Such preliminary file of reports shall be in writing. The preliminary opinion of title shall be made in writing by an attorney at law.

2. At the time of loan closing, after all necessary conveyances, mortgages, mortgage notes, satisfactions and releases have been executed, the association, upon information and belief contained in its preliminary title search, may disburse loan proceeds.

3. Immediately after loan closing, all deeds, mortgages, satisfactions and releases shall be recorded, and from the extension of the abstracts, describing the mortgaged premises, the association's attorney or any attorney approved by the association shall examine such abstracts and render a final opinion of title in writing advising the association that each borrower has good title, and that the association's mortgages are first liens thereon.
