(8) READMISSION. A former member may be readmitted to a home only if he or she submits a new application with the documents required under sub. (3) (b) and the application is approved by the commandant on the basis of the commandant's determination that the home is able to provide appropriate care for the applicant. A former member who was given an undesirable or dishonorable discharge may be readmitted only if the commandant is satisfied that the conduct leading to the discharge will not be repeated. The commandant may also require that an applicant for readmission shall have paid all moneys which the applicant owed to the home.

The home will not be responsible for any expense incurred by a member while absent from the home except for emergency medical expenses authorized by a home's physician, provided notice is given to the home within 24 hours of the onset of the emergency. Quarters will not be reserved during any absence unless the absence is authorized by the commandant.
