**Tax 9.11 Refunds.** (1) A refund shall be granted to any cigarette distributor for stamps which were applied to packages of cigarettes when the distributor supplies documentation to the department that the packages of cigarettes to which stamps have been affixed were damaged or otherwise unsalable and have been returned to the manufacturer thereof. A distributor who has unsalable cigarettes in his possession must file a written notice to the department of intent to return such cigarettes to the manufacturer thereof at least 10 days prior to shipping such cigarettes. If the department, upon receipt of this notice of intent, desires to exercise its right to inspect such cigarettes prior to shipment, it must so notify the distributor prior to the expiration of the 10 day period. If the department does not notify the distributor of its intent to inspect before the end of the 10 day period, the distributor may ship the cigarettes to the manufacturer and make application for refund. The distributor shall make application for such refund on a form to be furnished by the department. The application for refund must be accompanied by a copy of the signed bill of lading for said shipment. A copy of the credit memo for each shipment from the manufacturer must be forwarded to this department prior to processing the refund. The department may also require an affidavit from the manufacturer attesting to the number of cigarettes received in each shipment.

(2) Refund will be granted on all stamps unfit for use or otherwise unused, returned to this department by duly authorized permittees, providing the sale thereof may be verified by the department.
