These instructions must be followed or a refund will be refused. The stamps must be destroyed in the presence of a representative of such department, and a proper affidavit made up and returned to such department by said representative before refund will be allowed.

(2) Refund will be granted on all stamps unfit for use, or otherwise unused, returned to this department by duly authorized permittees, providing the sale thereof may be verified by the commissioner.

(3) On all refunds granted, the cost of printing and service charges will be deducted therefrom.

Tax 9.12 Refunds—military. The state tax paid on tobacco products sold to post exchanges of the armed forces of the United States and to federally operated veterans' hospitals may be refunded to the licensed manufacturer, wholesaler or subjobber making the sale under the following conditions and provisions:

Tax 9.36 Displaying of tobacco products. All cigarette retail outlets in the state of Wisconsin shall display all cigarettes, offered for sale at retail, in such a manner that the tax stamp or meter imprint is clearly and conveniently visible.

Tax 9.41 Vending machines. Each vending machine operator must place on the front of each vending machine operated or controlled by him a sticker with his name and address, and his vending machine operator's permit number as issued by the commissioner of taxation, in such a position that it will not become dislodged or detached. Such sticker may be placed back of the glass, provided that it is completely visible and readable from the front.

Tax 9.42 Vending machines—penny. Penny cigarette vending machines or similar devices used for dispensing individual cigarettes are herewith prohibited unless the cigarettes are enclosed in a standard package or container on which is affixed the proper tobacco products tax stamp or meter imprint.

Tax 9.46 Purchases by the retailer. (1) No firm, person, or corporation engaged in the retail sale of tobacco products shall purchase same except from a manufacturer or wholesaler who holds a permit from the commissioner of taxation.

(2) All retailers selling tobacco products shall retain invoices covering all purchases of tobacco products. Such invoices shall be retained on the licensed premises in groups covering a period of one month each, and shall be available for inspection at all reasonable times by any representative of the division of beverage and cigarette taxes.

Tax 9.51 Samples. (1) All tobacco products shipped into this state to any manufacturer's representative for the purpose of free samples shall have the Wisconsin tax stamp of the proper denomination affixed thereto prior to entry of that product into the state of Wisconsin, except that same may be shipped unstamped to Wisconsin manufacturers or wholesalers who hold proper permits issued by the commissioner of taxation; they shall then affix the tax stamp of the proper denomination prior to release of such merchandise to the manufacturer's representative.

(2) The stamp or stamps covering the tax due on free samples may be affixed to the original carton instead of to the individual package and shall be so affixed that when the original carton is opened, the tax stamps thereon shall become defaced or broken, evidencing cancellation. The carton containing said free samples shall not be destroyed until all free samples therein have been dispensed.

(3) All free samples should be properly covered by a memo invoice listing the name of the consignor and the consignee as well as the quantity and brand of cigarettes, and they must be listed in the wholesale purchase record.

Out-of-state persons, firms, or corporations having permits to engage in the sale of tobacco products in the state of Wisconsin may warehouse either stamped or unstamped merchandise in properly licensed warehouses located in the state of Wisconsin. No such person, firm, or corporation shall affix stamps to merchandise while it is stored in such licensed warehouse.

Tax 9.67 Tobacco Tax Credit. - (a) Upon request for another tobacco tax stamp purchase on credit.
- (b) Upon formal demand by the commissioner of taxation.
- (c) In any event, not later than 30 days from the date on which credit was extended on any such tobacco tax stamp purchase.

(4) The commissioner of taxation reserves the right to investigate the financial stability of the applicant and his surety company, and the right to deny credit to any permittee when there is any question of ability to pay as herein required.
