SS 3.01 Miscellaneous provisions. (1) If at any stage of the processing procedure, before actually filing a UCC document in the alphabetically-indexed UCC records of the office, the secretary of state becomes aware that because of a clerical-type error the document has been accepted even though it did not meet statutory filing requirements, then instead of filing the document in those records, the secretary shall return it to the party who submitted it for filing and explain the reason for such handling.

(2) The secretary of state shall return, without filing it, any filing document purporting to be a subordination agreement affecting previously filed UCC documents inasmuch as a subordination agreement is not a recognized UCC filing term or event.

(3) Filings personally delivered to the secretary of state's office will be processed immediately only if all previously received filings in the same numbering category have already been numbered.

(5) Responsibility for determining whether a UCC financing statement has been signed by the proper party or all necessary parties belongs to the secured party and will not be assumed by the secretary of state.

(6) The secretary of state will index UCC filings only under names, shown in the filing forms, which appear to be names of debtors; for instance, names which appear to be a part of the address rather than the name of a party will not be used for indexing, nor will names of corporate officers when it appears that the persons are listed as officers of the corporation and not in their individual capacities.

(a) Be of sufficient legibility to reasonably permit adequate microfilming;

(b) Be accompanied by the statutory fee except those submitted under s. 74.76, Stats.;

(c) Be entitled so as to clearly inform the filing officer of the purpose for which said document is submitted; titles used shall be the appropriate

ones referred to in the above portions of Wis. Stats. (for instance, financing statement, amendment, etc.);

(d) Identify the parties by appropriate titles such as "debtor", "secured party", etc., using the titles referred to in the above portions of Wis. Stats.

(2) Documents which describe items of collateral, instead of just naming the types, shall adequately describe the items so that interested parties may be aware of what items are involved; for instance, just listing serial numbers without any wording to indicate what kinds of goods are involved, is not an adequate description.

History: Cr. Register, July, 1976, No. 247, eff. 8-1-76.

SS 3.04 "Standard" filing forms (except terminations). (1) Except in the case of termination statements, the only forms which shall be considered as "standard" for filing in the secretary of state's office to qualify for the standard fees in ss. 409.401 through 409.406, Stats. are UCC-2 and UCC-4 forms; and for real estate-related filings against debtors, which are railroads, UCC-3 forms:

(a) Be submitted on the form which the secretary of state recognizes as the current "official" Wisconsin UCC-4 form, and meet all requirements indicated in s. SS 3.04 (1) (a), (b) and (c); or

SS 3.06 Transmitting utilities. (1) Documents, which are submitted to the secretary of state under s. 409.401 (5), Stats., shall state that the debtor is a "transmitting utility". Unless a document so states, the secretary shall consider it as being subject to s. 409.401 (1) (b), Stats. (instead of s. 409.401 (5), Stats.) and shall reject the document as being one to be filed with a register of deeds rather than the secretary of state.

History: Cr. Register, July, 1976, No. 247, eff. 8-1-76.

SS 3.07 Amendments. (1) An amendment shall identify by file number the original statement which is being amended.

(2) In the case of an amendment, which makes some change in one or more debtor names, the term, ". . . each name. . . required to be indexed. . .", (s. 409.403 (5), Stats.) is defined to include all of the following which are applicable:

The following are examples of additional names (requiring the use of separate, additional request forms): name of debtor's spouse, dba's or trade names, names of partners or of the partnership, substantial variations in spelling and/or relative location of words in a name.

(1) The secretary of state shall comply with a request for a search and/or copies only if the request is in writing, includes a written promise to pay any additional fees that may be billed for in the reply to said request, and is accompanied by an advance fee. In order to qualify for the uniform fees applicable to the "standard form" referred to in s. 409.407 (2), Stats., such request shall be submitted on the form which the secretary of state recognizes as the current "official" Wisconsin UCC-11 form and meet all requirements indicated in s. SS 3.04 (1) (a), (b) and (c). Such advance fee shall be:

- (a) For a search request, the search certificate fee specified in s. 409.407 (2), Stats.;

(b) For a copy request, the copy certificate fee specified in s. 409.407 (2), Stats. plus the per-page charge specified in said statutory section for the first page of each statement to be copied;

(c) For a search request that also requests copies of any and all filings which are reported, the same fee as in (a) above; however, such a multiple request shall be accompanied by a signed letter wherein the secretary of state is authorized either to make such copies without limitation as to the number of pages, or to make such copies up to a specified number of pages; in the event that a number is specified, then said letter shall advise the secretary of state how and where to obtain further authorization in the event there are more than the specified number of pages involved; said letter shall also state a promise to pay to the secretary of state, upon receipt of said copies, the copy certificate fee specified in s. 409.407 (2), Stats. plus the per-page charge for each page of copied statement as also specified in said statutory section.

History: Cr. Register, July, 1976, No. 247, eff. 8-1-76.

SS 3.10 Promise to pay additional fees. (1) A request for a search of the UCC records in the secretary of state's office shall contain a signed promise to pay to the secretary of state, upon receipt of the search certificate, the additional fee, for each UCC filing reported in said certificate, as specified in s. 409.407 (2), Stats.

(2) A request for copies of specified UCC filings in the secretary of state's office shall contain a signed promise to pay to the secretary of state, upon receipt of the copies, the per-page charge for each page of copied statement, if any, subsequent to the first page of each statement copied, as specified in s. 409.407 (2), Stats.

History: Cr. Register, July, 1976, No. 247, eff. 8-1-76.

SS 3.11 Collection of unpaid search and copy fees. (1) When any bill, from the secretary of state for services rendered in connection with UCC searches or the furnishing of copies of UCC filings, remains partially or completely unpaid for more than 60 days after the service was rendered, then in addition to any other available collection procedure which the secretary of state may elect to follow, the secretary may proceed as follows. When subsequent search and/or copy requests are received, the secretary of state may apply the advance fee accompanying such subsequent request to the old, unpaid bill, and then return the current request without performing the service therein requested.

History: Cr. Register, July, 1976, No. 247, eff. 8-1-76.

SS 3.12 Current standard (official) forms. (1) As used in this section, "secretary of state" means the secretary of state of the state of Wisconsin, and "register of deeds" means the register of deeds for any county in the state of Wisconsin.

(2) The standard form for filing a uniform commercial code financing statement, which is not to be filed in the real estate records, with any register of deeds is any form, which, except as provided in sub. (7), is identical to the UCC-1 form entitled "STATE OF WISCONSIN - STANDARD (OFFICIAL) FORM FINANCING STATEMENT FOR FILING - REGISTER OF DEEDS".

(3) The standard form for filing a uniform commercial code financing statement, which is not to be filed in the railroad real estate records, with the secretary of state is any form, which, except as provided in sub. (7), is

Register, November, 1985, No. 359

identical to the UCC-2 form entitled "STATE OF WISCONSIN - STANDARD (OFFICIAL) FORM FINANCING STATEMENT FOR FILING - SECRETARY OF STATE".

(4) The standard form for filing a uniform commercial code financing statement, which is to be filed in the real estate records of any register of deeds or in the railroad real estate records of the secretary of state, is any form which, except as provided in sub. (7), is identical to the UCC-3 form entitled "STATE OF WISCONSIN - STANDARD (OFFICIAL) FORM FINANCING STATEMENT FOR FILING - REGISTER OF DEEDS REAL ESTATE RECORDS".

(5) The standard form for filing a uniform commercial code statement of amendment, statement of assignment, continuation statement, termination statement or statement of release with any register of deeds or with the secretary of state is any form which, except as provided in sub. (6) The standard form for filing a request, for a search of the uniform commercial code records or a request for certified copies of filings contained in such records, with any register of deeds or with the secretary of state is any form which, except as provided in sub. (7), is identical to the UCC-11 form entitled "STATE OF WISCONSIN - STANDARD (OFFICIAL) FORM REQUEST FOR INFORMATION SEARCH OR COPIES".

(7) The blacked-in rectangle in the upper left corner of the "stub" of the UCC-1, UCC-2, UCC-3, UCC-4 and UCC-11 forms may be replaced by any printer's logo, consecutive numbering figure or any other desired material, and such replacement shall not convert such forms from standard to non-standard so far as treatment by Wisconsin uniform commercial code filing officers is concerned.

(8) In addition to other ways of doing so, information may be inserted in the various blanks of the standard forms by printing, and such printing shall not convert such forms from standard to non-standard so far as treatment by Wisconsin uniform commercial code filing officers is concerned.

(9) The pink acknowledgment copy, of a financing statement filed on a UCC-1, UCC-2 or UCC-3 form which the secretary of state recognized as standard at the time the financing statement was filed with a register of deeds or the secretary of state, shall be treated by Wisconsin uniform commercial code filing officers as a standard termination statement when submitted as such to the filing officer who filed the financing statement to be terminated even though the UCC-1, UCC-2 or UCC-3 form involved would not meet the requirements for a standard Wisconsin uniform commercial code financing statement at the time the termination statement is filed.

(10) In addition to the UCC-1 and UCC-3 forms described in subs. (2) and (4), Wisconsin uniform commercial code filing officers shall continue to treat as standard forms, through December 31, 1979, those UCC-1

and UCC-3 forms recognized as standard forms by the secretary of state during 1976 and 1977.

Note: Sample copies of such standard forms are on file in the offices of the revisor of statutes and the secretary of state and may be examined in those offices. Copies to be used in making filings are to be obtained from private sources such as office supply stores or printers (a partial listing of which can be obtained from the secretary of state).
