RL 84.01 Course approval. (1) All educational courses designed to meet the requirements in s. 458.06 (2) (d), (3) (b) or (4) (b), Stats., s. 458.08 (3) (b) 1, Stats., and this chapter, shall be submitted to the department for approval.

Note: Information relating to course approval is available from the Department of Regulation and Licensing, Bureau of Business and Design Professions, 1400 East Washington Avenue, P.O. Box 8935, Madison, Wisconsin 53708.

(2) For purposes of evaluation one semester credit at a college, university or technical college shall be the equivalent of 15 hours of instruction.

(3) Credit toward the course requirement may be granted only if the length of the educational course is at least 15 hours of instruction and the individual successfully completes an examination pertinent to that course.

(4) Credit shall be granted for educational courses regardless of when the courses were completed.

(5) Credit may be allowed for courses where the applicant obtained credit from the course provider by challenge examination without attending the courses, provided that such credit was granted prior to July 1, 1990, and provided further that the department is satisfied with the quality of the challenge examination that was administered by the course provider.

(6) The licensed and certified residential programs of study are expected to provide all appraisers with a foundation of knowledge. The courses which satisfy the requirements for appraiser licensure and residential appraiser certification may be acceptable towards satisfying the course work requirement for general appraiser certification.
