(bl) "Hospital" may be defined in relation to its status, facilities and available services or to reflect its accreditation by the joint commission on accreditation of hospitals.

1. The definition of the term "hospital" shall not be more restrictive than one requiring that the hospital:

a. Be an institution operated pursuant to law, and;

b. Be primarily and continuously engaged in providing or operating, either on its premises or in facilities available to the hospital on a prearranged basis and under the supervision of a staff of duly licensed physicians, medical, diagnostic and major surgical facilities for the medical care and treatment of sick or injured persons on an inpatient basis for which charge is made; and

(gm) "Nurse" may be defined so that the description of nurse is restricted to a type of nurse, such as a registered graduate professional nurse (R.N.), a licensed practical nurse (L.P.N.), or a licensed vocational nurse (L.V.N.). If the word "nurse," "trained nurse" or "registered nurse" is used without specific instruction, then the use of the term requires the insurer to recognize the services of any individual who qualified under such terminology in accordance with the applicable statutes or administrative rules of the licensing or registry board of the state.

(im) 1. "Sickness" shall not be defined to be more restrictive than sickness or disease of an insured person which first manifests itself after the effective date of insurance and while the insurance is in force.

3. Contains no definitions of terms such as "Medicare eligible expenses," "accident," "sickness," "mental or nervous disorders," "skilled nursing facility," "hospital," "nurse," "physician," "Medicare approved expenses," "benefit period," or "outpatient prescription drugs" which are worded less favorably to the insured person than the corresponding Medicare definition or the definitions contained in sub. 7. Contains statements on the first page and elsewhere in the policy which satisfy the requirements of s. Ins 3.13 (2) (c), (d) or (e), and clearly states on the first page or schedule page the duration of the term of coverage for which the policy or certificate is issued and for which it may be renewed;

The substituted outline shall accompany the policy or certificate when it is delivered and shall contain the following statement in no less than 12-point type and immediately above the company name: "NOTICE: Read this outline of coverage carefully. It is not identical to the outline of coverage provided upon application, and the coverage originally applied for has not been issued.";

3. Is submitted to the commissioner along with the policy form.

(f) Except as otherwise provided in this subsection, the terms "Medicare supplement," "medigap" and words of similar import may not be used in a policy or in any advertisement or sales presentation for a policy unless the policy conforms to sub. (5) or (7).

(g) As regards subsequent rate changes to the policy form, the insurer:

1. Files such changes on a rate change transmittal form in a format specified by the commissioner.

2. Includes in its filing an actuarially sound demonstration that the rate change will not result in a loss ratio over the life of the policy which would violate sub. (4) (e).

(4m) OPEN ENROLLMENT. Unless the coverage is subject to sub. (7), an insurer may not deny or condition the issuance or effectiveness of, or discriminate in the pricing of, Basic Medicare supplement coverage for which an application is submitted during the 6-month period beginning with the first month in which an individual 65 years of age or older first enrolled for benefits under Medicare Part B on any of the following grounds:

(d) and that the period for which the policy is rated is reasonable in accordance with accepted actuarial principles and experience.

(b) For the purposes of this section, a policy shall be deemed to comply with the loss ratio standards if:

b. Every insurer providing Medicare supplement insurance or benefits to a resident of this state shall make such premium adjustments as are necessary to produce an expected loss ratio under such policy or contract as will conform with minimum loss ratio standards for Medicare supplement policies and which are expected to result in a loss ratio at least as great as that originally anticipated in the rates used to produce current premiums by the insurer for such Medicare supplement insurance policies or contracts. No premium adjustment which would modify the loss ratio experience under the policy other than the adjustments described herein should be made with respect to a policy at any time other than upon its renewal date or anniversary date. Premiums adjustments shall be in the form of refunds or premium credits and shall be made no later than upon renewal if a credit is given, or within 60 days of the renewal date or anniversary date if a refund is provided to the premium payer. Premium adjustments shall be calculated for the period commencing with Medicare benefit changes.

2. Any appropriate riders, endorsements or policy forms needed to accomplish the Medicare supplement insurance modifications necessary to eliminate benefit duplications with Medicare. Any riders, endorsements or policy forms shall provide a clear description of the Medicare supplement benefits provided by the policy or contract.

(d) For purposes of sub. (4) (e) and par. (b), the loss ratio standards shall be:

2. At least 75% in the case of group policies.

(17) **BENEFIT CONVERSION REQUIREMENTS DURING TRANSITION.** (a) Effective January 1, 1990, no Medicare supplement insurance policy, contract or certificate in force in this state shall contain benefits which duplicate benefits provided by Medicare.

(b) Benefits eliminated by operation of the Medicare Catastrophic Coverage Act of 1988 transition provisions shall be restored.

(c) For Medicare supplement policies subject to the minimum standards adopted pursuant to Medicare Catastrophic Coverage Act for 1988, the minimum benefits shall be no less than those specified in sub. (5) (c).

(18) **NOTICE REQUIREMENTS TO EXISTING POLICYHOLDERS.** (a) No later than January 31, 1990, every insurer providing Medicare supplement insurance or benefits to a resident of this state shall notify its policyholders, contractholders and certificateholders of modifications it has made to its Medicare supplement insurance policies or contracts. Such notice shall be in the format shown in Appendix 4 and shall:

1. Include a description of revisions to the Medicare program and a description of each modification made to the coverage provided under the Medicare supplement insurance policy or contract.
2. Inform each covered person as to when any premium adjustment due to changes in Medicare benefits will be effective.
3. Be in outline form and in clear and simple terms so as to facilitate comprehension for the notice of benefit modifications and any premium adjustments.
4. Not contain or be accompanied by any solicitation.

(b) No modifications to an existing Medicare supplement contract or policy shall be made at the time of or in connection with the notice requirements of this regulation except to the extent necessary to accomplish the purposes articulated in this subsection.

(19) **FORM AND RATE FILING REQUIREMENTS FOR EXISTING POLICIES.** (a) Every insurer providing Medicare supplement insurance or contracts in this state shall file with the commissioner, in accordance with the applicable filing procedures of this state:

1. Appropriate premium adjustments necessary to produce loss ratios as originally anticipated for the applicable policies or contracts. Such supporting documents as necessary to justify the adjustment shall accompany the filing prior to January 31, 1990.

2. Any appropriate riders, endorsements or policy forms needed to accomplish the Medicare supplement insurance modifications necessary to eliminate benefit duplications with Medicare and to provide the benefits required by the this section prior to January 15, 1990. Any such riders, endorsements or policy forms shall provide a clear description of the Medicare supplement benefits provided by the policy or contract.

(b) Upon satisfying the filing and approval requirements of this state, every insurer providing Medicare supplement insurance in this state

Register, July, 1991, No. 427

shall provide each covered person with any rider, endorsement or policy form necessary to make the adjustments outlined in sub. (18).

(c) Any premium adjustments shall produce an expected loss ratio under such policy or contract as will conform with the minimum loss ratio standards for Medicare supplement policies and shall result in an expected loss ratio at least as great as that originally anticipated by the insurer, health care service plan or other entity for such Medicare supplement insurance policies or contracts. Premium adjustments may be calculated for the period commencing with the Medicare benefit changes.

(d) Insurers may adjust the premium charged to policies referenced in pars. (a), (b) and (c) retroactive to January 1, 1990, providing the insurer files the proposed rate change with the commissioner prior to January 30, 1990, and notifies the insured in writing no later than January 31, 1990.

(20) OFFER OF REINSTITUTION OF COVERAGE. (a) Except as provided in par. (b), in the case of an individual who had in effect, as of December 31, 1988, a Medicare supplemental policy with an insurer (as a policyholder or, in the case of a group policy, as a certificateholder) and the individual terminated coverage under such policy before January 1, 1990, the insurer shall:

1. Provide written notice no later than January 30, 1990, to the policyholder or certificateholder at the most recent available address of the offer described in subd. 2, and

2. Offer the individual, prior to April 1, 1990, reinstitution of coverage with coverage effective as of January 1, 1990, under the terms which:

a. Does not provide for any waiting period with respect to treatment of pre-existing conditions;

b. Provides for coverage which is substantially equivalent to coverage in effect before the date of such termination; and

c. Provides for classification of premiums on which terms are at least as favorable to the policyholder or certificateholder as the premium classification terms that would have applied to the policyholder or certificateholder had the coverage never terminated.

(b) An insurer is not required to make the offer under par. (a) in the case of an individual who is a policyholder or certificateholder in another Medicare supplemental policy as of January 1, 1990, if the individual is not subject to a waiting period with respect to treatment of a pre-existing condition under such other policy.

(21) COMMISSION LIMITATIONS. (a) An insurer may provide and an agent or other representative may accept commission or other compensation for the sale of a Medicare supplement policy or certificate only if the first year commission or other first year compensation is at least 100% and no more than 150% of the commission or other compensation paid for selling or servicing the policy or certificate in the 2nd year.

(b) The commission or other compensation provided in subsequent renewal years shall be the same as that provided in the 2nd year or period and shall be provided for at least 5 renewal years.

(c) If an existing policy or certificate is replaced, no entity may provide compensation to its producers and no agent or producer may receive compensation greater than the renewal compensation payable by the replacing insurer on the policy or certificate.

(d) For purposes of this section, "compensation" includes pecuniary or nonpecuniary remuneration of any kind relating to the sale or renewal of the policy or certificate including but not limited to bonuses, gifts, prizes, awards, finder's fees, and policy fees.

(22) REQUIRED DISCLOSURE PROVISIONS. (a) Medicare supplement policies shall include a renewal or continuation provision. The language or specifications of such provision must be consistent with the type of contract issued. Such provision shall be appropriately captioned and shall appear on the first page of the policy.

(b) Except for riders or endorsements by which the insurer effectuates a request made in writing by the insured, exercises a specifically reserved right under a Medicare supplement policy, or is required to reduce or eliminate benefits to avoid duplication of Medicare benefits; all riders or endorsements added to a Medicare supplement policy after date of issue or at reinstatement or renewal which reduce or eliminate benefits or coverage in the policy shall require a signed acceptance by the insured. After the date of policy issue, any rider or endorsement which increases benefits or coverage with a concomitant increase in premium during the policy term must be agreed to in writing signed by the insured, unless the benefits are required by the minimum standards for Medicare supplement insurance policies, or if the increased benefits or coverage is required by law. Where a separate additional premium is charged for benefits provided in connection with riders or endorsements, such premium charge shall be set forth in the policy.

(c) A Medicare supplement policy which provides for the payment of benefits based on standards described as "usual and customary," "reasonable and customary" or words of similar import shall include a definition of such terms and an explanation of such terms in its accompanying outline of coverage.

(d) If a Medicare supplement policy contains any limitations with respect to pre-existing conditions, such limitations must appear on the first page.

(e) Medicare supplement policies or certificates shall have a notice prominently printed on the first page of the policy or certificate or attached thereto stating in substance that the policyholder or certificateholder shall have the right to return the policy or certificate within 30 days of its delivery and to have the premium refunded if, after examination of the policy or certificate, the insured person is not satisfied for any reason.

(f) As soon as practicable, but no later than 30 days prior to the annual effective date of any Medicare benefit changes, every insurer, health care service plan or other entity providing Medicare supplement insurance or benefits to a resident of this state shall notify its policyholders, contractholders and certificateholders of modifications it has made to Medicare supplement insurance policies or contracts in the format similar to Appendix 4. The notice shall:

1. Include a description of revisions to the Medicare program and a description of each modification made to the coverage provided under the Medicare supplement insurance policy or contract, and

2. Inform each covered person as to when any premium adjustment is to be made due to changes in Medicare.

(g) The notice of benefit modifications and any premium adjustments shall be in outline form and in clear and simple terms so as to facilitate comprehension.

(h) Such notices shall not contain or be accompanied by any solicitation.

(23) REQUIREMENTS FOR APPLICATION FORMS AND REPLACEMENT COVERAGE. (a) Application forms for Medicare supplement coverage shall comply with all relevant statutes and rules. The application form, or a supplementary form signed by the applicant and agent, shall include the following questions:

1. Do you have another Medicare supplement insurance policy or certificate in force (including health care service contract or health maintenance organization contract)?

2. Did you have another Medicare supplement policy or certificate in force during the last twelve (12) months?

a. If so, with which company?

b. If that policy lapsed, when did it lapse?

3. Are you covered by Medicaid?

4. Do you intend to replace any of your medical or health insurance coverage with this policy [certificate]?

(b) Agents shall list, in a supplementary form signed by the agent and submitted to the insurer with each application for Medicare supplement coverage, any other health insurance policies they have sold to the applicant as follows:

1. Any policy sold which is still in force.

2. Any policy sold in the past 5 years which is no longer in force.

(c) Upon determining that a sale will involve replacement, an insurer, other than a direct response insurer, or its agent, shall furnish the applicant, prior to issuance or delivery of the Medicare supplement policy or certificate, a notice regarding replacement of accident and sickness coverage. One copy of the notice signed by the applicant and the agent, except where the coverage is sold without an agent, shall be provided to the applicant and an additional signed copy shall be retained by the insurer. A direct response insurer shall deliver to the applicant at the time of the solicitation of the policy the notice regarding replacement of accident and sickness coverage.

(d) The notice required by par. (c) for an insurer, other than a direct response insurer, shall be provided in substantially the form as shown in Appendix 5. Direct response insurers shall use a notice in substantially the form as shown in Appendix 6.

(24) STANDARDS FOR MARKETING. (a) Every insurer marketing Medicare supplement insurance coverage in this state, directly or through its producers, shall:

1. Establish marketing procedures to assure that any comparison of policies by its agents or other producers will be fair and accurate.

2. Establish marketing procedures to assure excessive insurance is not sold or issued.

3. Inquire and otherwise make every reasonable effort to identify whether a prospective applicant or enrollee for Medicare supplement insurance already has accident and sickness insurance and the types and amounts of any such insurance.

(b) Every insurer marketing Medicare supplement insurance shall establish auditable procedures for verifying compliance with par. (a).

(c) In addition, the following acts and practices are prohibited:

1. Twisting. Knowingly making any misleading representation or incomplete or fraudulent comparison of any insurance policies or insurers for the purpose of inducing, or tending to induce, any person to lapse, forfeit, surrender, terminate, retain, pledge, assign, borrow on, or convert any insurance policy or to take out a policy of insurance with another insurer.

2. High pressure tactics. Employing any method of marketing having the effect of or tending to induce the purchase of insurance through force, fright, threat whether explicit or implied, or undue pressure to purchase or recommend the purchase of insurance.

3. Cold lead advertising. Making use directly or indirectly of any method of marketing which fails to disclose in a conspicuous manner that a purpose is solicitation of the purchase of insurance and that contact will be made by an agent or insurer.

(d) Every insurer shall establish marketing procedures which set forth a mechanism or formula for determining whether a replacement policy or certificate contains benefits clearly and substantially greater than the benefits under the replaced policy.

(e) In regards to any transaction involving a Medicare supplement policy, no person subject to regulation under chs. 600 to 655, Stats., may knowingly prevent or dissuade or attempt to prevent or dissuade, any person from:

1. Filing a complaint with the office of the commissioner of insurance; or

2. Cooperating with the office of the commissioner of insurance in any investigation; or

3. Attending or giving testimony at any proceeding authorized by law.

(f) If an insured exercises the right to return a policy during the free look period, the insurer shall mail the entire premium refund directly to the person who paid the premium.

(25) APPROPRIATENESS OF RECOMMENDED PURCHASE AND EXCESSIVE INSURANCE. (a) In recommending the purchase or replacement of any Register, July, 1991, No. 427

Medicare supplement policy or certificate, an agent shall make reasonable efforts to determine the appropriateness of a recommended purchase or replacement.

(b) Any sale of Medicare supplement coverage which will provide an individual more than one Medicare supplement policy or certificate is prohibited.

(c) An agent shall forward each application taken for a Medicare supplement policy to the insurer within 7 calendar days after taking the application. An agent shall mail the portion of any premium collected due to the insurer to the insurer within 7 days after receiving the premium.

(26) REPORTING OF MULTIPLE POLICIES. (a) On or before March 1 of each year, every insurer providing Medicare supplement insurance coverage in this state shall report the following information for every individual resident of this state for which the insurer has in force more than one Medicare supplement insurance policy or certificate:

1. Policy and certificate number, and
2. Date of issuance.

(b) The items in par. (a) must be grouped by individual policyholder.

(27) WAITING PERIODS IN REPLACEMENT POLICIES OR CERTIFICATES. If a Medicare supplement policy or certificate replaces another Medicare supplement policy or certificate, the replacing insurer shall waive any time periods applicable to pre-existing condition waiting periods in the new Medicare supplement policy for similar benefits to the extent time was satisfied under the original policy.

(28) GROUP POLICY CONTINUATION AND CONVERSION REQUIREMENTS. (a) If a group Medicare supplement insurance policy is terminated by the group policyholder and not replaced as provided in par. (c), the insurer shall offer certificateholders at least the following choices:

1. An individual Medicare supplement policy which provides for continuation of the benefits contained in the group policy; and
2. An individual Medicare supplement policy which provides only such benefits as are required to meet the minimum standards in sub. (5) (c).

(b) If membership in a group is terminated, the insurer shall:

1. Offer the certificateholder such conversion opportunities as are described in par. (a); or
2. At the option of the group policyholder, offer the certificateholder continuation of coverage under the group policy for the time specified in s. 632.897, Stats.

(c) If a group Medicare supplement policy is replaced by another group Medicare supplement policy, the succeeding insurer shall offer coverage to all persons covered under the old group policy on its date of termination. Coverage under the new group policy shall not result in any limitation for pre-existing conditions that would have been covered under the group policy being replaced.

(29) Every insurer of group Medicare supplement insurance benefits to a resident of this state shall file a copy of the master policy and any certifi-

icate used in this state in accordance with the filing requirements and procedures applicable to group Medicare supplement policies issued in this state; provided, however, that no insurer shall be required to make a filing earlier than 30 days after insurance was provided to a resident of this state under a master policy issued for delivery outside this state.

Note: This rule requires the use of a rate change transmittal form which may be obtained from the Office of the Commissioner of Insurance, P.O. Box 7873, Madison, WI 53707-7873.
