Psy 4.02.

**History:** Cr. Register, September, 1991, No. 429, eff. 10-1-91; am. Register, June, 1999, No. 522, eff. 7-1-99.

**Psy 4.02 Continuing education.** (1) **REQUIREMENTS FOR CONTINUING EDUCATION.** (a) Unless granted a postponement or waiver under par. (g), every licensee shall complete at least 40 hours of board-approved continuing education in each biennial registration period, as specified in s. 455.06, Stats. The board may require that not more than 20 continuing education hours in each biennial registration period be acquired within specified topic areas.

(b) Continuing education hours may apply only to the registration period in which the hours are acquired. If a license has been allowed to lapse, the board may grant permission to apply continuing education hours acquired after lapse of the license to a previous biennial period of licensure during which required continuing education was not acquired. In no case may continuing education hours be applied to more than one biennial period.

(c) To meet the continuing education requirement, a licensee shall submit to the board a certificate of attendance upon the board's request.

(d) Unless granted a postponement or waiver under par. (g), a licensee who fails to meet the continuing education requirements by the renewal deadline shall cease and desist from practice.

(e) During the time between initial licensure and commencement of a full 2-year licensure period new licensees shall not be required to meet continuing education requirements.

(f) Applicants from other states applying under s. 455.04 (1) (e) or (4) (f), Stats., shall submit proof of completion of at least 40 hours of continuing education approved by the board within 2 years prior to application.

(g) A licensee may apply to the board for a postponement or waiver of the requirements of this section on grounds of prolonged illness or disability, or on other grounds constituting extreme hardship. The board shall consider each application individually on its merits, and the board may grant a postponement, partial waiver or total waiver as deemed appropriate.

(h) The board may grant an exemption from the requirements of this section to a licensee who certifies to the board that he or she has permanently retired from the active practice of psychology.

(i) A licensee who has been granted an exemption from the requirements of this section based on retirement from the active practice of psychology may not return to the active practice of psychology without submitting evidence satisfactory to the board of having completed at least 40 credits of continuing education for each of the biennia during which the licensee was granted an exemption.

(2) **APPROVAL OF CONTINUING EDUCATION PROGRAMS.** The board shall approve all of the following programs and courses if relevant to the professional practice of psychology:

(d) Continuing education courses approved by the psychology licensing board in another state where the participant is also licensed.

(3) **CREDIT FOR TEACHING AND PRESENTING.** Continuing education credit shall be granted for teaching and presenting any of the programs or courses in sub. (2) (a), (b), (c) or (d), but no credit will be granted for subsequent presentations of the same material.

(4) **PROOF OF ATTENDANCE AT CONTINUING EDUCATION PROGRAMS.** Applicants for renewal shall certify their attendance at required continuing education, but are not required to submit certificates of attendance unless the board requests the applicant to do so. The board shall conduct a random audit of 10 percent of all licensees on a biennial basis for compliance with continuing education requirements, and shall audit any licensee who is under investigation by the board for alleged misconduct.

(5) **APPROVAL OF UNCOMPENSATED EVALUATION ASSISTANCE SERVICES.** (a) The board shall accept for continuing education credit voluntary, uncompensated services provided by psychologists in assisting the department of health services in the evaluation of community outpatient mental health programs, as defined in s. 51.01 (3n), Stats., and approved by the department of health services according to rules promulgated under s. 51.42 (7) (b), Stats. Four hours of assistance, including hours expended in necessary training by the department of health services, shall be deemed to equal one hour of acceptable continuing education for the purposes of this section.

(b) Psychologists wishing to apply for continuing education credit under this subsection shall register in advance with the board, and shall notify the board on forms provided by the board of the dates and the total number of hours in any biennium for which the applicant will be available to provide assistance. The board shall make referrals to the department of health services in the order received pursuant to requests for assistance received by the board from that department.

**Psy 4.03 Renewal of a lapsed license.** Failure to renew a license by September 30 of odd-numbered years shall cause the license to lapse. A licensee who allows the license to lapse may apply to the board for renewal of the license as follows:

(1) If the licensee applies for renewal of the license less than 5 years after its expiration, the license shall be renewed upon payment of the renewal fee and fulfillment of the continuing education requirements.

(2) If the licensee applies for renewal of the license more than 5 years after its expiration, the board shall make an inquiry as it finds necessary to determine whether the applicant is competent to practice as a psychologist or private practice school psycholo-

gist in this state, and shall impose any reasonable conditions on renewal of the license that the board considers appropriate. An applicant under this subsection is presumed to be competent to practice as a psychologist or private practice school psychologist in this state if at the time of application the applicant is licensed by a similar examining board of another state or territory of the United States or of a foreign country or province whose standards, in the opinion of the board, are equivalent to or higher than the requirements for licensure as a psychologist under s. 455.04 (1), Stats., or as a private practice school psychologist under s. 455.04 (4), Stats.
