Trans 2.02 Eligible applicants. (1) Private nonprofit organizations that are eligible for federal assistance under the federal 16 (b) (2) program are eligible for state assistance under s. 85.22, Stats. The eligible organization's application for federal 16 (b) (2) program aids shall be used as the basis for determining state aid eligibility under this chapter. All applicants must comply with federal regulations governing the 16 (b) (2) program. At the time it applies to the 16 (b) (2) program, an organization shall have legal authority to contract or subcontract with any other transportation provider in its proposed service area, unless it is prohibited from subcontracting by its contracts with agencies of county government. An organization which is prohibited in this way from subcontracting shall be eligible to apply only if the contracts which prohibit it from subcontracting were publicly bid and open to all transportation providers.

(2) State aids administered under this chapter are available only for projects for which applicants received notice of eligibility under 49 U.S.C. 1612 (b) (2) after July 1, 1977. Projects that are eligible for such
