All other parts of the state-----	Feb. 5 through March 6	20 per season

(d) **Otter.** The opening date for the trapping season for otter shall be concurrent with the opening date for trapping beaver in all zones established under paragraph (c) of this section. The open season for trapping otter shall extend through March 15 in Zone A and through March 6 in Zone C. There shall be no open season in Zone B. The season bag limit is 2 otter. Each person who has trapped an otter will affix to such carcass immediately upon trapping a tag issued by the Wisconsin Conservation Department. Upon request such tags will be issued free of charge by the Wisconsin Conservation Department, Box 450, Madison, Wisconsin 53701.

(e) **Tagging of otter and beaver pelts.** Each person who has trapped an otter or beaver during the established open season for such animals shall exhibit each pelt to an authorized representative of the conservation commission in the county in which such animal was trapped, or in the adjoining county, but within the area included within the open season in which such animal was trapped, not later than five days after the close of said season. Said representatives shall inspect the pelt and attach and lock a special tag indicating it has been inspected. It shall be unlawful for any person to possess raw pelts from such animals beginning six days after the close of the season to the opening date of the following season without such tag attached and locked. No person shall transfer, give, trade, sell, or purchase any such pelts without such tag being attached and locked to the head of each pelt.

(f) **Muskrats taken in beaver or otter traps.** 1. Any person may salvage not to exceed eight muskrats which are taken in beaver or otter traps during the open season for beaver and otter and incidental to the licensee's beaver or otter trapping operations.

2. All such muskrat pelts shall be tagged with a metal tag immediately when the animal is taken; such tags to be furnished by the conservation commission upon request.

3. All muskrat pelts taken pursuant to this section shall be exhibited for inspection, together with any beaver and otter pelts taken, in the same manner as is provided for presenting beaver and otter by paragraph (e) of this section.

WCD 10.02 Wild animals protected at all times. (1) There shall be no open season on Canada lynx, timber wolf, badger, woodchuck, moose, elk, marten, fisher, wolverine, flying squirrel, or white deer.

(2) There shall be no open season on prairie chicken, Canada spruce grouse (spruce hen), turkeys, mourning doves, swans, cranes, bitterns, eagles, plovers, sandpipers, all species of hawks and owls except great-horned owls and except as provided in subsection (3) or on any other song birds or wild birds not specified in this chapter.

(3) (a) The conservation director may issue a special permit to any holder of a valid hunting license to take, possess and transport hawks and owls for personal use in the sport of falconry. Eagles may be possessed and used for falconry only if the federal permit for their possession was issued prior to October 1962. The permittee may use hawks, eagles and owls for falconry hunting during the open seasons for hunting with firearms or bow and arrow subject to the daily kill and possession limits, hunting hours, and other rules specified for such hunting. Such permit authorizes the permittee to capture alive and use the birds specified in the permit for falconry purposes only. Birds held under this permit shall not be sold or bartered. Birds held under this permit shall wear a metal or plastic band or tag clearly stating the owner's name and address.

(b) Applications for falconry permits shall be made on forms prepared and furnished by the conservation director and shall show such
