A-V 4.06 Young and adult farmer classes. (1) Adult farmer classes shall be conducted for at least 10 lessons.

(2) Young farmer classes shall be conducted for at least 15 lessons. A year-round program is preferable.

(3) Schools meeting time requirements under options 4 or 9 shall provide 50 hours of young and adult farmer classes.

(4) Classes will be counted as 2 hours; farm mechanics may be 3 hours and 5 hour classes may be held during Christmas recess. Field trips of classes may be counted for their full time.

(5) For reimbursement purposes, the period of class conducted in one day will be one session. Reimbursement can be given only on time on Saturday afternoons, evenings, or vacations.

(6) Schools reported in any one year should be conducted entirely during that year—between July 1 and June 30.

(7) Must be organized instruction on a unit basis, each unit to consist of 5 or more lessons.

Note: For example: meetings for milk testing, soil testing, etc. cannot be counted unless accompanied by organized instruction.

(8) If one school desires to arrange with another for providing the young and adult farmer instruction, our office should, before the instruction begins, be provided with a copy of the agreement between the schools for such training. As evidence that satisfactory training has been provided the area served by the host school, a final report will be submitted by the school sponsoring the course giving the names of the enrollees, the school area in which they reside, the attendance, the character and scope of farming programs developed with the enrollees.

(9) (a) Reimbursement for young and adult classes to schools conducting approved programs of vocational agriculture on a twelve month basis will be at the rate of \$10 per meeting for classes conducted in accordance with the requirements including the development and maintenance of farming programs. When instructors are
