An agent agreement may authorize the local agent to do any of the following as part of the local agent’s retail food program within the local jurisdiction:

1. License and inspect retail food establishments that are required to be licensed under s. ATCP 75.03. A local agent shall use license forms approved by the department. The local agent may deny, suspend or revoke a license as provided in s. ATCP 75.04.

2. Inspect retail food establishments that are not required to be licensed under s. ATCP 75.03.

4. Enforce subch. II of ch. ATCP 75 and other state food safety laws identified in the agent agreement.

5. Review retail food establishment construction and remodeling plans pursuant to s. ATCP 75.03 (8).

6. Exercise other authority delegated by the department under s. 97.41, Stats., and the agent agreement.

Note: Paragraph (a) does not limit a local health department’s authority to do any of the following:

1. Enforce additional local ordinance requirements related to retail food establishments.

2. Regulate restaurants, hotels or vending machine commissaries pursuant to an agreement with the Wisconsin department of health services under s. 97.615, Stats.

(b) An agent agreement takes effect on the date specified in the agreement, and continues in effect until terminated by the local agent or the department. ATCP 75.03 and the agent agreement. A local ordinance may establish local license fees that differ from the fees charged under s. ATCP 75.03 (3) for licenses issued by the department. However, license fees must be based on the local agent's reasonable program costs. See sub. (4) (c) and s. 97.41 (4), Stats.

(e) A description of the proposed licensing and recordkeeping system that the local health department proposes to maintain under the program.

(f) A description of the proposed inspection and enforcement program that the local health department proposes to implement under the program.

(g) Proposed procedures for coordinating with federal, state and local agencies in the event of an emergency or disaster.

(h) The procedures that the local health department will use to grant or deny retail food establishment license applications, and the time periods within which the local health department will grant or deny a complete application. Procedures and time periods shall be consistent with those provided in s. ATCP 75.03 (5) to (7).

(i) Reasonable assurance that the local health department will provide continuing adequate funding and other support for the program.

(j) Other information, required by the department, which is reasonably necessary or relevant to the department's review of the application.
