Such Canada goose cannot be carried or transported in any manner without the tag being secured. The tag must remain attached to the Canada goose until it reaches the abode of the permit holder. The tag may not be reused.
- 3. Each person hunting in the Horicon Zone must report on tag use or nonuse on the report card provided. Outside the Horicon Zone, each permit holder must report the number of Canada geese he killed using the card provided. The report must be placed in the mail within twelve hours following the close of the period for which the permit is valid. Unused tags issued for the Horicon Zone must be returned attached to the corresponding report card.
