History: Chapter Ag 5 as it existed on April 30, 1976 was repealed and a new chapter Ag 5 was created effective May 1, 1976.

Ag 5.01 Premiums and exhibits. (1) PREMIUM LISTS. (a) Premiums for which state aid is requested by county and district fairs shall conform with uniform premium lists and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. Ag. 5.08 (3) (d).

(b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin when a copy is requested by them.

(c) Sections Ag 5.01, 5.02 and 5.07 shall be published in premium books to be used at a fair for which state aid is requested.

(2) ENTRY FEES. (a) Entry fees not in excess of 10% of the purse offered on any specific article may be charged. When no entry fee is charged, stall rents may be charged in the horse, cattle, sheep, goat and swine departments. In the horse department the rental shall not exceed \$1.50 per single stall or animal, or \$3 for box stalls; in the cattle department \$1 per single stall or animal, or \$2 per box stall; in swine, goat and sheep departments \$2 per pen or 50 cents per animal. A standard pen is approximately 64 square feet. In the poultry, rabbit and pet stock department the charge shall not exceed 50 cents per head.

(b) Exhibitors in educational and school departments shall not be required to purchase exhibitors' tickets. Other exhibitors may be required, when no entry fee is charged, to purchase an exhibitors' season ticket at a price not to exceed that charged for non-exhibitors' season tickets.

(c) Exhibitors shall not be required to become members of the fair society, or be required to make any donations or refunds to the society.

(3) EXHIBITS AND EXHIBITORS. (a) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aids may not be approved for payment of premiums to Wisconsin residents with out-of-state addresses unless the fair secretary provides the department with an affidavit that such exhibitors reside in Wisconsin.

(b) State aid may be paid only on articles or animals actually on display in exhibit buildings or actually shown in the show ring during the regular fair dates except as split dates are provided for under sub. (6). State aid will not be paid on D.H.I.A. records, transportation aids, pro-

duction contests, or the like, unless special approval is granted under s. Ag 5.02 (8).

(c) State aid may not be paid on exhibits removed from the fairgrounds before 4 p.m. of the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in the case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes shall be judged during the regular fair but are not required to remain present during the entire fair. The local fair may prescribe the length of time horses shall remain on the grounds for junior exhibitors.

(4) JUNIOR FAIRS. (a) In the junior fair division, state aid will be paid on prizes offered to exhibitors who are 8 through 19 years of age on January 1 of the current fair year, except for exhibitors under s. Ag 5.06 (35), who may be pupils of school age as defined in s. 118.14, Stats. State aid will not be paid on prizes for club parades, club floats, song contests, or any project which is not an exhibit or demonstration at the fair.

(b) All exhibitors in the junior fair division shall be members of 4-H, FFA, FHA, or any other recognized youth organization under adult leadership and with an education program approved by the local fair.

(c) Exhibits in the junior fair shall be a result of the exhibitor's own labor in the project or projects in which he or she is regularly enrolled.

(d) Premiums in the educational department shall be paid directly to the exhibitor making the exhibit and not to the school or teacher, except for group premiums offered to interschool competitive classes. No aid may be paid on education department premiums unless a complete list of exhibitors and a complete set of judges' sheets for the education department, similar to those required in other departments, is filed with the department. All educational exhibits shall be on display at the fair even though they are judged prior to the fair.

(5) PREMIUMS. (a) The state aid authorized by s. 93.23 (1), Stats., may be paid only on net premiums, which consist of total premiums paid less total entry fees received. The department may withhold state premium aids from any fair which does not enforce the animal health provisions required under s. Ag 10.54, for all classes of livestock exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.

(b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by the local fair.

(c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition of the organization or for any other reason.

(d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.

(e) To be eligible for state aid, no animal or article shall be entered in competition for more than one premium, except as part of a herd group, carcass class, or a performance class.

(f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.

(6) DATES. No state aid may be paid to fairs having split dates, unless prior written approval is granted by the department. Extreme hardship must be established by the fair organization before approval can be granted. A split date is one where exhibits or contests are judged, and premiums paid at more than one time or at more than one location during the current year. When split dates are approved, all blue ribbon winners shall be required to repeat their demonstration or exhibit at the regular fair dates, unless exempted by the department in hardship cases. Split date approval shall not be required for dress revue, demonstration, or favorite foods revue.

Ag 5.02 Classes; general. (1) In all prescribed departments in the junior fair division, special classes may be established where none are specified for any item, article, or recognized breed, including special classes for grade and crossbred females in beef, swine, and sheep. State aid, in amounts prescribed, may be paid for such special classes.

(2) Classes may be combined, but state aid shall be limited to maximum premiums listed for a single class of such animals, items, or articles.

(3) No state aid may be paid on premiums awarded for any sexually intact male dairy cattle, beef cattle, sheep, goats, swine or horses exhibited in any class unless the animal is a registered purebred as verified by a certificate of registry from the appropriate breed association or society, or a copy of the application for registration.

(4) Animals entered in group classes may also be exhibited in a class for individual animals.

(5) State aid for premiums awarded for horses in open division classes shall be limited to horses which are owned by the exhibitor.

(6) The total maximum premiums prescribed for all places in any open division livestock class, excluding poultry and rabbits, may be divided into premiums for a greater number of places, but the maximum premium for any additional place shall not be higher than the maximum prescribed for last place in the class.

(7) If 16 or more animals, items or articles are entered in any junior fair class, at the discretion of the fair, the class may be divided into 2 or more approximately equal groups according to weight, age or other identification and each group judged as a class.

(8) Special educational exhibits may be instituted if presented to the Wisconsin association of fairs prior to October 1 of the year preceding the fair year, and such exhibits are approved by the department.

(9) In the swine department, mature boars may not be entered unless their tusks have been removed.

(10) All animals in any open division class shall be owned by the exhibitor, except as provided in s. Ag 5.03 (2).

Ag 5.07 Judging regulations. (1) Judging shall be done at county and district fairs by individuals who are registered with the department and who have knowledge, training or experience in the specific class or classes to be judged as determined by the department. Judging shall be done in accordance with the requirements of Ag 5.08 (3) (a). In no case shall any person who is an officer or director of a fair be eligible to judge exhibits at such fair; nor shall any person interested directly or indirectly in exhibits shown in any department of a fair be eligible to judge articles or animals in that department.

(2) Each judge shall be provided with a copy of the premium book at least 7 days prior to the opening date of the fair at which he or she shall act as a judge.

(3) No animal or article, irrespective of the number of entries in the class in which it is entered, shall be awarded a higher rating than its merit would entitle it to in comparison to the standard of perfection in the class.

(4)(a) No state aid will be paid on premiums awarded under the Danish system in any classes except in the junior and educational departments.

Ag 5

(b) When classes in the junior and educational departments are judged according to the Danish system, 4 group placings shall be awarded in any class. When there are less than 8 exhibitors in the class, there shall not be more than 2 in the first group, not more than 4 in the first 2 groups and not more than 6 in the first 3 groups. If there are 8 or more entries in the class, there shall not be more than 25% in the first group, not more than 50% in the first 2 groups, and not more than 75% in the first 3 groups.

(c) The number of awards in the last group placing may be increased to the extent necessary to give awards to all exhibitors.

Ag 5.08 Accounting requirements. (1) All receipts from any source whatsoever shall be deposited in a bank, and all accounts without exception shall be paid by check or draft. All records, papers, stubs, checks, vouchers or other orders relating to fair transactions shall be preserved for a 6-year period subsequent to the year in which they were made or issued.

(2) Premiums shall be actually paid or bona fide notice of premium awards sent to all premium winners before a claim for state aid may be considered.

(3) Claims for state aid shall be filed with the department within 30 days after the close of the fair, and shall include:

(a) Judging sheets completed according to instructions contained thereon. All entries shall be in typewritten form with the exception of entries in the winning entry column which may be made with a ballpoint pen or indelible pencil. The total premium awarded on each judging sheet shall be shown at the bottom of each sheet. State aid shall not be paid on judging sheets which are not signed by the judge or accompanied by an affidavit of the judge listing the department and classes judged. A separate affidavit shall be required for each department.

(b) Index of exhibitors and their addresses, with amounts paid in premiums opposite each name. The total of each index sheet shall be shown on the bottom of the sheet, and the total of the index shall correspond with the total of premiums awarded as shown by judging sheets.

(c) One voucher claim for state aid.

(d) One premium book.

(4) One copy of the annual financial report shall reach the office of the department before the end of the calendar year in which the fair is held. State aid received for the current year shall be included as a receipt in such statement.

(5) Before submitting its financial report, every fair association, society or board shall have its accounts audited by either a certified public accountant, a county auditor, or an auditing committee. If audited by an auditing committee, at least one of the committee members shall be familiar with the records and procedures. The society or board shall submit to the department at the time the financial report is submitted, a statement of the type of audit conducted including the date and names of those making the audit, or a copy of the audit report.

Register, October, 1985, No. 358

(6) A copy of a financial report as published in a newspaper of general circulation in the county in which the fair was held shall be submitted to the department prior to December 31st of the year in which the fair was held. The financial statement shall include all receipts, disbursements, accounts receivable and accounts payable in connection with the operation of the fair, and shall show the financial condition of the fair organization before and after the fair.
