(2) Each county must select a 6 consecutive step compensation plan for the welfare department, children's board and juvenile court from the group I schedule, and must also select a 6 consecutive step compensation plan for the welfare department, children's board and juvenile court from the group III schedule (schedule A, 1-6; schedule B, 2-7; schedule C, 3-8; schedule D, 4-9; schedule E, 5-10). Schedules under group II apply only to positions of juvenile court attached staff operating under the merit system. The corresponding 6 salary steps must be used for all position classifications under each group. The consecutive 6 step range used in group I or II need not be the same consecutive 6 step range used in group III. Example: A county may select schedule "D" under group I or group II which would be applicable to all positions classified under these groups, and at the same time select schedule "A" under group III which would be applicable to all positions classified under that group. The juvenile courts and the children's boards operating under the merit system will be deemed to be under the same schedule or schedules adopted by their respective counties for the welfare department unless appropriate action is taken in adopting a different schedule or schedules. This plan shall be applicable to all classes of positions in the agency on or before January 1, 1961.

(3) County action in adopting the schedules shall be by formal action by the county board of supervisors or by the county board of public welfare or by the county judge or children's board if delegated this responsibility for setting salaries of persons subject to the provisions of the county merit system rule. A certified copy of the county's action electing specific schedules shall be filed with the division of public assistance. In the absence of specific action, the schedule in effect at the time this compensation plan becomes effective will be deemed to apply to all groups.

(4) A change in one or more salary schedules may be made at any time. Such change shall also be by formal action by the county board of supervisors or by the county board of public welfare or by the county judge or children's board if delegated this responsibility for setting salaries of persons subject to the provisions of the county merit system rule, and a certified copy of the action taken shall be filed with the division, showing the date of adoption and the effective date of the new salary schedule or schedules.

(5) At least the minimum for the class shall be paid and the maximum is the highest rate on which reimbursement shall be made. Intermediate steps shall be the rate of salary advancement between the minimum and maximum.

PW-PA 10.26 Entrance salary. The entrance salary for an employe on first appointment shall be the minimum rate for the given range except as hereinafter provided.

(1) An agency may request authorization to appoint at any step above the minimum. If approved, such rate then becomes the minimum rate for all employes presently employed or thereafter appointed in the class and no appointments shall be made at that rate until those highest on the register are first offered appointments at the higher rate.

(2) A higher entrance rate, when approved, as indicated above, shall remain in effect as the minimum until the agency requests a further increase or a decrease and such request is approved by the division of public assistance, except that in the case of court attached juvenile court workers and employes of the children's boards, approval must be preceded by the recommendation of the division for children and youth.

(3) The division of public assistance may approve the appointment of an eligible at a rate within the range for the classification of case work supervisor II, case work supervisor I, case worker III, case worker II, case worker I, and juvenile court worker, if, in the opinion of the division the education and experience of the eligible justifies such rate and a recommendation for such payment has been made by the appointing authority, except that in the case of court attached juvenile court workers and employes of the children's boards, approval must be preceded by the recommendation of the division for children and youth. In such instances, a new minimum for all employes in the same class would not be established. Such recommended increase shall be limited to two steps above the established minimum.
