(3) PLAN REPRODUCTION FEES. A fee of \$5.00 per plan sheet shall be charged to the submitting party for plan reproduction on plan sheets larger than legal size. Plan sheets at or smaller than legal size may be charged the normal photocopying fee.

(4) PLAN APPROVAL - ADDITIONAL COPIES. (a) *Plumbing*. Upon request, additional copies of approved plumbing plans, with code violations cited and bearing the approval stamp, beyond the minimum amount required by administrative code or the department, shall be provided upon receipt of a \$10.00 fee, plus \$5.00 per plan sheet.

(b) Private sewage. Upon request, additional copies of approved private sewage plans, with code violations cited and bearing the approval stamp, beyond the minimum amount required by administrative code or the department, shall be provided upon receipt of a \$10.00 fee.

(c) *Building*. Upon request, additional building plans identical to previously approved plans shall be stamped approved upon receipt of a \$20.00 fee per plan.

(5) MAILING LISTS. The fee for mailing lists shall be \$25.00 for the first 1,000 names and \$5.00 for each 1,000 names thereafter. This fee shall be doubled, if gummed labels are requested.

(6) COMPUTER INFORMATION. Information from computer files is available for the costs incurred in generating the data requested.

1

(7) MICROFILM FEES. Microfilm prints of approved building and heating plans for the years 1967-1972 are available at the cost of reproduction.

(8) INSPECTION AND COPYING OF FILES, PLANS AND SPECI-FICATIONS. The department shall allow inspection and copying of all files and plans, specifications and related materials filed with the department, except as follows:

(a) The department may restrict, on a case by case basis, the right of inspection or copying of files and plans, specifications and related materials where the possible harm to the public interest outweighs the benefits of inspection or copying for the following types of buildings and facilities:

1. Banks, savings and loans, credit unions, securities dealers and other types or parts of buildings where large sums of money, negotiable securities or valuables are stored in secured areas;

2. Jails and other correctional institutions;

3. Public facilities regularly used for the storage or evaluation of evidence in criminal proceedings;

4. Armories;

5. Public broadcasting facilities;

6. Power generating facilities;

7. Museums and libraries; and

8. Noncommercial storage tanks which store heating oil for consumptive use on the premises.

(b) The department shall allow inspection or copying of files and plans, specifications and related materials of all buildings in response to lawful subpoena or written requests from law enforcement agencies.

(c) Prior to any inspection or copying of files and plans, specifications and related materials, a written, signed application shall be obtained from the person requesting the inspection or copying. The application shall contain a general description of the files or premises for which inspection or copying is requested and the full name, address and telephone number of the requester. The written request shall contain a statement that any information obtained from the inspection or copying shall not be used for any unlawful purpose or unfair competitive practice, and that the information set out therein is true and correct. The department will consider the information supplied in the request in conjunction with the type of buildings noted in par. (a) in determining whether the request for inspection or copying shall be granted. The department may transmit a copy of this statement to the owner and submitter of the documents being inspected or copied.

(d) The department may charge a reasonable amount to defray its costs in providing copies.

2. Scope. The fees indicated in Table 2.31-1, relating to building and heating and ventilation plans, include the plan review and inspection fees for all components, whether submitted with the original submittal or at a later date. Components included with the initial fee are:

a. Building plans;

b. Heating, ventilation and air conditioning (HVAC) plans;

c. Bleacher plans for interior bleachers only;

d. Fire escapes;

e. Footing and foundations plans (see subd. 3.a.); and

f. Structural component plans, such as floor and roof trusses, precast concrete, laminated wood, metal buildings, solariums and other similar parts of the building.

3. Miscellaneous plans. Miscellaneous plans are plans which have no building or HVAC plan submissions and for which no area may be associated. The fee indicated in Table 2.31-1 relating to miscellaneous plans includes the plan review and inspection fees. Miscellaneous plans include, but are not limited to:

a. Footing and foundation plans submitted prior to the submission of the building plans;

b. Industrial exhaust systems for dust, fumes, vapors and gases, for government-owned buildings only;

c. Spray booth plans, for government-owned buildings only;

d. Stadium, grandstand and bleacher plans, and interior bleacher plans submitted as independent projects;

e. Structural plans submitted as independent projects, such as docks, piers, antennae, outdoor movie screens and observation towers; and

f. Any building component, other than building and HVAC, submitted following the final inspection by a deputy of the department or, in the case of an agent municipality or county, the inspector having jurisdiction.

4. Exceptions. a. The fees outlined in this subparagraph may be applied to a project which contains multiple identical buildings. In order to qualify for the multiple identical building fee, plans for all building shall be submitted at the same time. The fees for the submittal of building and heating and ventilation plans for the first building shall be determined in accordance with Table 2.31-1 on the basis of the total gross area of one building. The fee for each of the remaining identical buildings shall be computed on the basis of an area of less than 2,500 square feet.

b. A plan review fee shall be submitted to the department in accordance with Table 2.31-2 for buildings located in agent municipalities and counties that have assumed those building inspection responsibilities relative to s. 101.12 (3) (g), Stats., and ch. ILHR 50. Table 2.31-2

| Over 500,000 | 20,570 | 13,400 | 9,090 |

(b) Building alterations. 1. The examination fees for alteration plans of existing buildings and structures undergoing remodeling or review of tenant space layouts shall be determined in accordance with Table 2.31-1 or Table 2.31-2 on the basis of the floor area, roof areas and external wall surfaces undergoing remodeling.

2. The fee specified in subd. 1. shall be based on the actual gross square footage of the area being remodeled. When the remodeling of an individual building element affects code compliance for a larger area, the fee shall be computed on the basis of the total square footage of the affected area.

(c) *Permission to start construction*. The fee for a permission to start construction shall be as specified in Table 2.31-1.

(d) Revisions. The fee for revisions to previously approved plans shall be as specified in Table 2.31-1. This paragraph applies when plans are revised for reasons other than those which were requested by the department. No revision fee will be charged for plans requested by the department as a condition of original plan approval.

(2) FEE FOR EXTENSION OF PLAN APPROVAL. The examination fee for a plan previously approved by the department for which an approval extension is requested shall be \$75.00 per plan.

(3) PRIORITY PLAN REVIEW. An appointment may be made with the department to facilitate the examination of plans. The plans shall comply with the provisions of s. ILHR 50.12. The fee for this type of plan submittal shall be determined at twice the normal rate, based on the appropriate category of plan specified under this section.

(4) REINSPECTION FEE. A fee as specified in s. ILHR 2.04 (2) shall be assessed for inspections made by the department to gain compliance with rules after orders have been issued by the department.

(5) COMPLETION STATEMENT. A fee of \$10.00 shall be assessed for any project where the department has issued orders for a completion statement to be submitted as required by s. ILHR 50.10. (6) FEE REFUNDS. The dpartment may refund the difference in fees between Tables 2.31-1 and 2.31-2 for projects that are abandoned prior to construction.

(7) COLLECTION OF FEES. Fees shall be remitted at the time the plans are submitted. No plan examinations, approvals or inspections shall be made until fees are received.

Fees for examination and certification of commercial electrical inspectors and restricted commercial electrical inspectors shall be determined in accordance with s. ILHR 2.05.

(2) INDEPENDENT INSPECTION AGENCY CERTIFICATION FEES. Fees for the certification of independent inspection agencies offering to perform electrical inspections of public buildings and places of employment shall be determined in accordance with s. ILHR 2.05.

(3) MASTER ELECTRICIAN EXAMINATION AND CERTIFICA-TION FEES. (a) Application. 1. Persons applying for certification as a master electrician shall submit a fee of \$35.00.

2. Persons applying for certification as a restricted master electrician shall submit a fee of \$150.00.

(b) Examination. Fees shall be submitted for examination and reexamination as follows:

1. Initial examination...... \$30.00

2. Re-examination \$30.00 per examination

(c) *Initial certification*. Upon successfully passing the written examination, the applicant for master electrician certification shall submit a fee of \$120.00.

(d) *Recertification*. The 3-year recertification fee shall be \$150.00.

(4) JOURNEYMAN ELECTRICIAN EXAMINATION AND CERTI-FICATION FEES. (a) *Application*. Persons applying for certification as a journeyman electrician shall submit a fee of \$35.00.

(b) *Examination*. Fees shall be submitted for examination and re-examination as follows:

1. Initial examination...... \$30.00

2. Re-examination \$30.00 per examination

(c) Initial certification. Upon successfully passing the written examination or upon determination of eligibility without examination, the applicant for journeyman electrician certification shall submit a fee of \$50.00.

(d) *Recertification*. The 3-year recertification fee shall be \$75,00.

(5) BEGINNING ELECTRICIAN CERTIFICATION FEES. (a) Application. Persons applying for certification as a beginning electrician shall submit a fee of \$35.00.

(b) Initial certification. Upon determination of eligibility, the applicant for beginning electrician certification shall submit a fee of \$50.00.

(c) *Recertification*. The 3-year recertification fee shall be \$75.00.

(6) ELECTRICAL CONTRACTOR CERTIFICATION FEES. (a) *Application*. Persons applying for certification as an electrical contractor shall submit a fee of \$35.00.

(b) Initial certification. Upon determination of eligibility, the applicant for electrical contractor certification shall submit a fee of \$150.00

(c) *Recertification*. The 3-year recertification fee shall be \$150.00

(7) RENEWAL OF EXPIRED CERTIFICATES. Late renewal fees for certification renewals submitted following certification expiration shall be determined as follows:

| (a) Less than 2 months late . | \$10.00 |
|-------------------------------|---------|
| (b) 2 to 6 months late | \$25.00 |

(c) More than 6 months late examination retake
