(b) The department shall open the season for fishing with dip nets in any waters when it finds after scientific investigation and study that the fish populations in such waters are threatened with imminent mortality because of depletion of dissolved oxygen or other adverse habitat conditions under which fish will not survive. During such open season all species of fish may be taken by means of dip nets not more than 3 feet in diameter or 3 feet square, but no person shall have more than 25 pounds and 1 fish of any species of game fish of any size so taken in his possession. No person shall fish with more than one such dip net and such dip net fishing shall be carried on only during the hours from 7:00 a.m. to 3:30 p.m. Such open season shall be put into effect by posting a notice thereof on or in the vicinity of the shore of the waters affected, such posting being deemed by the department to be the most feasible way of notifying the public that such open season for fishing with dip nets is in effect. Such open season shall remain in full force and effect only so long as such waters are covered with ice and so long as such posting is continued.

(c) 1. Except as provided in the following subdivisions 2, 3, and 4, and except for posted streams, there shall be no closed season for hook and line fishing for any species of fish except sturgeon, smallmouth bass and largemouth bass in waters of Lake Michigan, Green Bay and upstream to the first dam or lake on any stream which is a tributary to Lake Michigan or Green Bay.

2. During the period from the first Saturday in May to September 15, the bag limits, minimum size limits and other regulations governing fish and fishing as set forth in this chapter apply to the waters of Lake Michigan, Green Bay and upstream to the first dam or lake on any stream which is tributary to Lake Michigan or Green Bay.

3. During the period from September 16 to but not including the first Saturday in May of the following May, annually, upstream to the first dam or lake on any stream tributary to Lake Michigan or Green Bay, the minimum size of trout and salmon shall be 10 inches and the daily bag limit shall be 5 fish in the aggregate, of which only 3 may be lake trout. During such period, hook and line fishing is restricted to baits using a hook with a gape size not larger than one-half inch from point to shank. During such period, fishing with hook and line is prohibited between the hours of 7:00 p.m. and 5:00 a.m. on all streams tributary to Lake Michigan and Green Bay, except the Menominee river.

4. During the period from September 16 through December 31, it shall be lawful to take trout and salmon by hand without the use of any device and by foul hooking or snagging while fishing with hook and line, using a hook with a gape size not larger than one-half inch from point to shank, in the waters of Lake Michigan, Green Bay,

Sturgeon Bay, including ship canal, Sawyer Harbor, and upstream to the first dam or lake in all streams tributary to these waters, except the Root river, Racine county, no foul hooking or snagging is permitted. During such period fishing by hand and hook and line is prohibited between the hours of 7:00 p.m. and 5:00 a.m. on all stream tributary to Lake Michigan and Green Bay, except in the Menominee river. The size limit on trout and salmon shall be 10 inches and the bag limit shall be 5 fish in the aggregate, of which only 3 shall be lake trout.

(4) **EXPERIMENTAL WATERS; PERMITS; REPORTS.** (a) It shall be unlawful for any person to take, catch or kill fish or fish for fish in the waters of Murphy flowage located on that part of Hemlock creek extending from county highway "F" in section 29 upstream to the inlet in section 27, township 36 north, range 9 west, Rusk county and in the waters of Nebish, Spruce, Mystery, Escanaba and Palette lakes situated in sections 34 and 35, township 42 north, range 7 east, and sections 1, 2, 3, 10, 11 and 12, township 41 north, range 7 east, Vilas county except under the following conditions:

1. Fishing in such waters is authorized only under permit, which may be secured at the checking stations indicated by posted signs in the immediate area.

2. Fishing in such waters shall be done only with hook and line or rod and reel except that cisco may be taken in Palette lake by means of licensed dip nets or seines.

3. The provisions of this section shall apply to such waters throughout the year.

4. All permits are valid only for the date issued and shall be turned in at the checking stations at the termination of each day's fishing activities by the fisherman.

5. There is a continuous open season with no daily bag limit or size limit for all species of fish contained in these waters except in Nebish lake there shall be a daily bag limit of 10 trout in aggregate.

6. All fish taken pursuant to this section shall be exhibited to the department or its agents at the checking station for examination, identification and marking.

(c) It shall be unlawful for any person to take, catch or kill fish or fish for fish in the waters of Mauthe lake located in sections 11, 12, 13 and 14, township 13 north, range 19 east, Fond du Lac county; in waters of the Yellowstone river, including Yellowstone lake, from the dam located in section 1, township 3 north, range 4 east, upstream to the highway F bridge in section 35, township 4 north, range 4 east in Lafayette county; and all that water commonly known as the Fox river and Little Lake Butte des Morts extending from immediately below the dam in the city of Neenah and the dam and lock in the city of Menasha, both in Winnebago county, and extending downstream to the uppermost dam in the city of Appleton in Outagamie county and in Rush lake in Fond du Lac and Winnebago counties, except under the following conditions:

(5) **FLY FISHING ONLY.** (a) It shall be unlawful for any person to take, catch, or kill fish, or fish for fish by any means other than the

use of an artificial fly by the method commonly known as "fly fishing" in the following described waters:

1. *Peshtigo river*—In, on or along that part of the Peshtigo river lying in Marinette county, beginning at the Johnson Falls dam in the SW ¼ of the SE ¼ of section 32, township 33 north, range 19 east, and extending downstream to the foot of Spring Rapids in the SE ¼ of the SE ¼ of section 15, township 32 north, range 19 east, with a daily bag limit of 5 trout and a minimum size limit of 10 inches on trout.

2. *Wolf river*—In, on or along that part of the Wolf river lying in Langlade county, beginning at the railroad trestle in Section 19, township 32 north, range 14 east extending downstream to the eastwest quarter line dividing the west half of section 33, township 32 north, range 14 east marked by a road which runs along side the Diercks irrigation pond with a daily bag limit of 5 trout per day and a minimum size limit of 10 inches on trout.

3. *Wolf river*—In, on or along that part of the Wolf river lying in Menominee county, beginning at the head of the ledge rock area known as "The Trip" and located near the east line of section 27, township 30 north, range 15 east extending downstream to the foot of "Ducknest Rapids" located just above the south line of section 27, township 30 north, range 15 east, as designated by signs posted by the department on each bank of the Wolf river at the beginning, end and within said described area.

(b) For the purpose of this section, an artificial fly means a single hook dressed with fur, feathers, hair, silk, tinsel, thread or similar material to imitate the natural food of trout.

(6) Except as otherwise specifically provided in this section, the open and closed seasons and other regulations established by this chapter shall apply to the area described herein.
