(h) Any "accredited investor" as defined and listed in sec. 230.501(a)(1), (2), (3) or (7) under Regulation D under secs. 3(b) and 4(2) of the securities act of 1933.

(5) With respect to an offer or sale of a security exempted under s. 551.23 (10) or (11), Stats.:

(a) Offerees or persons holding directly or indirectly all the issuer's securities include all joint or common owners and all beneficial owners of its securities, and all beneficial owners of any corporation, partnership, association or trust holding any of the issuer's securities and organized in connection with the offer or sale of the securities, provided that any relative or spouse, or any relative of the spouse, taking or holding the securities in joint or common tenancy with and having the same home as the offeree or person, shall not be deemed a separate offeree or person;

(b) Issuers affiliated by reason of direct or indirect control or persons affiliated by reason of direct or indirect control of any issuer are deemed to be a single issuer or person; but use of an exemption for the offer and sale of securities by such affiliated issuer or person shall not be denied on account of such affiliation provided the offer and sale are not part of a common business purpose or plan of offering, or if upon the filing of an application the commissioner so orders. A "common business purpose or plan of offering" is presumed where the offer or sale of securities is not separate and distinct from another offer and sale of securities with respect to (i) the application of proceeds, (ii) the physical proximity of real property or other assets, or (iii) the financial affairs of the business;

(c) A reasonable commission or fee may be paid to a broker-dealer or agent licensed in this state for services rendered in connection with a sale of securities effected under s. 551.23 (10) or (11), Stats.; a commission or fee will be presumed reasonable if it does not exceed the amount permitted under s. SEC 3.01 (1); and

(d) The exemption for any offer or sale under s. 551.23 (11), Stats., is withdrawn with respect to:

1. Except as provided in this subdivision, any offer or sale of interests in a limited partnership that is or will be primarily engaged in oil, gas or mining activities, any investment contract irrespective of the kind of assets held or business engaged in by the enterprise, or any certificate of interest or participation in an oil, gas or mining title or lease, or in payments out of production under the title or lease, if the aggregate offering price or face amount, whichever is greater, of all securities to be offered by or on behalf of the issuer, together with the value of any securities sold to persons in this state by or on behalf of the issuer during the prior 12 months, exceeds \$100,000, unless prior to the offering the issuer files a notice of the proposed offer or sale with the commissioner, including any prospectus, circular or other material to be delivered to offerees, and other information as the commissioner may require, and the commissioner does not by order withdraw, deny or revoke the exemption within 10 days. This paragraph is not applicable to any offer or sale made by a broker-dealer licensed in Wisconsin if the broker-dealer is not affiliated with either the issuer or sponsor of the issuer by means of direct or indirect common control;

2. Any offering of securities if the issuer, any of its officers, directors, general partners, controlling persons or affiliates thereof are or would be disqualified from use of the registration exemption in s. 551.23(19), Stats., as a result of any of the causes specified in s. 551.23 (19) (c) 1. a. to d., except for any person or persons subject to a disqualification who meets the conditions for waiver in s. 551.23 (19) (c) 2. a. or for any person who receives a waiver by the commissioner upon a showing of good cause that it is not necessary under the circumstances that use of the exemption be withdrawn.

(6) "Class vote" within the meaning of s. 551.23 (13), Stats., includes any vote pursuant to the articles of incorporation or the applicable corporation statute, of the stockholders of a corporation voting as one class, and any vote of stockholders of any class taken in accordance with the provisions of s. 180.1004, Stats., or comparable provisions of the articles of incorporation or of an applicable corporation statute of another state.

(7) (a) "Stock split" within the meaning of s. 551.23 (14), Stats., does not include any action by the corporation which has or may have the effect of consolidating securities of a class of outstanding equity securities into a smaller number of securities of that class;

(b) "Stock dividend" within the meaning of s. 551.23 (14), Stats., includes the issuance of shares under a dividend reinvestment plan in which the election by a shareholder to participate in the plan is voluntary and such election may be rescinded at any time upon notice to the issuer.

(8) Notice of an offer of an evidence of debt of a non-profit corporation exempted under s. 551.23 (15), Stats., shall be filed with the commissioner prior to the offering, and shall include: a trust indenture meeting the requirements of s. SEC 3.24 under which the evidence of debt is proposed to be issued; a prospectus describing the issuer, trust indenture and evidence of debt proposed to be issued, which shall be given or sent to each person to whom an offer of such evidence of debt is made at the time or times specified in s. SEC 3.23 (1); such additional information as the commissioner may require; and

(a) With respect to an offer qualifying under s. 551.23 (15) (a), Stats., a signed or conformed opinion of counsel for the issuer or other evidence satisfactory to the commissioner with respect to the validity and rank of the lien of the mortgage or deed of trust and evidence satisfactory to the commissioner that the total amount of the securities proposed to be offered does not exceed 50% of the then fair market value of the land and buildings included in the mortgage or deed of trust, less the amount of any unpaid special assessment taxes; or

(b) With respect to an offer qualifying under s. 551.23 (15) (b), Stats., a balance sheet of the issuer as of the end of the last fiscal year of the issuer preceding the date of filing, and statements of income and changes in financial position and an analysis of surplus of the issuer for each of its 3 immediately preceding fiscal years meeting the requirements of s. SEC 7.06.

(c) In addition, if the non-profit corporation is or operates as a church, the offering shall meet the requirements of s. SEC 3.14, and if the domestic non-profit corporation is or operates as a health care facility, the offering shall meet the requirements of s. SEC 3.145.

(9) The following transactions are exempted under s. 551.23 (18), Stats., without limiting the commissioner's authority thereunder:

(a) Any isolated issuer transaction relating to redeemable securities of an investment company registered under the investment company act of 1940, effected through a licensed broker-dealer pursuant to an unsolicited order or offer to purchase, provided that the broker-dealer obtains from the purchaser a written acknowledgment that the purchase was unsolicited or the confirmation delivered to the purchaser or a memorandum delivered in connection therewith confirms that the purchase was unsolicited by the broker-dealer or any agent of the broker-dealer. A transaction is presumed to be "isolated" if it is one of not more than 3 such transactions during the prior 12 months.

(b) Any issuance of securities by a corporation in a transaction meeting the requirements of section 368 (a) (1) (B) of the internal revenue code, if the issuer files with the commissioner prior to the offering the reorganization agreement and plan pursuant to which the securities are proposed to be issued and additional information

as the commissioner may require, and the commissioner does not by order disallow the exemption within 10 days from the date of filing.

(c) Any transaction pursuant to an offer to existing security holders of the issuer, other than an entity designated in s. 551.52 (1) (b), Stats., and to not more than 10 other persons in this state less the number of persons in this state with whom the issuer has effected any transactions during the period of 12 months preceding the offer pursuant to s. 551.23 (10) or (11), Stats., if no commission or other remuneration other than a standby commission is paid or given directly or indirectly for soliciting any security holder in this state; and if the issuer files with the commissioner prior to the offering a notice specifying the terms of the offer, including any prospectus, circular or other material to be delivered to offerees in connection with the transaction and such other information as the commissioner may require, and the commissioner does not by order disallow the exemption within 10 days.

(d) Any transaction incident to a vote of security holders of any issuer other than a corporation, pursuant to its organizational instrument or the applicable statute of any state; on a reorganization or a sale or transfer of assets in consideration of the issuance of securities of another person.

(e) Any offer or sale of securities pursuant to a transaction not involving a public offering under the securities act of 1933 which the commissioner by order exempts upon application filed by the issuer or seller, including such information as the commissioner may require, effected in compliance with such conditions as the commissioner may prescribe.

(f) Any offer or sale of securities to the employees or agents of the issuer or its subsidiaries pursuant to a stock option plan, provided there is filed with the commissioner a notice consisting of a complete description of the plan including any advertising to be published, circulated or used; and the commissioner by order exempts the plan. The commissioner may find the order inappropriate for the protection of investors unless:

1. The plan extends for no longer than 10 years;
2. The total amount of options and the exercise price meet the requirements of s. SEC 3.03 (1) and (2);
3. The issuer files an undertaking to deliver to all participating employees copies of the issuer's annual financial statements;
4. Any provision of the plan providing for installment payments for shares issued upon exercise is not permitted except as authorized by a majority of the disinterested independent outside directors of the issuer;
5. Certificates are issued upon exercise;
6. The plan meets the repurchase standards of s. SEC 2.01 (6) (d);
7. All shares issued under the plan have voting, dividend and liquidation rights meeting the requirements of s. SEC 3.07; and
8. If the shares to be issued under the plan are not registered under the securities act of 1933, the issuer files a satisfactory opinion of counsel as to its exempt status under that act.

(g) Any offer by a licensed broker-dealer pursuant to a preliminary prospectus, provided all the following requirements are met:

1. The securities are the subject of a registration statement filed under s. 551.25 or 551.26, Stats., a filing under s. 551.235, Stats., or a notice filed under s. 551.22 (1) or (8) or 551.23 (12) or (15), Stats.;
2. The preliminary prospectus has been filed with the U.S. securities and exchange commission or the commissioner for a period of 10 days, and the commissioner does not by order deny the exemption; and
3. Before the securities referred to in subd. 1. may legally be sold, no customer funds are received and no customer signs any subscription agreement or similar document relating to the securities offered other than a tentative reservation of securities that is

not binding on the subscriber until ratified by the subscriber after the securities may legally be sold.

(h) Any transaction, in other than the initial public offering, involving any government security, other than a revenue obligation and other than a security issued or guaranteed by the United States, or any agency or corporate instrumentality of the United States, where the government security is of investment quality rating as determined by the office of the commissioner of banking for the state of Wisconsin or by the comptroller of the currency by virtue of credit worthiness, or any transaction involving any government security dated prior to the effective date of this paragraph.

(i) Any offer or sale of securities that qualifies for use of a transactional registration exemption under s. SEC 2.027 or 2.028.

(j) Offers or sales of a discretionary or managed trading account involving discretion or management provided by a broker-dealer licensed in this state or by an investment adviser licensed in this state.

(k) Any offer, but not a sale, of a security through a presentation to potential investors at an organized venture capital fair or other investment forum designated in writing by the commissioner. In order to be designated as a venture capital fair or investment forum for purposes of this exemption, a written application for designation shall be submitted to the commissioner either by a sponsor of the fair or forum or by any interested person if accompanied by the written affirmation of a sponsor, setting forth the dates, places and times the activity will take place, the names and addresses of all sponsors of the activity, and the criteria to be met for a firm or person to participate in the fair or forum. Within 10 days from the receipt of the application or 10 days from the date of receipt of any amendment or supplemental information to the application required by the commissioner, the commissioner shall either designate the applicant a venture capital fair or investment forum or notify the applicant in writing why such a designation will not be made. For purposes of this paragraph, the terms "venture capital fair" or "investment forum" include, but are not limited to, gatherings open to public attendance that are sponsored by one or more not-for-profit entities at which persons representing existing or proposed businesses may make presentations regarding their business plans and products, or their financing or investment capital needs or proposals.

(l) 1. Any offer, other than a solicitation of interest made pursuant to SEC 2.028, sale or option to purchase equity securities issued by a new Wisconsin business corporation if that offer or sale is made by, or the option is offered by, the issuing corporation to its employees, officers or directors. In this subsection, "new Wisconsin business corporation" means a business incorporated under ch. 180, Stats., with its principal office in this state.

2. Prior to any offering made in this state under this paragraph, the corporation shall provide the commissioner with at least 10 days' advance written notice of the offering. The notice shall include a copy of a written disclosure document to be provided to each offeree setting forth, without limitation as to other types of information that can be provided, the amount of funds being raised in the offering; how the proceeds will be expended; basic information about the corporation's business activities and historical operations to date; the identity of its officers, directors and controlling persons; the current ownership levels of the corporation's securities, together with the price per share paid by persons for those shares; and audited or reviewed financial statements for the corporation.

(m) Any transaction by the sponsor of a unit investment trust involving the resale of a share of beneficial interest in the trust that meets all of the following conditions:

1. The sponsor acquired the share of beneficial interest in the secondary market.

2. The share of beneficial interest had been sold in the secondary market by a public holder of the share after the initial public offering of shares by the trust had been completed.

(n) Offers or sales of a security by an issuer pursuant to a written compensatory benefit plan including, without limitation, a purchase, savings, option, bonus, stock appreciation, profit-sharing, thrift, incentive, pension or similar plan, and interests in any such plan, provided that the offers and sales qualify for use of the registration exemption in rule 230.701 under sec. 3(b) of the securities act of 1933.

**SEC 2.027 Wisconsin issuer registration exemption by filing.** If all of the following conditions are met, other than any condition or conditions waived by the commissioner upon a showing of good cause, a transaction registration exemption is available under s. 551.23 (18), Stats., for any offer or sale for cash of the securities of an issuer having, both before and upon completion of the offering, its principal office and a majority of the full-time employees located in this state:

(1) The securities are sold to not more than 100 persons in this state, excluding:

- (a) Persons described in s. 551.23 (8), Stats.;
- (b) Accredited investors as defined in rule 501 (a) of Regulation D under the securities act of 1933; and
- (c) Members of the immediate family of an executive officer or director of the issuer who have the same permanent residence as the officer or director.

(2) No commission or other remuneration is paid or given, directly or indirectly, for soliciting or selling to any person in this state in reliance on the exemption in this section except to broker-dealers and agents licensed in this state.

(3) Neither the issuer, its officers, directors, general partners, controlling persons or affiliates, nor any broker-dealer or agent offering or selling the securities is or would be disqualified under s. 551.23 (19) (c), Stats.

(4) The aggregate offering price of the securities sold in the offering to persons in Wisconsin pursuant to this exemption does not exceed \$1,000,000, provided that the issuer has not made other offerings in Wisconsin pursuant to this exemption that would meet the criteria for being integrated with the offering under Rule 502 (a) of Regulation D under the securities act of 1933.

(5) The duration of the offering period shall not exceed one year, although the issuer may extend the offering for up to an additional one year by filing amended and updated disclosure materi-

als, together with any advertising, with the commissioner in conformance with the requirements of sub. (9). If the disclosure materials provide that a minimum dollar amount of offering subscriptions must be received before the issuer may utilize any of the proceeds, all subscriptions shall be held by a financial institution under an impounding agreement until the required minimum subscription level is reached.

(6) The issuer reasonably believes that all sales made pursuant to this exemption are suitable for the purchaser and that the purchaser either alone or with the purchaser's representative has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of the investment.

(7) An offering document is delivered to each purchaser prior to the sale of the securities that meets one of the following requirements:

(a) For offerings by a corporate issuer, an offering document that complies with the North American Securities Administrators Association, Inc. Form U-7 Small Corporate Offering Registration and Prospectus Disclosure Form, except that the financial statements may be either audited or reviewed; or

(b) For offerings by any type of issuer, an offering document that complies with the disclosure requirements of rule 502 (b) (2) of Regulation D under the securities act of 1933.

(8) The issuer or applicant files with the commissioner:

(a) The offering document to be used in connection with the offer and sale of the securities, not later than the date of the first use of the document in this state, together with a fee of \$200; and

(b) A letter specifying how the requirements for use of this exemption contained in the introduction and in subs. (1) to (7) are met or will be met; and

(c) A copy of all advertising, other than the offering document and except for solicitation of interest materials previously filed pursuant to s. SEC 2.028, to be used in connection with the offer and sale of the securities, not later than the date of its first use in this state, and a copy of all material amendments to the offering document, not later than the date of first use of each material amendment in this state.

**SEC 2.028 Exemption for solicitations of interest prior to registration or exemption.** (1) A transaction exemption is available under s. 551.23(18), Stats., for an offer, but not a sale, of a security made by or on behalf of an issuer pursuant to delivery of a written document or use of a newspaper publication or scripted media broadcast containing the information prescribed in the form in s. SEC 9.01(1)(c), for the sole purpose of soliciting an indication of interest from prospective purchasers in receiving a prospectus, private placement memorandum or equivalent disclosure document for the security, if the following conditions are satisfied, except to the extent that sub. (2) is applicable.

(a) The issuer intends that sales of the security be either:

- 1. Registered under ch. 551, Stats.; or
- 2. Exempt from registration under an available exemption in any subsection of s. 551.23, Stats.

(b) Not later than the date of the initial solicitation of interest made under this section, the offeror shall file with the commissioner a completed solicitation of interest form as prescribed in s. SEC 9.01(1)(c), together with any other materials to be used to conduct solicitations of interest, including, but not limited to, the script of any broadcast to be made and a copy of any notice to be published. Material amendments to the solicitation of interest form or to any related materials used to conduct solicitations shall be filed with the commissioner not later than the date of their first use. Any written document under this subsection may include a

coupon, returnable to the issuer indicating interest in a potential offering, revealing the name, address and telephone number of the prospective purchaser.

(c) Any published notice or script for broadcast, and any printed material delivered apart from the solicitation of interest form, shall contain the disclosures specified in the solicitation of interest form in s. SEC 9.01(1)(c).

(d) The offeror does not know, and in the exercise of reasonable care could not know, that any of the issuer's officers, directors, general partners, controlling persons or affiliates thereof are or would be disqualified from use of the registration exemption in s. 551.23(19), Stats., as a result of any of the causes specified in s. 551.23(19) (c) 1. a. to d., Stats., except for any person or persons subject to a disqualification who meets the conditions for waiver in s. 551.23(19) (c) 2. a., Stats.

(e) Solicitations of interest pursuant to this section shall not be made after the filing of either a registration statement under ch. 551, Stats., the filing of materials required for a claim of registration exemption under s. 551.23, Stats., or use of any available self-executing exemption under s. 551.23, Stats.

(f) Sales of the securities that are the subject of solicitations of interest under this section shall not be made until 20 calendar days after the last delivery of a solicitation of interest document or a radio or television broadcast or other media publication.

(2) (a) A failure to comply with any of the conditions in sub. (1) will not result in the loss of the securities registration exemption under this section for any offer to a particular individual or entity if the offeror demonstrates each of the following are met:

1. The failure to comply did not pertain to a condition directly intended to protect that particular individual or entity; and

2. The failure to comply was insignificant with respect to the offering as a whole; and

3. A good faith and reasonable attempt was made to comply with the conditions in pars. (1)(a) to (f).

(b) Where an exemption is established only through reliance upon this sub. (2), the failure to comply with the conditions in pars. (1)(a) to (f) shall constitute a basis for action that may be taken by the commissioner under s. 551.57, Stats., and shall constitute a basis for action that may be taken by the commissioner under s. 551.24, Stats., to deny or revoke the exemption as to a specific security or transaction.

History: Cr. Register, December, 1995, No. 481, eff. 1-1-96.

**SEC 2.03 Exemption proceedings.** (1) If a notice is required to be filed in order to seek to claim registration exemption status pursuant to s. 551.22 or 551.23, Stats., the notice shall consist of a copy of any prospectus, circular or other material to be delivered to offerees, the fee prescribed by s. SEC 7.01 (2), and a cover letter describing how the offering will meet all the requirements for use of the exemption sought to be utilized.

(2) If any information is reasonably required by the commissioner prior to the effective date of an exemption, in connection with the examination of any notice filed pursuant to s. 551.22 or 551.23, Stats., the notice is not deemed filed until the information so required is filed with the commissioner.

(3) An order of the commissioner disallowing an exemption with respect to a specified security or transaction pursuant to s. 551.22 or 551.23, Stats., has the same effect as an order denying or revoking an exemption pursuant to s. 551.24, Stats.
