BUILDINGS AND FACILITIES

WSC 3.01 Use of college facilities for public meetings WSC 3.02 Cafeterias and stationery stands

WSC 3.01 Use of college facilities for public meetings. The facilities of the Wisconsin state colleges shall be available for holding public meetings and promoting intelligent public discussion under the direction and control of the president of the college and the local regent. The use of such facilities for such purposes shall not be incompatible with the objectives for which the colleges were erected.

WSC 3.02 Cafeterias and stationery stands. Each cafeteria and stationery stand managed by a college shall be self-supporting and receipts shall not be used for any purpose other than operation and upkeep. Stationery stands shall be limited to carrying only such stationery, supplies, and books as are necessary in the conduct of the instruction given in the colleges.
