(7) FINAL DECISION. If no hearing is requested within the time provided, the preliminary decision shall become final. If a hearing is requested, the decision of the hearing examiner shall be the final decision of the department, but may be reviewed in the manner prescribed by s. NR 2.20. The decision of the hearing examiner shall be in writing, shall include findings of fact and conclusions of law, and shall be provided to all parties to the hearing.

(8) INTERIM CONFIDENTIAL STATUS. No information for which confidential status was requested shall be open to public scrutiny until 40 days after issuance of the final decision. (2) (a) All department employees are authorized to answer questions within their competency, whether these are asked by the public or by representatives of the news media. Employees, in turn, are responsible for the factual accuracy of the information they provide. Requests to inspect department records shall be referred to the custodian of the records.

(b) The following are the only exceptions to this "freedom-of-information" policy. Employees may not release information within the 6 stated exceptions without prior approval from the bureau of legal services. The exceptions are:

1. Law enforcement, auditing or other investigational information that might prejudice later court cases or quasi-judicial hearings;
2. Comment on a case before, during or after court or quasi-judicial hearings prior to a decision (except as a witness);

6. Information specifically excluded from public inspection by law. (See s. NR 2.19).

(3) In cases where the district, area or bureau directors are concerned that the public interest in withholding inspection outweighs the public interest in permitting it, the file or requested information shall be provided to the secretary, deputy secretary or division administrator for review with the bureau of legal services and for determination.

(4) District, area and bureau directors are designated as custodians of their respective department district, area and central office records and files and are delegated the responsibility for them as well as the authority to provide copies or inspection as provided herein.

(5) (a) Requests for copies of records and files shall be complied with unless the records fall within the categories in sub. (2) (b). The requestor shall pay the copying charge for 10 or more pages. For 9 or less pages, there shall be no charge. Copies shall be provided to the requestor as soon as possible.

(b) When a request requires a large amount of copy work, the requestor shall make an advance payment of the copying charge and be informed that there will be an approximate processing period of 2 weeks. Unusually large requests may take longer than 2 weeks. When the copying work takes 3 or more hours, the person requesting the records shall pay the department an amount equivalent to the salary (including fringe benefits) of the person doing the copying work, prorated for the amount of time the work takes. The

person requesting the records may pay the charge for the employee's salary after the work is completed.

(6) (a) All formal meetings of state agencies and bodies, including advisory councils, will be open to the communication media and to the public, except where the matters under discussion fall in the categories listed in s. 19.85, Stats.

(b) Department employees are authorized and encouraged to participate in information activities contributing to a better understanding of the functions of state government, including radio and television programs, speeches, group contacts and magazine articles.
