(5) **COLLECTION OF FEES.** All fees shall be remitted at the time the plans are submitted. No plan examinations, approvals or inspections will be made until the fees are received.

(6) **PRIORITY PLAN REVIEW.** An appointment may be made with the department to facilitate the examination of plans in less than the normal processing time. The plans shall comply with the provisions of s. Ind [ILHR] 50.12. The fee for this type of plan examination shall be determined at twice the normal rate, based on the appropriate category of plan specified under this section.

(7) **INSPECTION AND COPYING OF PLANS AND SPECIFICATIONS.** The department shall allow inspection and copying of all plans, specifications and related materials filed with the department, except as follows:

(a) The department may restrict on a case by case basis, the right of inspection or copying of plans, specifications and related materials where the possible harm to the public interest outweighs the benefits of inspection or copying. The department will restrict inspection or copying of plans, specifications and related materials for the following types of buildings:

1. Banks, savings and loans, credit unions, securities dealers and other types or parts of buildings where large sums of money, negotiable securities or valuables are stored in secured areas;
2. Jails and other correctional institutions;
3. Public facilities regularly used for the storage or evaluation of evidence in criminal proceedings;
4. Armories;
5. Public broadcasting facilities;
6. Power generating facilities; and
7. Museums and libraries.

(b) The department shall allow inspection or copying of plans, specifications and related materials of all buildings in response to lawful subpoena, or in response to written requests from law enforcement agencies.

(c) Prior to any inspection or copying of plans, specifications and related materials, a written, signed application shall be obtained from the person requesting the inspection or copying. The application shall contain a general description of the premises for which inspection or copying is requested and the full name and address of the requester. The written request shall contain a statement that any information obtained from the inspection or copying shall not be used for any unlawful purpose or unfair competitive practice, and that the information set out therein is true and correct. The department will consider the information supplied in the request in conjunction with the type of buildings noted in par. (a) in determining whether the request for inspection or copying shall be granted. The department shall promptly transmit a copy of this statement to the owner and submitter of the documents being inspected or copied.

(d) The department may charge a reasonable amount to defray its costs in providing copies.
