Opt 7.05 Verification. It shall be unprofessional conduct for an optometrist to fail to verify before delivery the accuracy with which the prescriptions prepared by him are compounded.

History: Cr. Register, March, 1962, No. 75, eff. 4-1-62.

Register, March, 1962, No. 75

Opt 7.06 Unprofessional practices. The following practices, among others, constitute unprofessional conduct:

(1) The use of bold face type or any other means of attempting to attract special attention to himself in any telephone or other public directory.

(2) The use of stationery and professional cards containing other than the names, titles, office hours, location and telephone number.

(3) The use by an optometrist, on his stationery, card or printed matter, of a multiple title. (e.g., optometrist-optician; jeweler-optometrist; etc.) The illustrations are not meant to be exclusive.

(4) The use of the title optometrist or other reference to his profession in the advertising of hearing aids or other articles.

(5) Failure to have or inability to operate adequate equipment and instruments in good working order and of such a character as is necessary to make the minimum examination as specified in section Opt 7.04 of this code.

(6) The use of any advertising, by whatever media, containing other than the name of the duly licensed optometrist, his title, office hours, location or place of practice, telephone number and any one specialty.

(7) The use or representation of eyes, or glasses, or show cases or window displays, or ophthalmic equipment as advertising.

History: Cr. Register, March, 1962, No. 75, eff. 4-1-62.
