3. Has been disciplined or had licensure denied by a licensing or regulatory authority in Wisconsin or another jurisdiction.

4. Has been found negligent in the practice of podiatric medicine or has been a party in a lawsuit in which it was alleged that the applicant had been negligent in the practice of podiatric medicine.

5. Has been convicted of a crime the circumstances of which substantially relate to the practice of podiatric medicine.

6. Has lost, had reduced or had suspended his or her hospital staff privileges, or has failed to continuously maintain hospital privileges during the applicant’s period of licensure following postgraduate training.
