responsible for determining the adequacy of existing registers and for the establishment and maintenance of appropriate registers for all positions in the agencies, exclusive of exempt positions.

(c) The bureau may recognize an appropriate register for a class of position established for state service and may certify from such registers under section PW-PA 10.07 governing certification.

(3) **REMOVAL OF NAMES FROM REGISTERS.** (a) The bureau may remove the name of an eligible from a register:

1. For any of the causes stipulated in subsection PW-PA 10.05 (4);
2. On evidence that the eligible cannot be located by the postal authorities;
3. On receipt of a statement from the eligible declining an appointment and stating that he no longer desires consideration for a position;
4. If 3 offers of a probationary appointment to the class for which the register was established have been declined by the eligible;
5. If 3 agencies pass over the name on a register as unsuitable, written request may be made to the bureau by the division that the name of such person be omitted from any subsequent certification from the same register. The name of such eligible shall not be certified thereafter from that register for future vacancies in that class of position unless specifically requested by an agency.

(b) The bureau shall notify the eligible by mail to his last known address of this action and the reasons therefor. An eligible's name shall be reinstated on the register upon showing of cause satisfactory to the bureau, or in accordance with a decision of the personnel board of the bureau upon appeal as provided in subsection PW-PA 10.13 (3).

History: 1-2-56; am. Register, September, 1960, No. 57, eff. 10-1-60.

PW-PA 10.07 Certification of eligibles. (1) **REQUEST FOR CERTIFICATION.** If a vacancy occurs in any position in any agency, or if new positions are established and new employees are needed, requisition shall be submitted by the agency to the division upon a prescribed form. This requisition shall state the number of positions to be filled in the class, and all other pertinent information. After approval by the division, the requisition shall be forwarded to the bureau.

(2) **CERTIFICATION METHODS.** (a) The bureau shall certify and submit in writing to the agency, copies to the division, the names of the highest available eligibles from the state-wide register who are residents of the county in which the vacancy exists, provided that when there are no available eligibles or there are an insufficient number of available eligibles who are residents of the county, certification shall be made on a state-wide basis.

(b) If one position is involved, the bureau shall certify and submit the 3 highest available names from the register established as a result of a merit examination for that class of position. If more than one position is involved, it shall, for each class of position, certify and submit 2 more names than the number of positions to be filled in each class. If the register established as a result of a merit examination for a specific class of position is exhausted, then the bureau shall certify and submit names in accordance with the above procedure from the register, or registers, most appropriate.

(c) If, in the exercise of its choice provided under section PW-PA 10.08 (1), the appointing authority passes over the name of an eligible on a register in connection with three separate appointments it has made from the register, written request with the reason therefor may be made of the bureau by the division that the name of such eligible be omitted from any subsequent certification from the same register. Upon approval of the bureau, the name of such eligible shall thereafter not be certified from that register for future vacancies in that agency in that class of position.

(d) An eligible may be considered not available by the bureau if he fails to reply to a written inquiry after 5 days in addition to the time required for the transmission of the inquiry to his last-known address and reply thereto, or if he fails to reply to a telegraphic inquiry within 48 hours in addition to the time required for the transmission of the inquiry to his last-known address and reply thereto.

History: 1-2-56; am. Register, September, 1960, No. 57, eff. 10-1-60; am. (1), Register, January, 1963, No. 85, eff. 2-1-63.

PW-PA 10.08 Appointments. (1) **ORIGINAL APPOINTMENTS.** (a) All appointments to positions in the agency exclusive of exempt positions shall be made in accordance with this rule. Selections shall be made for each position from the three highest available names on the

Register, January, 1963, No. 85

certification submitted by the bureau in accordance with section PW-PA 10.07, exclusive of the names of persons to whom an objection has been offered in writing based on subsection PW-PA 10.05 (4), which objection is sustained by the bureau.

(b) In selecting persons from among those certified, the agency shall be permitted to examine their applications and reports of investigations in the office of the bureau, or in accordance with such regulations as the bureau may establish, and to interview them. Final selection shall be reported to the division and the bureau on prescribed forms.

(c) If the eligible selected declines the appointment, evidence of declination and other such data shall be transmitted to the bureau for permanent record. An eligible may be considered by the bureau as having declined appointment if he fails to reply after 5 days in addition to time allowed for transmission of letter and return of reply, or if he fails to reply to a telegraphic inquiry within 48 hours in addition to the time required for the transmission of the inquiry to his last-known address and reply thereto. If an eligible accepts an appointment and fails to present himself for duty at the time and place specified without giving reasons for the delay satisfactory to the agency and the Bureau, he shall be deemed to have declined appointment.

(d) Appointments made necessary by reason of employees leaving to perform active military service in the armed forces of the United States necessitating replacement for a period to exceed 6 months shall be made from appropriate registers, in accordance with this section relating to permanent appointments, subject, however, to termination for the purpose of reinstating any agency employee upon his being released from such service.

(2) PROVISIONAL APPOINTMENTS. (a) If, in the opinion of the agency there are urgent reasons for filling a position and there are no eligibles on a register established as a result of an examination for the position, and no other appropriate register exists, the agency may submit to the bureau the name of a person to fill the position pending examination and establishment of a register. If such person's qualifications have been certified by the bureau as meeting the minimum qualifications as to education and experience for the position, such person may be provisionally appointed to fill the existing vacancy until an appropriate register is established and appointment made therefrom. Except as provided below, no provisional appointment shall be continued for more than 30 days after an appropriate register has been established for the class of position or for more than 6 months from the date of appointment. Successive provisional appointments of the same person shall not be permitted and a position shall not be filled by repeated provisional appointments.

(b) Provisional appointments may be extended at the end of the 6 months' period with the approval of the bureau, and successive provisional appointments of the same individual to different positions and successive provisional appointments to the same position may be made in exceptional circumstances subject to the following conditions:

1. That an examination has been publicly announced and the bureau has found that a sufficient number of applicants has not filed to assure adequate competition.

2. That continuous receipt of applications has been provided in accordance with subsection PW-PA 10.05 (3) (b) and the examination is to be held whenever the bureau finds that enough applicants have filed to assure adequate competition.

(c) The continuous period of service as a provisional employee immediately preceding conversion to a probationary appointment may be considered a part of the probationary period.

(3) **EMERGENCY APPOINTMENTS.** (a) Whenever an emergency exists which requires the immediate services of one or more persons and it is not possible to secure such persons from appropriate registers, the agency may appoint a person or persons without regard to other provisions of this rule governing appointments. In no case, however, shall the same person be appointed for more than 30 working days during any 12-month period except as otherwise provided in subsection PW-PA 10.08 (3) (b). Each emergency appointment shall, when the appointment is made, be reported on prescribed forms to the division.

(b) When a civil defense emergency exists which requires the immediate services of one or more persons, the agency may appoint a person or persons without regard to other provisions of this rule governing appointments. The duration of the appointment shall be limited to the period of the civil defense emergency.

(4) **TEMPORARY APPOINTMENTS.** If an employee is needed for a temporary period, a certification shall be made by the bureau of the names of those eligibles, in the order of their places on an appropriate register, who have indicated willingness to accept temporary employment. Certification shall be made in the manner as prescribed in section PW-PA 10.07. Appointments shall be made in the same manner as prescribed in this rule for probationary appointments. The duration of a temporary appointment shall be limited to the period of the need and in no event shall a temporary appointment continue for more than 6 months in any 12-month period. The acceptance or refusal of a temporary appointment shall not affect an eligible's standing on a register or his eligibility for a probationary appointment, and the period of temporary service shall not constitute a part of a probationary period. Successive temporary appointments shall not be made nor shall an employee receive continued temporary appointments.

History: 1-2-56; am. (3), Register, February, 1959, No. 38, eff. 3-1-59; am. Register, September, 1960, No. 57, eff. 10-1-60.

PW-PA 10.09 Probationary Period. (1) **NATURE, PURPOSE AND DURATION.** All original appointments to permanent positions shall be made from officially promulgated registers for a probationary period of 6 calendar months. The probationary period shall be an essential part of the examination process, and shall be utilized for the most effective adjustment of a new employee and for the elimination of any probationary employee whose performance does not meet the required standard of work.

(2) **CONDITIONS PRELIMINARY TO PERMANENT APPOINTMENT.** Permanent appointment of a probationary employee shall begin with the date ending the probationary period, provided that the division has received from the employee's supervisor prescribed forms showing that the services of the employee during the probationary period have been

satisfactory and that the employe is recommended to be continued in the service. A performance report upon a form prescribed by the division must be submitted at this time. It shall be the responsibility of the division to obtain these forms 4 weeks prior to the end of the probationary period. If it is determined by the agency that the services of the employe have been unsatisfactory, the agency shall notify the employe in writing in advance of the date his services are to be terminated. An employe whose appointment is to be made permanent shall also be notified. The agency shall notify the division of the action taken regarding the services of the employe.

(3) **PROMOTION DURING PROBATION.** The serving of a probationary period shall not, of itself, prevent an employe from being promoted to a position in a higher class, provided he is certified from an appropriate register for such higher class of position in accordance with the provisions of section PW-PA 10.07. If, within the above-mentioned limitations, an employe is promoted in this way during a probationary period, the probationary period for the class of position to which he is promoted shall begin with the date of appointment to such latter class of position.

(4) **TRANSFER DURING PROBATION.** (a) Except as otherwise provided in subsection PW-PA 10.09 (3), an employe shall not be transferred during his probationary period to a position of another class for which a register exists.

(b) No probationary employe shall be transferred to another agency until the probationary period has been completed.

(5) **TERMINATION DURING PROBATION.** (a) At any time during a probationary period, the services of an employe may be terminated without right of appeal or hearing, but the reasons given for the termination shall be submitted in duplicate in writing to the division, the original to be transmitted to the bureau. Unless an appointment is made permanent by the agency at the close of the probationary period in accordance with the provisions of subsection PW-PA 10.09 (2), the services of the employe shall be terminated, and no further salary or other compensation shall be payable to him.

(b) The bureau, after consultation with the division, may restore the name of a probationary appointee whose services have been terminated to the register from which he was certified, in accordance with the procedure described in subsection PW-PA 10.12 (7), but the bureau shall not in the future certify the name of such person to the same agency from the same register if he has been terminated for cause.

History: 1-2-56; am. Register, September, 1960, No. 57, eff. 10-1-60.

PW-PA 10.10 Promotions. (1) **METHOD OF MAKING PROMOTIONS.** (a) As far as is practicable and feasible, a vacancy shall be filled by promotion of a qualified permanent employee based upon individual performance, with due consideration for length of service, and upon capacity for the new position. Preference in promotion may be given to employes within an agency, and all inter-agency promotions must be approved by the agencies concerned.

(b) A candidate for promotion must be certified by the bureau to possess the qualifications for the position as set forth in the specifications for the class of position for which he is a candidate, and he

may be required by the bureau to qualify for the new position by promotional competitive or non-competitive examination administered by the bureau.

(2) **PROMOTION BY COMPETITIVE EXAMINATION.** If the bureau shall approve filling vacancies in a particular class of position by promotional competitive examination, such examination shall be given under the direction of the bureau. A promotional competitive examination may be limited to employes of the agency concerned or may, with the approval of the bureau, be open to employes of all the agencies. An employe, to be eligible to compete for promotion, must have permanent status and must meet the qualifications for the class of position. A promotional competitive examination shall consist of any combination of the following: written tests, rating on education and experience, seniority, performance tests, and oral examinations. The combination in each case and procedures for the determination of the passing grade shall be announced by the bureau in advance of the examination, and shall take into consideration generally accepted merit system practices.

(3) **PROMOTION BY NON-COMPETITIVE EXAMINATION.** If the bureau shall approve filling a vacancy by a non-competitive examination, the employe selected for promotion must have permanent status and must meet the qualifications for the class of position to which he is a candidate for promotion. The bureau shall examine him by tests of the same relative difficulty and fairness as used in a competitive promotional examination, and, if found to qualify for the class, he shall be so certified by the bureau.

History: 1-2-56; am. Register, September, 1960, No. 57, eff. 10-1-60.

PW-PA 10.11 Transfers and Demotions. (1) **TRANSFERS.** (a) Except as otherwise provided in subsection PW-PA 10.09 (4), a transfer of an employe from a position in one agency to a position of the same class in another agency may be made at any time by the agencies concerned. All inter-agency transfers must be certified by the bureau and no examination is necessary.

(b) A transfer of a permanent employe from a position in one class to a position in another class on the same level shall be made only upon certification of the bureau with the approval of the agency or agencies concerned. The bureau shall require that the employe have the qualifications for the position in the new class. The bureau shall also require a qualifying examination if the duties, responsibilities, skills and knowledges involved in the new position are dissimilar, either qualitatively or quantitatively, or in both respects, and the original examination cannot be considered appropriate.

(c) A transfer of a permanent employe from a classified position in the state service to a class of position under this rule, of the same or lower level, shall be made only upon certification of the Bureau with the approval of the agency concerned. The bureau may require a qualifying examination.

(2) **DEMOTIONS.** A permanent employe may be demoted for inefficiency or for other cause, but in all such cases the employe shall have the same rights of appeal to the bureau as employes who have been dismissed.

Register, January, 1963, No. 85

PW-PA 10.12 Separations, Tenure, and Reinstatement. (1) **RESIGNATIONS.** An employe who resigns shall present the reasons therefor in writing to the agency. Copies of the letter of resignation shall be forwarded to and recorded by the division.

(2) **DISMISSALS.** The appointing authority, after notice in writing to an employe prior to the effective date, stating specific reasons therefor, 2 copies of which notice shall be filed with the division, one of which shall be transmitted to the bureau by the division, may dismiss any employe who is negligent or inefficient in his duties, or unfit to perform his duties; who is found to be guilty of gross misconduct; or who is convicted of a felony. When such conviction is final, the employe shall have no recourse to appeal to the bureau.

(3) **SUSPENSION.** The appointing authority may, after written notice to the employe and the division prior to the effective date, suspend any employe without pay for delinquency, misconduct, or neglect of duty, for a period not to exceed 30 calendar days in any one calendar year.

(4) **REDUCTION OF FORCE.** The appointing authority may separate any employe, without prejudice, because of lack of funds or curtailment of work, or in order to permit reinstatement of employes upon their release from periods of military service in the armed forces of the United States. No permanent employe, however, shall be separated while there are emergency, temporary, provisional or probationary employes serving in the same class of position in the same agency. The order of separations due to reduction of force shall be based upon performance reports and seniority, under a formula to be formally established by the division, and all such separations shall be reported to the division.

(5) **TENURE OF OFFICE.** The tenure of office of every permanent employe shall be during good behavior and the satisfactory performance of his duties as determined by periodic performance reviews. This provision, however, shall not be interpreted to prevent the separation of an employe for cause or the separation of an employe because of lack of funds or curtailment of work, when made in accordance with this rule.

(6) **REINSTATEMENT TO PREVIOUS CLASS OF POSITION IN THE SAME AGENCY.** A permanent employe who has resigned while in good standing, or who has been separated without prejudice, shall be eligible for reinstatement with permanent status at any time within 5 years after the date of separation, provided he has been certified by the bureau as meeting the current qualifications as to education and experience of the class of position to which he is being appointed.

(7) **REINSTATEMENT TO REGISTER.** Upon written request to the bureau, the name of a permanent or probationary employe who has resigned while in good standing or who has been separated without prejudice may be placed on a reinstatement register for the class of position in which he was last employed, provided he has been certified by the bureau as meeting the current qualifications as to education and experience of the class of position. Eligibility for reinstatement to the register shall be for a period of time equivalent to the period of his service under the merit system, but not to exceed 5 years.

PW-PA 10.13 Appeals. (1) APPEAL FROM EXAMINATION REJECTION.

(a) Any applicant whose application for admission to an entrance or promotional examination has been rejected by the bureau may appeal to the bureau for consideration of his qualifications. The bureau shall consider such appeal, if in writing, provided it shall have been received by the bureau not later than 48 hours prior to the announced time for holding the written examination. The bureau's decision with respect to any such appeal shall be final.

(b) Applicants may be admitted to an examination by the bureau pending a consideration of a written appeal. Admission to a written examination under such circumstances, however, shall not constitute the assurance of a passing grade in education and experience.

(2) **REVIEW OF EXAMINATION RATINGS.** Any applicant who has taken an examination may appeal to the bureau for review of his grade in any part of such examination to assure that uniform grading procedures have been applied equally and fairly. Such appeal must be filed in writing at the office of the bureau within 30 days after the date on which notification of the results of such examination was mailed to the applicant. A grading in any part of an examination shall not be changed unless compliance with the foregoing conditions has been made and unless it is found by the bureau that a substantial error has been made. The bureau's written decision with respect to a review or change shall be final. A correction in the grading shall not affect a certification or appointment which may have already been made from the register.

(3) **APPEAL FROM REMOVAL FROM REGISTER.** A person whose name has been removed from a register for any of the reasons specified in subsection PW-PA 10.06 (3) (a) may appeal to the bureau for reconsideration. Such appeal must be filed in writing with the bureau within 30 days after the date on which notification was mailed. The bureau after investigation shall make its decision, and the appellant shall be notified accordingly.

(4) **APPEAL FROM TERMINATION, SUSPENSION, OR DEMOTION.** (a) A permanent employe who is terminated for cause, suspended, or demoted shall have the right to appeal to the bureau. Such appeal shall be submitted in writing not later than 30 calendar days after the effective date of the action, and shall be transmitted to the bureau, which shall arrange for a formal hearing before the personnel board, such hearing to be held within 60 calendar days after receipt of the appeal. The bureau shall furnish the agency concerned with a copy of the appeal in advance of the hearing. Both the employe and the appointing authority shall be notified reasonably in advance of the hearing and shall have the right to present witnesses and give evidence before the personnel board.

(b) The personnel board shall make its recommendations promptly in writing to the appointing authority and to the appellant, with a copy to the division.

(c) After consideration of the personnel board's recommendations, the appointing authority shall make its decision, which shall be final and which shall be duly recorded in the permanent records of the agency. The appointing authority shall, in writing, promptly notify the appellant of its decision, with a copy to the division.

PW-PA 10.15 Performance Reports. The division shall have in effect a uniform system of performance standards for each class of position to be used by county agencies in making evaluations of work performance. Performance reports shall be prepared and recorded for all permanent employes at intervals not to exceed 12 months. Performance reports shall be considered in such personnel actions as salary advancements, and in making promotions, demotions, terminations for cause, and in determining the order of separations due to reduction of force. Performance reports shall be discussed with the employee at the time of evaluation.

(1) **NO INTERFERENCE WITH ELECTIONS.** No employe of the agencies shall use his official authority or influence for the purpose of interfering with an election or affecting the results thereof. All persons occupying positions, while retaining the right to vote as they please and to express privately their opinions on all political subjects, shall take no active part in political management or in political campaigns. All prohibitions of political activity provided for agencies administering federal grants-in-aid in the Federal Hatch Act apply to employes of the agencies.

(2) **NO DISCLOSURES OR DISCRIMINATIONS.** No question in any form of application or in any examination shall be so framed as to elicit information concerning the political or religious opinions or affiliations of any applicant, nor shall any inquiry be made concerning such opinions or affiliations, and all disclosures thereof shall be discounted. No discriminations shall be exercised, threatened, or promised by any person in the employ of the agencies against or in favor of any applicant, eligible, or employe because of his political or religious opinions or affiliations.

The division shall check the names, positions, salaries, and appointments which appear thereon and shall certify on each payroll to what extent the payroll conforms to the provisions of this rule and the supplementary regulations adopted pursuant thereto. This post-audit shall be made within a reasonable period after the receipt of the payrolls in the office of the division and shall become a permanent part of the records of the division. (1) All positions in the agencies, other than those in agencies where the department has delegated to a county civil service agency responsibility for determining qualifications of applicants for merit examinations and those positions hereinbefore exempted in subsection PW-PA 10.01 (9) shall be filled by persons selected in accordance with this rule.

(2) Counties adopting a civil service system shall submit to the division copies of their classification and compensation plans, class specifications including qualification requirements, and such other material as may be necessary to enable the department to determine acceptability of standards of qualifications and examinations.

(3) The bureau, with the approval of the division, may cooperate with other jurisdictions whose merit systems operate in conformity with standards comparable to those contained in this rule. With the approval of the division, the bureau may announce and administer joint examinations in conformity with this rule and the registers so established shall be given recognition under this rule. (2) Each county must select a 6 consecutive step compensation plan for the welfare department, children's board and juvenile court from the group I schedule, and must also select a 6 consecutive step compensation plan for the welfare department, children's board and juvenile court from the group III schedule (schedule A, 1-6; schedule B, 2-7; schedule C, 3-8; schedule D, 4-9; schedule E, 5-10). Schedules under group II apply only to positions of juvenile court attached staff operating under the merit system. Schedules under group IV

apply only to positions in the welfare department. The corresponding 6 salary steps must be used for all position classifications under each group. The consecutive 6 step range used in group I, II or III need not be the same consecutive 6 step range used in group IV. Example: A county may select schedule "D" under group I or group II or group III which would be applicable to all positions classified under these groups, and at the same time select schedule "A" under group IV which would be applicable to the position classified under that group. The juvenile courts and the children's boards operating under the merit system will be deemed to be under the same schedule or schedules adopted by their respective counties for the welfare department unless appropriate action is taken in adopting a different schedule or schedules.

(3) The optional schedule may be selected by class III and class IV agencies only.

(4) County action in adopting the schedules shall be by formal action by the county board of supervisors or by the county board of public welfare or by the county juvenile judge or children's board if delegated this responsibility for setting salaries of persons subject to the provisions of the county merit system rule. A certified copy of the county's action electing specific schedules shall be filed with the Division of Public Assistance. In the absence of specific action schedule A shall be deemed to apply to all groups. This plan shall be applicable to all classes of positions in the agency effective not later than July 1, 1963.

(5) A change in one or more salary schedules may be made at any time. Such change shall also be by formal action by the county board of supervisors or by the county board of public welfare or by the county juvenile judge or children's board if delegated this responsibility for setting salaries of persons subject to the provisions of the county merit system rule, and a certified copy of the action taken shall be filed with the division, showing the date of adoption and the effective date of the new salary schedule or schedules.

(6) At least the minimum for the class shall be paid, but no county shall be precluded from paying in excess of the maximum provided in the salary schedule although no reimbursement shall be made on any amount of salary in excess of the maximum provided in the schedule. Intermediate steps shall be the rate of salary advancement between the minimum and maximum.

PW-PA 10.26 Entrance salary. The entrance salary for an employe on first appointment shall be the minimum rate for the given range except as hereinafter provided.

(1) An agency may request authorization to appoint at any step above the minimum. If approved, such rate then becomes the minimum

rate for all employes presently employed or thereafter appointed in the class and no appointments shall be made at that rate until those highest on the register are first offered appointments at the higher rate.

(2) A higher entrance rate, when approved, as indicated above, shall remain in effect as the minimum until the agency requests a further increase or a decrease and such request is approved by the division of public assistance, except that in the case of court attached juvenile court workers and employes of the children's boards, approval must be preceded by the recommendation of the division for children and youth.

(3) The division of public assistance may approve the appointment of an eligible at a rate within the range for the classification of case work supervisor II, case work supervisor I, case worker III, case worker II, case worker I, and juvenile court worker, and homemaker, if, in the opinion of the division the education and experience of the eligible justifies such rate and a recommendation for such payment has been made by the appointing authority, except that in the case of court attached juvenile court workers and employes of the children's boards, approval must be preceded by the recommendation of the division for children and youth. In such instances, a new minimum for all employes in the same class would not be established. Such recommended increase shall be limited to 2 steps above the established minimum.

PW-PA 10.27 Salary Adjustments. (1) (a) **ADJUSTING SALARIES TO THE REVISED SCHEDULES OR NEW SCHEDULES.** The rate of pay of those employes below the minimum in the applicable schedule shall be increased to the minimum upon adoption of revised or new higher schedules.

(b) If at the time this compensation plan goes into effect the salary of any employe does not coincide with one of the step intervals as a result of a change in range or increment for certain classes of positions, adjustment need not be made until the next salary increase is granted, but no later than January 1, 1964.

(2) **PROMOTIONS; RECLASSIFICATIONS.** An employe who is promoted or reclassified shall have his salary increased at least to the minimum rate of pay for the new class if his salary before promotion or reclassification fell below such minimum rate. If his salary before promotion or reclassification does not coincide with one of the steps in the new range, it must be adjusted to the next higher step.

(3) **DEMOTIONS.** An employe who is demoted shall have his salary reduced at least to the maximum rate of the new class. If his salary before demotion does not coincide with one of the steps in the new range, it must be adjusted to the next lower step at the time demotion takes place.

(4) **TRANSFERS.** An employe who is transferring shall be paid a salary within the range of the schedule adopted by the agency to which he is transferring.

(5) **REINSTATEMENTS.** An employe who is certified from a reinstatement register may be paid at the same rate that he last received

in the same class of position if it coincides with a step in the current salary range for the class, or, if it does not coincide, at the next higher step.

(6) **PART-TIME AND OVER-TIME EMPLOYMENT.** The rates prescribed in the salary ranges are the rates payable for full-time employment subject to vacation, sick leave allowances, etc. When employment is on a part-time basis or for a portion of a month, the proportionate part of the rate for the time actually employed shall be paid.
